

opposed to the distribution of the Public Lands—in favor of direct taxation—and in every respect a man after Fanny Wright's own heart. He is labelled "Workingman," but works more as a politician than any thing else; while Jonathan McWilliams and Brice Blair work alone in the shop or factory and on the farm.

Henry C. Eyer, the Locofoco nominee for the Senate was palmed upon the "faithful vassals" of David R. Porter, by the duplicity and trickery of party leaders.—The "patent democrats," by turning the figure NINE upside down so as to make it read SIX, and swearing upon the "Perry Democrat" or some other veritable Kickapoo bible, that Locofoco Tuesday was the very same identical thing as Friday, shut out Huntington county from the Conference, and Henry C. Eyer of Union county thus received the nomination. Now this self same Henry C. Eyer, being the choice of David R. Porter, is a Locofoco that will consent to become a mere *outs-paw* in the hands of his Excellency, and, at his bidding, turn "Lumber Merchant" or any thing else. Hence his nomination, in exclusion of Alexander Gwin Esq. of this county. Such a man "cant shine" along side of Robert Elliott of Perry county, who was openly and fairly nominated.

Friends of Retrenchment and Reform Opponents of Double taxation! turn out on the 11th of October and vote for McWilliams and Blair for Assembly and for Robert Elliott for the Senate! If the Locofocos get a majority in the next Legislature you may expect to have your taxes again doubled. And what makes this taxation more humiliating is, that not a single cent of it goes towards the payment of the State debt or even the interest thereof; but is applied to the salaries of useless officers on the Public Works and in the State-house at Harrisburg.

The above are some of the most prominent measures to be acted on by the next Legislature. It behooves every citizen who has an interest in the welfare of this Commonwealth to come to the rescue on the second Tuesday of October.

HUMANITY.—A Miss Woolfit, of Kirkby-Green, England, made a cork leg for a chicken, to supply the place of one it lost in a steel trap, on which it stumped about with all imaginable grace.

In the conclusion of an opinion in a case of bankruptcy, delivered by Justice STORY, that learned Judge said: "He agreed with Mr. Justice THOMSON, of New York, in every particular. He also agreed with Mr. Justice McLEAN, of Ohio, as far as he went. It was the misfortune of all three, that they differed *totally* from their learned brother, Mr. Justice DANIEL, of Virginia."

A lady in Baltimore city lately swallowed a needle, which she pulled out of her body in the region of the heart, several days afterwards, whether it had worked its way until protruding through the skin.

Ex-Governor Morton, of Mass., addressed a long letter "To the Suffrage Club Bake Committee," at the late festival.—He thinks the controversy might have been settled by a reference to the U. S. Supreme Court, either by mutual consent, or through the resignation of one of the Senators, and the election of a successor by each of the Legislatures.

The Democratic Review states that General Jackson has committed all his papers, &c., to the hands of Mr. Amos Kendall, who is to edit and publish them with a biography.

Epilepsy or Falling Sickness.—John M. Harmer, living in Frankford, in the state of Pennsylvania, for a period of 12 years has been afflicted with that terrible disease.—He had as many as two and three fits a month, and towards the last had become almost incapable of attending to business.—Four or five months have now passed since he commenced using Dr. Branth's Vegetable Universal Pills, and although he was having fits very frequent and with increased violence, yet, since using the Pills, he has had only two fits all winter. He continues to take the pills and attends to his business—feels assured that nothing is wanting but a perseverance in the use of them to effect a perfect cure.

Purchase them in Huntington of WM. STEWART, and only of Agents published in another part of this paper.

FACTS WORTH KNOWING.—A positive cure for the hair falling out, or to restore it to its natural color.

A certain cure for all Rheumatism and swollen Limbs; no exceptions.

A certain and positive cure for the Piles in all cases.

A warranted cure for all Bruises, Scalds and other sores, and sore eyes.

A positive cure for the Salt Rheum.

A beautiful Dye for the hair; will not color the skin. Warranted.

A certain cure for corns.

Each of these to be had at 71 Maiden Lane—and such proof of these facts as will convince all who will call or send for them, gratis.

It would be preposterous in a writer for the readers of such a journal as the Courier, to address their prejudices, passions or superstitions. Good common sense should at least be possessed by the readers of this paper, and we care to attract. We will now assert, in the most unqualified terms, that an innocent remedy has been found, that will absolutely cure Rheumatism and stiffness of joints, if of twenty years' standing. The assertion is so broad, that it will hardly obtain credence, were we aware, unless supported by uncommon testimony. Now the testimony given to so many worthless quackeries is so abundant, that to discriminate between such, and real matter of fact testimony, is very difficult. To come at once to a point that can be at once appreciated, the proprietors have resolved to give this remedy to the poor, and to care those able to pay for it, before they ask pay, and then leave it to the sufferer to pay what he chooses. We entreat, therefore, sufferers to call at 71 Maiden Lane, for some drops (Indian Elixer) to be taken, and a Nerve and Bone Liniment to use outwardly; and if they will not, by one week's use, become more surprised and delighted than they ever expected, we will never again make such an assertion. Will invalids now suffer for the want of this mild, innocent, and all potent remedy? If they refuse it, we pity them indeed.—*N. Y. Cour. & Eng. Feb. 1842.*

COUGHS & COLDS.

These very distressing complaints often lead into CONSUMPTION through neglect at the first attack. I would therefore advise those whose cough begins to become troublesome, and the Expectoration scanty, with more or less soreness of the throat, difficult raising of phlegm, &c. that they should immediately apply for a suitable medicine, which is Dr. DUNCAN'S EXPECTORANT Remedy for Consumption, &c. This medicine I have found in every instance to remove those unpleasant annoyances in a few days. One single bottle will in most cases, prove this assertion. Therefore, you who wish to escape the early seeds of Consumption, avail yourself of this opportunity, and again enjoy the blessings of health.

The extraordinary virtues hourly developed in "Dalle's Magical Pain Extractor," induce me to come forward to inform every person that its equal is not to be found for the relief of pain and cure of burns, scalds, and injuries generally. My wife for 6 years endured a constant course of suffering by Salt Rheum all over her hands, arms and neck, and now with much pleasure and thankfulness do I publicly state, that she is perfectly cured. She had before used 6 different remedies, besides having had much of the first medical advice, but to no purpose. It is now more than a year since this cure was effected, yet there is not the slightest indication of a return of the complaint. Cases of the most alarming piles constantly yield to its influence. This statement should, I suppose, be sufficient to convince the most incredulous and prejudiced.
