CROMWELL TOWNSHIP.

MYSTERIOUS.—A gentleman belonging to one of the most ancient and wealthy families of this city, who must be well known to numerous friends, having since the year 1818 up to recently, been bent nearly double, and for several years confined to his bed, has been restored to good health—has regained his natural erect position—and has quitted his carriage, and now walks with ease!! We believe this is the gentleman's own description as near as possible, and there is no exaggeration in it. We will give inquirers his address, and doubt not his humane feelings will excuse the liberty; so that any one doubting may know these facts—though he requests his name may not appear in print.—Among other similar instances, Mr. Jas. G. Reynolds, 144 Christie street, has been restored, and will give personal assurances of the facts of his case. Both were rheumatism and contracted cords and sinews. How has this been done? Answer.—By the Indian Vegetable Elixer internally, and Hewes' Nerve and Bone Liment externally.—N. Y. Herald.

The extraordinary virtues hourly developed in "Dalley's Magical Pain Extractor," induce me to come forward to inform every person that its equal is not to be found for the relief of pain and cure of burns, scalds, and injuries generally. My wife for 6 years endured a constant course of suffering by Sakt Rheum all over her hands, arms and neck, and now with much pleasure and thankfulness do I publicly state, that she is perfectly cured. She had before used 6 different remedies, besides having had much of the first medical advice, but to no purpose. It is now more than a year since this cure was effected, yet there is not the slightest indication of a return of the complaint. Cases of the most alarming piles constantly yield to its influence. This statement should, I suppose, be sufficient to convince the most incredulous and prejudiced.
