COUGHS & COLDS.

Dr. Swayne's Compound Syrup of Prunus of Virginia or wild Cherry.
This syrup is highly beneficial in all pectoral affections; also, in diseases of the chest in which the lungs do not perform their proper office from want of due nervous energy: such as asthma, pulmonary consumption, recent or chronic coughs, hoarseness, whooping cough, wheezing and difficulty of breathing, croup and spitting of blood, &c. How many sufferers do we daily behold approaching to an untimely grave, wrested in the bloom of youth from their dear relatives and friends, afflicted with that common and destructive ravager, called consumption, which soon wastes the miserable sufferer until they become beyond the power of human skill; if such sufferers could only make a trial of Dr. Swayne's invaluable medicine, they would soon find themselves benefited; than by gulping the various ineffective certain remedies of which our newspapers daily abound. This syrup immediately begins to heal the ulcerated lungs, stopping profuse night sweats, mitigating the distressing cough at the same time inducing a healthy and natural expectoration, also relieving the shortness of breath and pain in the chest, which harass the sufferer even in the slightest exercise, and finally the hectic flush in the pallid and emaciated cheek will soon begin to vanish, and the sufferer will here perceive himself snatched from a premature grave, into the enjoyment again of comfortable health.

JUSTICES' BLANKS for sale at this Office.

To those who desire Health.

I hereby certify, that I was afflicted for 8 years with a severe nervous disease, attended with constant pain in the breast, side and stomach, loss of appetite, no rest at night, sickness and dizziness in the head, pain in the stomach after eating, and other symptoms which attend indigestion, my bowels were weak and irregular. Having had advice of various physicians during this long period, and used much medicine which only produced temporary relief. In the year 1839 I was often unable to leave my house, and being a poor widow, dependent on my own labor for a living, was obliged to go from house to house to obtain it. I at length gave up all hopes of recovery, and trusted to Him "that created all things." I fortunately was favored with work in Eighth street, when the family, discovering my miserable situation, immediately recommended Dr. HARRICH'S COMPOUND STRENGTHENING, & GERMAN APERIENT PILLS which they procured for me. I used them, and continued for about three months; during the time my strength rapidly increased my countenance and pallid cheek returned to their former and natural colors. Since I have fully recovered, and at present enjoy perfect health. I feel it my duty to inform the public of the great virtues of Dr. HARRICH'S MEDICINE, that others may procure it, and be likewise cured. I am well known in this city; any person wishing to see me, can call at my residence.

READ WHAT IT HAS DONE.

An if you have a friend, relation, or know any one that is afflicted with that distressing disease, "CONSUMPTION," persuade them without delay to try that famous and unrivaled medicine, "JAYNE'S AGUE OR WILD CHERRY," which has cured thousands of complaints after every thing else had failed. Read the following undoubted proofs of its efficacy.

Roxborough, Sept. 1841.
Dear Sir, Please send me two bottles more of your Balsam of Wild Cherry, like that you sent me before. I have taken nearly all of the first two, and confidently believe this medicine will cure me. I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months.

Yours, respectfully, **JAMES KELLY.**
Holmesburg, Sept. 12, 1841.

Friend Wistar, I must again trouble you to send me two bottles more of thy invaluable Balsam. I have now taken three bottles in all, and can assure thee that it has done more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend,
Jacob H. HOWAR.

Bristol, September 8, 1841.

Dear Doctor,—Hearing so many people talk about the wonderful cures your Balsam of Wild Cherry has made in consumption, I sent to one of your agents the other day for a bottle, and have found it to relieve me so much, that I want three bottles more sent soon, as I believe it will cure me too. I have used a great many balsams of different kinds and medicines besides, but nothing has done me so much good as yours has. Send by the steamboat Boloriv.

Yours truly, **WM. THOMAS.**
Besides its astonishing efficacy, in Consumption, it is also the most effectual remedy ever discovered for Liver Complaints, Asthma, Bronchitis, Coughs, Croup, Whooping Cough, &c., as hundreds will testify who have been cured by it after all other remedies had failed.

Be very particular to ask for Dr. Wistar's Balsam of Wild Cherry. Sold wholesale and retail by **WILLIAMS & Co.,** Chemists, No. 33 South Fourth street, Philadelphia. Price, 1 00 a bottle.

COUGHS & COLDS.

These very distressing complaints often lead to CONSUMPTION through neglect at the first attack. I would therefore advise those whose cough begins to become troublesome, and expectoration scanty, with more or less soreness of the throat, difficult raising of phlegm, &c. that they should immediately apply for a suitable medicine, which is Dr. DUNCAN'S EXPECTORANT REMEDY for Consumption, &c. This medicine I have found in every instance to remove those unpleasant annoyances in a few days. One single bottle will in most cases, prove this assertion. Therefore, you who wish to escape the early seeds of Consumption, avail yourself of this opportunity, and again enjoy the blessings of health.

JAMES M. BIRCH, Kensington.
N. B. The above was left at the office by one who experienced the wonderful effects of the above medicine. Hundreds are there who thus express the joyful sentiments of their hearts in favor of such a valuable medicine as Dr. Duncan's Expectant Remedy, that others may find relief from the same source.

HEALTH, HEALTH, HEALTH,

Restored, and Life preserved, by Dr. D. Jayne's Medical Preparations.

These medicines are recommended and extensively used by the most intelligent persons in the United States, by numerous Professors and Presidents of Colleges, Physicians of the Army and Navy, and of Hospitals and Almshouses, and by more than three hundred Clergymen of various denominations. They are expressly prepared for family use, and have acquired an unprecedented popularity throughout the United States; and as they are so admirably calculated to preserve HEALTH and cure DISEASE, no family should ever be without them. The proprietor of these valuable preparations received his education at one of the best Medical Colleges in the United States, and has had seventeen years experience in an extensive and diversified practice, by which he has had ample opportunities of acquiring a practical knowledge of diseases, and of the remedies best calculated to remove them.

These preparations consist of **JAYNE'S EXPECTORANT**, a valuable remedy for Cough, Colds, Consumption, Asthma, Spitting of blood, Croup, Hooping Cough, Bronchitis, Pleurisy and inflammation of the Lungs or Throat, difficulty of Breathing, Rheumatism and all diseases of the Pulmonary Organs.

Also **JAYNE'S HAIR TONIC**, for the preservation, growth and beauty of the Hair, and which will positively bring in new hair on bald heads, and prevent it from falling off or turning grey.

Also **JAYNE'S TONIC VERMIFUGE**, a certain and pleasant remedy for Worms, Dyspepsia, Piles, Fever and Ague, and all diseases of debility, especially of the Stomach and Bowels and organs of digestion, and many other diseases.

Also **JAYNE'S CARMINATIVE BAL-SAM**, a certain cure for Bowel and Summer Complaints, Diarrhoea, Dysentery, Cholera, Cramps, Sick Headache, Sour Stomach, Cholera Morbus, and all derangements of the stomach and bowels, nervous affections, &c.

Also **JAYNE'S SANATIVE PILLS**, for Female Diseases, Liver complaints, Costiveness, Fevers, Inflammations, Obstructions of the Linn, Pleurisy, Kidneys or Uterus, &c. Diseases of the skin, &c. and in all cases where an Aperient, Alterative or Purgative Medicine is required.

Also **JAYNE'S AGUE PILLS**, a positive cure for Fever and Ague.

Also **JAYNE'S ASTRINGENT SYRUP**, for children cutting teeth and for sore mouth, throat and lips, &c.

BALTIMORE, March 27, 1839.

DEAR SIR,—You ask me what proofs I meet with of the efficacy of your Carminative. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again, which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children it has frequently appeared to snatch the little victims, as it were, from the grave. It saved the life of my child, and of such a sick and ailing child, I have repeatedly heard said. In dysenteric affections of adults, it has time and again seen it act like a charm, and give permanent relief in a few hours, I may say few minutes. In fine, it is a valuable medicine, and no family should be without it.

Respectfully,
M. L. KNAPP, M. D.
Late Physician to the Baltimore Dispensary, and Agent for the Maryland Vaccine Institution.

To the whole World!

It is admitted by all who have used them, (and who has not?) that

DR. PETERS' VEGETABLE ANTIBILIOUS PILLS,

Are the most unrivaled remedy ever discovered by the ingenuity of man. They are a sovereign cure for the following complaints: Yellow and Bilious Fevers, Fever and Ague, Headache, Jaundice of the Spleen, Rheumatism, Dropsy, Enlargement of the Spleen, Piles, Colic, Female Obstructions, Heat, burn, Stomach and Bowels, Nausea, Distentions of the Stomach and Bowels, Incipient Diarrhoea, Flatulence, Habitual Costiveness, Loss of Appetite, Bloated or Sallow Complexion, and in all cases of Torpor of the Bowels, where a Cathartic or an Aperient is needed.

They are exceedingly mild in their operation, producing neither Nausea, Griping, nor Debility. They are extensively used and recommended by PRACTISING PHYSICIANS, in all parts of the Union, from whom an abundance of Certificates of their value can be obtained.

Dr. J. G. Smith, of Woodstock, Va. says: "They are a better Pill than I can make." He recommends them to all.

The Agent at Strasburg, Va. says, he supplies families for thirty miles around with Peters' Pills, and they perform such remarkable cures that they are preferred to every other medicine.

Mrs. E. Ward, of New-York, was troubled with Dyspepsia and Liver Complaint for fifteen years. By using these valuable Pills a short time, she was completely restored.

Miss Clark, daughter of Col. Clark, was afflicted with Irregularities and Obstructions, attended with most distressing symptoms. She was cured by using Dr. Peters' Pills.

Hon. E. D. Davis was afflicted with Rheumatism so as to be unable to dress himself. Three boxes of Peters' Pills entirely cured him.

But why multiply testimonials? We say to you, Dr. Peters' Vegetable Pills, and we will guarantee that afterwards you will use them in preference to all others.

The Best in the World.

We ask the serious attention of every man, woman, and child in the United States, to what will prove to be the most valuable discovery ever made, a discovery that only requires to be known to be appreciated.

DR. SHERMAN'S MEDICATED LOZENGES.

Are the best medicine in the world. Quere: Why? Simply because they are the most efficacious, the cheapest, and the pleasantest to take. What are they? They are a combination of the most approved remedies in the whole medical kingdom, and so prepared in double refined sugar as to make them as pleasant to the taste as the best cream candy; children will eat them with avidity; besides they are more convenient than any other medicine, they are put up in a single form of a Lozenge so that a few may be put in the pocket and eaten at pleasure. There has never been a single instance in which they have failed to give perfect satisfaction. The Medical Faculty warmly approve of them.

SHERMAN'S COUGH LOZENGES.

Are the safest, most sure and effectual remedy for Colds, Consumption, Whooping Cough, Asthma, tightness of the Lungs or Chest, &c. &c.

Mr. Charles W. Perkins, 71 Bowery, was cured of a severe cough and cold of 3 months standing, by half a box of the Lozenges.

Rev. Mr. Hancock, 497 Pearl-st., has used them in his family with invariable success and recommends them to all who are afflicted with coughs, colds, or any affection of the lungs.

Mr. M. E. Martin suffered several weeks with a distressing cough, which nothing relieved, till he tried these Lozenges, which cured him in a few hours.

Mr. James W. Hale, No 5 Tontine Buildings, Wall-st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise easy, & enabled him to sleep well at night. He had tried every thing he heard of, but nothing else afforded the least relief.

Another instance of saving a fellow-being from an untimely grave.

SHERMAN'S WORM LOZENGES.

Proved in more than 40,000 cases to be infallible; the only certain worm-destroying medicine ever discovered.

SYMPTOMS OF WORMS.—Pain in the joints or limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips with flushed cheeks, bleeding at the nose, a gnawing sensation at the stomach, flashes of heat over the surface of the body, slight chills or shiverings, headache, drowsiness, vertigo, torpor, disturbed dreams, sudden starting in sleep with fright and screaming; sometimes a troublesome cough, feverishness, thirst, pallid hue, fits, bad taste in the mouth, difficult breathing, pain in the stomach or bowels, fatigue, leanness, bloating in various parts of the body, a sense of something rising in the throat, itching of the anus towards night, a frequent desire to pass something from the bowels, and sometimes discharges of slime and mucus.

Dr. Galen Hunter, 108 Sixth Avenue, knew a child that was cured of fits by these Lozenges, after three years suffering, and when nothing else would give the least relief. A boy on board of one of the Havre packets was cured of fits by only one dose of them.

Dr. Zabriskie, 12 Duane-street, has used them in over 700 cases, some of them of the most alarming character, and always with the greatest success.

Benjamin F. Goodspeed, 130 Sixth Avenue, has used them in his family for 2 years, with entire success. Twenty-five cents per box.

SHERMAN'S CAMPHOR OR HEADACHE LOZENGES.

Give immediate relief in nervous sick Headache, palpitation of the heart, loss of spirit, despondency, inflammatory or putrid sore throat, bowels or summer complaint, fainting, oppression or a sense of sinking of the chest, cholera, spasms, cramps of the stomach or bowels, hysterical affection, and all nervous diseases, drowsiness through the day and wakefulness at night; cholera or cholera morbus, diarrhoea, lassitude, or a sense of

fatigue. Persons travelling or attending large parties, will find the Lozenges really reviving, and imparting the buoyancy of youth—used after dissipation, they will restore the tone of the system generally, and remove all the unpleasant symptoms arising from too free living.

John M. Moore, Esq., Editor of the Brother Jonathan, was cured of a severe headache in six minutes by three of the Camphor Lozenges—he was prejudiced against them.

Dr. G. Hunter, 108 Sixth Avenue, has been subject to violent attacks of headache, so as to make him almost blind for two or three hours at a time. Nothing ever afforded him any relief till he tried these Lozenges, and they cured him in a few minutes.

W. H. Atree, Esq., of the New York Herald, has used them for the last year for headache, or lassitude, and always found immediate relief from them.

Moore's Life Medicine.

THE PHOENIX BITTERS are so called, because they possess the power of restoring the expiring embers of health, to a glowing vigor throughout the constitution, as the Phoenix is said to be restored to life from the ashes of its own dissolution. The Phoenix Bitters are entirely vegetable, composed of roots found only in certain parts of the western country, which will infallibly cure the FEVERS AND ACUES of all kinds; will never fail to eradicate entirely all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla, and will immediately cure the termination of BLOOD TO THE HEAD; never fail in the sickness incident to young females, and will be found a certain remedy in all cases of nervous debility and weakness of the most impaired constitutions. As a remedy for Chronic and Inflammatory Rheumatism, the efficacy of the Phoenix Bitters will be demonstrated by the use of a single bottle.

The proprietor rejoices in the opportunity afforded by the universal diffusion of the PHOENIX BITTERS, within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, which boast of vegetable ingredients, the Life Pills are purely and solely vegetable, and contain neither Mercury, Antimony, Arsenic, nor any other mineral, in any form whatever.

The following are among the distressing varieties of human diseases, to which the vegetable Life Pills are well known to be infallible:

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure and healthy bile, instead of the stale and acrid kind.—Flatulency, Heartburn and Headache, Restlessness, Impatience, Anxiety, Languor and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence. Diarrhoea and Cholera, by removing the sharp acrid fluids by which these complaints are occasioned. The Life Medicines have been known to cure Rheumatism permanent in three weeks, and Gout in half that time. Dropsies of all kinds, by freeing and strengthening the kidneys and bladder. A certain remedy for the worst cases of Gravel. Also Worms, by dislodging from the turnings of the bowels the slimy matters to which these creatures adhere; As Hma and Consumption, by relieving the vessels of the lungs from the mucus; Scurvy, Ulcers, and Invererate Sores, by the perfect purity of these Life Pills give to the blood, and all the humors; Scorbatic Eruptions and Bad Complexions, by their alterative effect upon the fluids for a very short time, will effect an entire cure of Salt Rheum, Erysipelas, and a striking improvement in the clearness of the Skin. Common Colds and Influences, will always be cured by one dose, or by two, even in the worst cases. Piles,—as a remedy for this most distressing and besetting malady, the Vegetable Life Pills denote a distinct and emphatic recommendation. It is well known to hundreds in this country, that the originator of this
