To those who desire Health.

I hereby certify, that I was afflicted for 8 years with a severe nervous disease, attended with constant pain in the breast, side and stomach, loss of appetite, no rest at night, sickness and dizziness in the head, pain in the stomach, indigestion, and other symptoms which rendered my digestion, my bowels were weak and irregular. Having had advice of various physicians during this long period, and used much medicine which only produced temporary relief. In the year 1839 I was often unable to leave my house, and being a poor widow, dependent on my own labor for a living, was obliged to go from house to house to obtain it. I at length gave up all hopes of recovery, and trusted to Him "Who created all things." I fortunately was favored with work in Eighth street, when the family doctor recommended Dr. HARKLICH'S COMPOUND STRONG PINKETTING, and GERMAN APERIENT PILLS which they procured for me. I used them, and continued for about three months, during the time my strength rapidly increased, my countenance and pallid cheek returned to their former and natural colors. Since I have fully recovered, and at present enjoy perfect health. I feel it my duty to inform the public at large of the great virtues of Dr. HARKLICH'S MEDICINE, that others may procure it, and be likewise cured. I am well known in this city, and any person wishing to see me, can call at my residence.

TO THE WHOLE WORLD.

It is admitted by all who have used them, (and who has not?) that DR. PETERS' VEGETABLE ANTIBILIOUS PILLS, Are the most unrivalled remedy ever discovered by the ingenuity of man.

They are a sovereign cure for the following complaints: Yellow and Bilious Fevers, Fever and Ague, Dyspepsia, Cramp, Liver Complaint, Sick Headache, Jaundice, Asthma, Rheumatism, Dropsy, Enlargement of the Spleen, Piles, Colic, Female Obstructions, Heart-Burn, Furred Tongue, Nausea, Distensions of the Stomach and Bowels, Incipient Diarrhoea, Flatulence, Habitual Constiveness, Loss of Appetite, Bitching or Sallow Complexion, and in all cases of Torpor of the Bowels, where a Cathartic or an Aperient is needed.

They are exceedingly mild in their operation, producing neither Nausea, Griping, nor Debility. They are extensively used and commended by PRACTISING PHYSICIANS, in all parts of the Union, from whom any quantity of Certificates of their value can be obtained. Dr. J. G. Smith, of Woodstock, Va., says: "They are a better Pill than I can make." He recommends them to all. The Agent at Strasburg, Va., says, he supplies families for thirty miles around with Peters' Pills, and they perform such remarkable cures that they are preferred to every other medicine.

Dr. W. Ward, of New-York, was troubled with Dyspepsia and Liver Complaint for fifteen years. By using these valuable Pills a short time, she was completely restored. Miss Clark, daughter of Col. Clark, was afflicted with Irregularities and Obstructions, attended with most distressing symptoms. She was cured by using Dr. Peters' Pills. Hon. E. D. Davis was afflicted with Rheumatism so as to be unable to dress himself. Three boxes of Peters' Pills entirely cured him. But why multiply testimonials? We say to all, Try Dr. Peters' Vegetable Pills, and we will guarantee that afterwards you will use them in preference to all others.

The Best in the World.

We ask the serious attention of every man, woman, and child in the United States, to what will prove to be the most valuable discovery ever made, a discovery that only requires to be known to be appreciated. DR. SHERMAN'S MEDICATED LOZENGES, Are the best medicine in the world. Query: Why? Simply because they are the most efficacious, the cheapest, and the pleasantest to take. What are they? They are a combination of the most approved remedies in the whole medical kingdom, and so prepared in double refined-sugar as to make them as pleasant to the taste as the best cream candy; children will eat them with avidity; besides they are more convenient than any other medicine, they are put up in a single form of a Lozenge so that a few may be put in the pocket and eaten at pleasure. There has never been a single instance in which they have failed to give perfect satisfaction. The Medical Faculty warmly approve of them.

SHERMAN'S COUGH LOZENGES Are the most safe and efficacious remedy for Coughs, Consumption, Whooping Cough, Asthma, tightness of the Lungs or Chest, &c. Mr. John Starkey, foot of Gouverneur-st., cured of cough of eighteen months standing, supposed to be a settled consumption, by these Lozenges, when the physicians could do nothing for him. Mr. Charles W. Perkins, 71 Bowery, was cured of a severe cough and cold of 3 months standing, by half a box of the Lozenges. Rev. Mr. Hancock, 437 Pearl-st., has used them in his family with variable success and recommends them to all who are afflicted with coughs, colds, or any affection of the lungs. Mr. M. E. Martin suffered several weeks with a distressing cough, which nothing relieved, till he tried these Lozenges, which cured him in a few hours. Mr. James W. Hale, No 5 Tontine Building, Wall-st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise easy, and enabled him to sleep well at night. He had tried every thing he heard of, and nothing else afforded the least relief—another instance of saving a fellow-being from an untimely grave.

SHERMAN'S WORM LOZENGES Proved in more than 40,000 cases to be infallible; the only certain worm-destroying medicine ever discovered. SYMPTOMS OF WORMS.—Pain in the joints or limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips with flushed cheeks, bleeding at the nose, a gnawing sensation at the stomach, flashes of heat over the surface of the body, slight chills or shiverings, headache, drowsiness, vertigo, torpor, disturbed dreams, sudden starting in sleep with fright and screaming; sometimes a troublesome cough, feverishness, thirst, pallid face, fits, bad taste in the mouth, difficult breathing, pain in the stomach or bowels, fatness, nausea, squeamishness, voracious appetite, leanness, bloated stomach or limbs, gripings, shooting pains in various parts of the body, a sense of something rising in the throat, itching of the anus towards night, a frequent desire to pass something from the bowels, and sometimes discharges of slime and mucus. Dr. Galen Hunter, 108 Sixth Avenue, knew a child that was cured of fits by these Lozenges, after three years suffering, and when breathing she would give a least relief. A boy of four of one of the Harve packages was cured of fits by only one dose of them. Dr. Z. Briskie, 18 Dame-street, has used them in over 700 cases, some of them of the most alarming character, and always with the greatest success. Benjamin F. Goodspeed, 150 Sixth Avenue, has used them in his family for 2 years, with entire success. Twenty-five cents per box.

SHERMAN'S CAMPHOR, OR HEADACHE LOZENGES

Give immediate relief in nervous sick Headache, palpitation of the heart, loss of spirits, despondency, inflammation or putrid sore throat, hoarseness or summer complaint, fainting, oppression or a sense of sinking of the chest, cholera, spasms, cramps of the stomach or bowels, hysterical affections and all nervous diseases, drowsiness through the day and wakefulness at night; cholera or cholera morbus, diarrhoea, headache, or a sense of

HEALTH, HEALTH, HEALTH.

Restored, and Life preserved, by Dr. D. Jayne's Medical Preparations.

These medicines are recommended and extensively used by the most intelligent persons in the United States, by numerous Professors and Presidents of Colleges, Physicians of the Army and Navy, and of Hospitals and Asylums, and by more than three hundred Clergymen of various denominations. They are expressly prepared for family use, and have acquired an unprecedented popularity throughout the United States; and as they are so admirably calculated to preserve HEALTH and cure DISEASE, no family should ever be without them. The proprietor of these valuable preparations received his education at one of the best Medical Colleges in the United States, and has had seventeen years experience in an extensive and diversified practice, by which he has had ample opportunities of acquiring a practical knowledge of diseases, and of the remedies best calculated to remove them.

These preparations consist of JAYNE'S EXPECTORANT, a valuable remedy for Cough, Colds, Consumption, Asthma, Spitting of blood, Croup, Hooping Cough, Bronchitis, Pleurisy and inflammation of the Lungs or Throat, difficulty of Breathing, Rheumatism and all diseases of the Pulmonary Organs. Also JAYNE'S HAIR TONIC, for the preservation, growth and beauty of the Hair, and which will positively bring in new hair on bald heads, and preventing it from falling out or turning gray. Also JAYNE'S TONIC VERMIFUGE, a certain and pleasant remedy for Worms, Dyspepsia, Piles, Fever and Ague, and all diseases of debility, especially of the Stomach and Bowels and organs of digestion, and many other diseases. Also JAYNE'S GERMINE BAL-SAM, a certain cure for Bowel and Summer Complaints, Diarrhoea, Dysentery, Cholera, Cholera Morbus, and all derangements of the stomach and bowels, nervous affections, &c. JAYNE'S SANATIVE PILLS, for Female diseases, Liver complaints, Costiveness, Fevers, Inflammations, Obstructions of the Liver, Spleen, Kidneys or Uterus, &c. Diseases of the skin, &c. and in all cases where an Aperient, Alterative or Purgative Medicine is required. Also JAYNE'S AGUE PILLS, a positive cure for Fever and Ague. Also JAYNE'S ASTRINGENT SYRUP, for children cutting teeth and for sore mouth, throat and lips, &c.

BALTIMORE, March 27, 1838. Dear Sir,—You ask me what proofs I meet with of the efficacy of your Germine medicine. I can truly say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedily and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again, which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children it has frequently appeared to snatch the little victims, as it were, from the grave, and such a child, I have recently heard said. In dysenteric affections of adults, I have time and again seen it act like a charm and give permanent relief in a few hours, I may say few minutes. In fine, it is a valuable medicine, and no family should be without it. Respectfully, M. L. KNAPP, M. D. Late Physician to the Baltimore Dispensary, and Agent for the Maryland Vaccine Institution. For sale by JACOB MILLER, Huntingdon, July 13, 1842.
