The Rev. C. C. P. Crosby, writes as Jou lows:

New York, June 15, 1838.

To Dr., Jayne:—Dear Sir,—I have made use of your Expectorant, personally and in my family for the last six years, with great benefit. Indeed I may consider my life prolonged by the use of this valuable medicine, under the blessing of God, forseveral years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Tonson, of the Island of Jamaica. For all cases of cough, inflamation of the chest, lungs, and throat, I do most unhesitatingly recommend this as the best medicine I have ever tried. My earnest wish is, that others afflicted as I have been, may experience the same relief, which I am persuaded they will by using your Expectorant.

Dr. Janne, Dear Sir:—I have been using your Expectorant extensively in my practice for the last three months, and for all attacks of Colds, Coughs, Inflamation of the Lungs, Consumption, Asthma, Pains and weakness of the Breast, it is decidedly the best medicine I have ever tried.

Very respectfully yours.

To those who desire Health.

I hereby certify, that I was afflicted for 8 eyears with a severe nervous disease, attended ed with constant pan in the breast, side and, stomach, loss of appetite, no rest at night, is ickness and dizziness in the head, pain in the stomach after eating, and other symptoms which attends indigestlon, my bowels were weak and irregular. Having, had advice of various physicians during this long a period, and used much medicine which only produced temporary relief. In the year 1839 I was often unable to leave my house, and being a poor widow, dependent on my own labor for a living, was obliged to go from house to house to obtain it. I at length gave up all hopes of recovery, and rusted to Him "that created all things." I fortunately was favored with work in Eighth street, when the family, discovering my miserable situation, immediately recommended Dr. HAR LICH'S COMPOUND STRENGTHE-NING, & GERMAN APERIENT PILLS which they procured for me. I used them, and continued for about three months; during the time my strength rapidly increased my countenance and pallid cheek returned to their former and natural colors. Since I have fully recovered, and at present enjoy perfect health. I feel it my duty to inform the public at large of the great virtues of Dr. HARLICH'S MEDICINE, that others may procure it, and be likewise cured. I am well known in this city; any person wishing to see me, can call at my residence.

THE PHOENIX BITTERS are so called, because they possess the power of restoring the expiring embers of health, to a glowing vigor throughout the constitution, as the Phoenix is said to be restored to life from the ashes of its own dissolution. The Phoenix Bitters are entirely vegetable, composed of roots found only in certain parts of the westeen country, which will infallibly cure FEVERS AND AGUES of all kinds; will never fail to eradicate entirely all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla, and will immediately cure the determination of BLOOD TO THE HEAD; never fail in the sickness incident to young temales; and will be found a certain remedy in all cases of nervous debility and weakness of the most impaired constitutions. As a remedy for Chronic and Inflamatory Rheumatism, the efficacy of the Phenix Bitters will be demonstrated by the use of a single bottle.

The proprietor rejoices in the opportunity afforded by the universal diffusion of the press, for placing his VEGETABLE LIFE MEDICINES within the knowledge and reach of every individual in the community. COUGHS & COLDS

These very distressing complaints often lead into CONSUMPTION through ne gleet at the first attack. I would therefore advise those whose cough begins to become troublesome, and the Expectoration scanty, with more or less soreness of the throat, difficult raising of phlegm, &c. that they sho'd immediately apply for a suitable medicine, which is Dr. DUNCAN'S EXPECTORANT Remedy for Consumption, &c. This medicine I have found in every instance to remove those unpleasant annoyances in a few days. One single bottle will in most cases, prove this assertion. Therefore, you who wish to escape the early seeds of Consumption, avail yourselvet of this opportunity, and again chjoy the blessings of health.
