To those who desire Mealth.

Nose 3, 1841
Thereby certify, that I was afflicted for 8 years with a severe nervous disease, attended with constant pain in the breast, side and stomach, loss of appetite, no rest at night, sickness and dizziness in the head, pain in the stomach after eating, and other symptoms which attends indigestlon, my bowels were weak and irregular. Having had advice of various physicians during this long period, and used much medicine which only produced temporary relief. In the year 1839 I was offen unable to leave my house, and being a poor widow, dependent on my own labor for a living, was obliged to go from house to house to obtain it. Lat length gave up all hopes of recovery, and trusted to Him "that created all things." I fortunately was favored with work in Eighth street, when the family, discovering my miscrable situation, immediately recommended Dr. HAR LICH'S COMPOUND STRENGTHE-NING, & GERMANA APEXIENT PILLS which they procure for me. I used them, and continued for about three months; during the time my strength rapidly increased my countenance and pallid cheek returned to their former and natural colors. Since I have fully recovered, and at present enjoy perfect health. I feel it my duty to inform the public at large of the great virtues of Dr. HARLICH'S MEDICINE, that others may procure it, and be likewise cured. I am well known in this city; any person whishing to see me, can callat uny residence. Sold at the Store of Jacob Miller, Huntingdon, Pa.

These very distressing complaints often ead into CONSUMPTION through ne-glect at the first attack. I would therefore advise those whose cough begins to become troublesome, and the Expectoration scanty, with more or less sorteness of the throat, di-flicult raising of phlegm, &c. that they sho'd immediately apply for a suitable medicine, which is Dr. DUNCAN'S EXPECTOR-ANT Remedy for Consumption, &c. This medicine I have found in every instance to remove those unpleasant annoyances in a few days. One single bottle will in most ca-ses, prove this assertion. Therefore, you who wish to escape the early seeds of Con-sumption, avail yourselvet of this oppor-tunity, and again enjoy the blessings of health. LAMES M. BIRCH, Kensington.

BALTIMORE, March 27, 1838. DR. JAYNE, Dear Sir, —You ask me what proofs I meet with of the efficacy of your Carmina-tive. I can safely say that I never preseri-bed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced luto a family, it be-comes a standing remedy for those allments, and is called for again and again, which I think a pretty good proof of its efficaey and userfulness. In the Summer Complaint of children it has frequently appeared to snatch the little victims, asit were, from the grave. 'It saved the life of my child, and of such and such achild.'I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, I may say tew minutes. In fine, it is a valua-ble medicine, and no family should be with-out it. Respectfully. M. L. KNAPP, M. D. Late Physiciant to the R-ditmore Dispensary, and Agican to the R-ditmore Dispensary.
