I have used a great many remedies within the last year, but have never found any thing that has relieved me so much. It has stopped my cough entirely, checked my night sweats, and I sleep better at night and feel better in every way than I have for many months.

Yours, respectfully, JAMES KELLY.

Friend Wistar, I must again trouble you to send me two bottles more of thy invaluable Balsam. I have now taken two bottles in all, and can assure thee that it has done me more good than all the medicine I have ever taken before. Send by the stage as soon as possible, and oblige thy friend,

JACOB HOLLOWAY.

Bristol, September 8, 1841.

I have used a great many balsams of different kinds have tried Jane's Expectant and other medicines besides, but nothing has done me so much good as yours has. Send by the steamboat Bolivar,

Yours truly, WM. THOMAS.

To those who desire Health.

I hereby certify, that I was afflicted for 8 years with a severe nervous disease, attended with constant pain in the breast, side and stomach, loss of appetite, no rest at night, sickness and dizziness in the head, pain in the stomach after eating, and other symptoms which attend indigestion, my bowels were weak and irregular. Having had advice of various physicians during this long period, and used much medicine which only produced temporary relief. In the year 1839 I was often unable to leave my house, and being a poor widow, dependent on my own labor for a living, was obliged to go from house to house to obtain it. I at length gave up all hopes of recovery, and trusted to Him "that created all things." I fortunately was favored with work in Eighth street, when the family, discovering my miserable situation, immediately recommended Dr. HARRISON'S COMPOUND STEEL, LIME, SALT, AND GERMAN APERIENT PILLS, which they procured for me. I used them, and continued for about three months; during the time my strength rapidly increased, my countenance and pallid cheek returned to their former and natural colors. Since I have fully recovered, and at present enjoy perfect health. I feel it my duty to inform the public, that I have been cured by Dr. HARRISON'S MEDICINE, that others may procure it, and be likewise cured. I am well known in this city; any person wishing to see me, can call at my residence.

To the whole World!

It is admitted by all who have used them, (and who has not?) that

DR. PETERS' VEGETABLE ANTIBILIOUS PILLS,

Are the most unrivaled remedy ever discovered by the ingenuity of man. They are a sovereign cure for the following complaints: Dyspepsia, Group, Liver Complaint, Sick Headache, Jaundice, Asthma, Rheumatism, Dropsy, Enlargement of the Spleen, Piles, Colic, Female Obstructions, Heart-burn, Furred Tongue, Nausea, Distentions of the Stomach and Bowels, Incipient Diarrhea, Flatulence, Habitual Costiveness, Loss of Appetite, Bloated or Sallow Complexion, and in all cases of Torpor of the Bowels, where a Cathartic or Aperient is needed.

They are exceedingly mild in their operation, producing neither Nausea, Griping, nor Debility. They are extensively used and commended by PRACTISING PHYSICIANS, in all parts of the Union, from whom any quantity of Certificates of their value can be obtained.

Dr. J. G. Smith, of Woodstock, Va. says: "They are a better Pill than I can make." He recommends them to all.

The Agent at Strasburg, Va. says, he supplies families for thirty miles around with Peters' Pills, and they perform such remarkable cures that they are preferred to every other medicine.

Mrs. E. Ward, of New-York, was troubled with Dyspepsia and Liver Complaint for fifteen years. By using these valuable Pills a short time, she was completely restored.

Miss Clark, daughter of Col. Clark, was afflicted with Irregularities and Obstructions, attended with most distressing symptoms. She was cured by using Dr. Peters' Pills.

Hon. E. D. Davis was afflicted with Rheumatism so as to be unable to dress himself. Three boxes of Peters' Pills entirely cured him.

But why multiply testimonials? We say to all, Try Dr. Peters' Vegetable Pills, and we will guarantee that afterwards you will use them in preference to all others.

The Best in the World.

We ask the serious attention of every man, woman, and child in the United States, to what will prove to be the most valuable discovery ever made, a discovery that only requires to be known to be appreciated.

DR. SHERMAN'S MEDICATED LOZENGES,

Are the best medicine in the world. Query: Why? Simply because they are the most efficacious, the cheapest, and the pleasantest to take. What are they? They are a combination of the most approved remedies in the whole medical kingdom, and so prepared in double refined sugar as to make them as pleasant to the taste as the best cream candy; children will eat them with avidity; other medicine, they are more convenient than any form of a Lozenge so that a few may be put in the pocket and eaten at pleasure. There has never been a single instance in which they have failed to give perfect satisfaction. The Medical Faculty warmly approve of them.

SHERMAN'S COUGH LOZENGES

Are the safest, most sure and effectual remedy for Colds, Consumption, Whooping Cough, Asthma, tightness of the Lungs or Chest, &c. &c.

Mr. John Starkey, foot of Gouverneur-st., cured of cough of eighteen months standing, supposed to be a settled consumption, by these Lozenges, when the physicians could do nothing for him.

Mr. Charles W. Perkins, 71 Bowersy, was cured of a severe cough and cold of 3 months standing, by half a box of the Lozenges.

Rev. Mr. Hancock, 497 Pearl-st., has used them in his family with invariable success, and recommends them to all who are afflicted with coughs, colds, or any affection of the lungs.

Mr. M. E. Martin suffered several weeks with a distressing cough, which nothing relieved, till he tried these Lozenges, which cured him in a few hours.

Mr. James W. Hale, No. 5 Tontine Building, W. St., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few hours attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise easy, and enabled him to sleep well at night. He had tried every thing he heard of, and nothing else afforded the least relief - another instance of saving a fellow-being from an untimely grave.

SHERMAN'S WORM LOZENGES

Proved in more than 40,000 cases to be infallible; the only certain worm-destroying medicine ever discovered.

SYMPTOMS OF WORMS. - Pain in the joints or limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips with flushed cheeks, bleeding at the nose, a gnawing sensation at the stomach, slight chills or shiverings, a distinct and vegetative life denotation. It is well known to hundreds in this country, that the originator of these invaluable Pills was himself afflicted with this complaint for upwards of thirty-five years, and that he tried in vain every remedy of Materia Medica. He however, at length, tried the medicine which he now offers to the public and he was cured in a very short time.

All that Mr. Moffat requires of his patients is to be particularly in taking the Life Medicines strictly according to the directions given in the prospectus. - Females who value good health should take Life Medicines, as they purify the blood, remove obstructions, and give the skin a beautiful, clear, healthy, and blooming appearance.

TO PARENTS AND OTHERS. - Persons of a plethoric habit, who are subject to fits, headache, giddiness, dimness of sight, or drowsiness, from too great a flow of blood to the head, should take it frequently. Children, and persons of all ages, may take them at any time, as they do not contain mercury, or any ingredient that requires confinement or restriction of diet.

BALTIMORE, March 27, 1833.

DR. JAYNE.

Dear Sir, -You ask me what proofs I meet with of the efficacy of your Carminative. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again; which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children it has frequently appeared to snatch the little victims, as it were, from the grave.

"I saved the life of my child, and of such and such a child." I have repeatedly heard and read in dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, I may say few minutes. In fine, it is a valuable medicine, and no family should be without it.

Respectfully,

M. L. KNAPP, M. D.
