WISTAR'S BALSAM OF WILD CHERRY

For Consumption of the Lungs.

Affections of the Liver, Asthma, Bronchitis, Pains or Weakness of the Breast or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of the Lungs, and all affections of the Pulmonary Organs.

Nature's own Prescription. A compound Balsamic preparation of the Prunus Virginiana of Wild Cherry Bark, combined with the Extract of Tar, prepared by a chemical process, approved and recommended by the most distinguished physicians, and universally acknowledged the most valuable medicine ever discovered.

No Quackery!! No Deception. In setting forth the virtues of this truly great medicine, we have no desire to deceive those who are laboring under the affliction, nor do we wish to enlarge it more than it deserves. We look around and see the vast amount of suffering and distress occasioned by many of the diseases in which this medicine has proved so highly successful, we feel that we cannot urge its claims too strongly, or say too much in its favor.

Various remedies it is true have been offered and puffed into notice for the cure of diseases of the Lungs, and some have no doubt been found very useful, but all that have yet been discovered, it is admitted by physicians and all others who have witnessed its effects, that none have proved as successful as this. Such, indeed, are the

Surprising Virtues. Of this Balsam, that even in the advanced stages of Consumption, after all the most esteemed remedies of physicians have failed to effect any change, the use of this medicine has been productive of the most astonishing relief, and actually effected cures after all hopes of recovery had been despaired of.

In the first stage of the disease, termed Catarrh of Consumption, originating from neglected Colds, it has been used with undeviating success, and hundreds acknowledge they owe the restoration of their health to this invaluable medicine alone, in that form of consumption so prevalent among delicate young females, commonly termed Debility, or

"Going into a Decline." A complaint with which thousands are lingering, it has also proved highly successful, and not only possesses the power of checking the progress of this alarming complaint, but also strengthens and invigorates the system more effectually than any medicines we have ever possessed.

Besides its surprising efficacy in consumption, it is equally efficacious in Liver Complaint, Asthma, Bronchitis, and all affections of the Lungs, and has cured many of the most obstinate cases, after every other remedy had failed. For particulars see Dr. Wistar's treatise on consumption, to be had of the agents.

WHILE LIFE REMAINS WE STILL HAVE SOME HOPE. A SURPRISING CURE.—Among the many singular cures which this medicine has effected, there is perhaps none in which its powers are so fully shown as in the case of Mrs. Austin.

This lady has been consumptive for several years, and during the greater part of this time had received the best medical attention, and tried all the most valuable remedies, yet nothing could be found to arrest its progress. She became subject to violent fits of coughing, expectorated large quantities of matter occasionally tinged with blood, and step by step this fearful disease continued its course, until all hopes of a recovery were despaired of. While in this distressing situation, lingering upon the very verge of the grave, she commenced the use of this Balsam, which, to use her own expression, operated almost like a charm. In a few days she expectorated freely, the cough was gradually suppressed, and every day appeared to add fresh vigor to her looks, and now, in the place of that emaciated form withering to decay, she is seen mingling in society, in better health than she has enjoyed for years.

DISINTERESTED TESTIMONY.—Having witnessed the surprising efficacy of Dr. Wistar's Balsam of Wild Cherry, in the case of Mrs. Austin, I cheerfully acknowledge the above statement to be true and correct.

J. C. WALTERS, M. D.
LIVER COMPLAINT.—Mrs. Eliza Thompson was afflicted with this complaint for nearly five years, during which time she was under the most skillful and necessary treatment of Mercury, Botanic and Homoeopathic remedies, and every thing that offered her any hopes of relief. She had dulled wandering pains in her side, sometimes in the shoulder and small of the back, a hacking cough, frequent pains in the breast, and had been unable to sleep on her right side for three years. By the use of this Balsam she was cured in a few weeks, and remains well to this day.

ELIZA THOMPSON.
Woodstown, Sept. 4, 1842.
Dear Sir,—Although your valuable medicine has already found hundreds of powerful advocates, it still may be gratifying to you to receive a communication from any one that has been relieved by it. Such, sir, is truly my case. I have been a victim of that terrible disease consumption, for many months, and have suffered so much, that I had become almost weary of my life. Hearing your Balsam so highly praised, I began taking it a few weeks back, and can assure you that it has relieved me more than any thing I have ever used before, and I confidently believe it will cure me effectually. Please give the bearer the worth of the enclosed, and oblige

Yours Respectfully,
JOHN PEARSON.

Chester county, Sept 6, 1841.
Friend Wistar.—It gives me much pleasure to inform thee that my wife's health has improved very much since she has been using thy Balsam of Wild Cherry, and I think there is no doubt it will cure her. She has taken the two bottles I purchased from thee a short time since, and her cough is much better, she also sleeps well at night, and says she has found nothing to give her so much relief. They will please give the bearer two bottles more for Thy Friend,
EDWARD HOLMES.
October 11, 1842.

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntington county:

Dear Sir:—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq. of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwebel, in which many other remedies had been tried without any relief. The Balsam gave sudden relief, and in my opinion the child is effectually cured by its use.

Yours, &c.
JACOB HOFFMAN, M. D.

Dec. 25, 1841.
Dear Sir:—Your Balsam of Wild Cherry has effected some astonishing cures here. One of which is an old lady, Mrs. Russel, who has been suffering for a long time with shortness of breathing, and general weakness, until she was finally obliged to keep her bed. After various other remedies had been resorted to in vain, she commenced using your Balsam, and after taking two bottles was so far recovered as to be able to attend to all the duties of her house, and on taking two bottles more was entirely cured.

Respectfully &c.
JOHN S. C. MARTIN.
Pottsville, Pa.

CAUTION.—As there is a spurious mixture called Syrup of Wild Cherry, purchasers should be particular to ask for Dr. Wistar's Balsam, and observe his signature on the bottle.

Moffat's Life Medicine.

THE PHOENIX BITTERS are so called, because they possess the power of restoring the expiring embers of health, to a glowing vigor throughout the constitution, as the Phoenix is said to be restored to life from the ashes of its own dissolution. The Phoenix Bitters are entirely vegetable, composed of roots found only in certain parts of the western country, which will infallibly cure FEVERS AND ACUES of all kinds; will never fail to eradicate entirely all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla, and will immediately cure the determination of BLOOD TO THE HEAD; never fail in the sickness incident to young females; and will be found a certain remedy in all cases of nervous debility and weakness of the most impaired constitutions. As a remedy for Cholic, Cholera, Inflammatory Rheumatism, the efficacy of the Phoenix Bitters will be demonstrated by the use of a single bottle.

The proprietor rejoices in the opportunity afforded by the universal diffusion of the press, for placing his VEGETABLE LIFE MEDICINES within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, which boast of vegetable ingredients, the Life Pills are purely and SOLELY VEGETABLE, and contain neither Mercury, Antimony, Arsenic, nor any other mineral, in any form whatever.

The following are among the distressing varieties of human diseases, to which the vegetable Life Pills are well known to be infallible:

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure and healthy bile, instead of the stale and acrid kind.—Flatulency, Palpitation of the Heart, Loss of Appetite, Heart burn and Headache, Restlessness, Irritability, Anxiety, Langour and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

Constipation, by cleansing the whole length of the intestines with a solvent process, and without violence. Diarrhea and Cholera, by removing the sharp acrid fluids by which these complaints are occasioned. The Life Medicines have been known to cure Rheumatism permanently in three weeks, and Gout in half that time. Dropsies of all kinds, by freeing and strengthening the kidneys and bladder. A certain remedy for the worst cases of Gravel. Also Worms, by dislodging from the turnings of the bowels the slimy matters to which these creatures adhere; Ashma and Consumption, by relieving the vessels of the lungs from the mucus, Scoury, Ulcers, and Invertebrate Sores, by the perfect purity of these Life Pills give to the blood, and all the humors, Scorbatic Eruptions and Bad Complexions, by their alterative effect upon the fluids that feed the skin. The use of these Pills for a very short time, will effect an entire cure of Salt Rheum, Erysipelas, and a striking improvement in the clearness of the Skin. Common Colds and Influenza, will always be cured by one dose, or two, even in the worst cases. Piles,—as a remedy for this most distressing and obstinate malady, the Vegetable Life Pills deserve a distinct and emphatic recommendation. It is well known to hundreds in this city, that the originator of these invaluable Pills was himself afflicted with this complaint for upwards of thirty-five years, and that he tried in vain every remedy prescribed within the compass of the Materia Medica. He however, at length, tried the medicine which he now offers to the public and he was cured in a very short time.

All that Mr. Moffat requires of his patients is to be particular in taking the Life Medicines strictly according to the directions ADVERTISED FOR FEMALES.—Females who value good health should never be without the Life Medicines, as they purify the blood, remove obstructions, and give the skin a beautiful, clear, healthy, and blooming appearance.

TO PARENTS AND OTHERS.—Persons of a plethoric habit, who are subject to fits, headache, giddiness, dimness of sight, or drowsiness, from too great a flow of blood to the head, should take it frequently. Children, and persons of all ages, may take them at any time, as they do not contain mercury, or any ingredient that requires confinement or restriction of diet.

Sold at the Store of JACOB MILLER Huntington, Pa. November 1, 1842.

TO MARKSMEN.

THOMAS DOUGLASS, GUN-SMITH, RESPECTFULLY informs his friends, and the public generally, that he still continues the above business in

M'CONNELLSTOWN, and is prepared to manufacture all kinds of Guns or Pistols, or to make any necessary repairs upon any article of the kind. If careful attention will merit success, he hopes to secure the patronage of the sharp shooters of this county.

HEALTH, HEALTH, HEALTH,

Restored, and Life preserved, by

Dr. D. Jayne's Medical Preparations.

These medicines are recommended and extensively used by the most intelligent persons in the United States, by numerous Professors and Presidents of Colleges, Physicians of the Army and Navy, and of Hospitals and Almshouses, and by more than three hundred Clergymen of various denominations.

They are expressly prepared for family use, and have acquired an unprecedented popularity throughout the United States; and as they are so admirably calculated to preserve HEALTH and cure DISEASE, no family should ever be without them. The proprietor of these valuable preparations received his education at one of the best Medical Colleges in the United States, and has had seventeen years experience in an extensive and diversified practice, by which he has had ample opportunities of acquiring a practical knowledge of diseases, and of the remedies best calculated to remove them.

These preparations consist of JAYNE'S EXPECTORANT, a valuable remedy for Cough, Colds, Consumption, Asthma, Spitting of Blood, Croup, Hooping Cough, Bronchitis, Pleurisy and inflammation of the Lungs or Throat, difficulty of Breathing, Rheumatism and all diseases of the Pulmonary Organs.

Also JAYNE'S HAIR TONIC, for the preservation, growth and beauty of the Hair, and which will positively bring in new hair on bald heads, and prevent it from falling out or turning gray.

Also JAYNE'S AGUE PILLS, a positive cure for Fever and Ague.

Also JAYNE'S ASTRINGENT SYRUP, for children cutting teeth and for sore mouth, throat and lips, &c.

BALTIMORE, March 27, 1838.

DR. JAYNE.
Dear Sir,—You ask me what profits I meet with of the efficacy of your Carminative. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again; which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children it has frequently appeared to snatch the little victims, as it were, from the grave.

"It saved the life of my child, and of such a child!" I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, may say few minutes. In fine, it is a valuable medicine, and no family should be without it.

The Best in the World.

We ask the serious attention of every man, woman, and child in the United States, to what will prove to be the most valuable discovery ever made, a discovery that only requires to be known to be appreciated.

DR. SHERMAN'S MEDICATED LOZENGES.

Are the best medicine in the world. *Quere?* Why? Simply because they are the most efficacious, the cheapest, and the pleasantest to take. What are they? They are a combination of the most approved remedies in the whole medical kingdom, and so prepared in double refined sugar as to make them as pleasant to the taste as the best cream candy; children will eat them with avidity; besides they are more convenient than any other medicine, they are put up in a single form of a Lozenge so that a few may be put in the pocket and eaten at pleasure. There has never been a single instance in which they have failed to give perfect satisfaction. The Medical Faculty warmly approve of them.

SHERMAN'S COUGH LOZENGES

Are the safest, most sure and effectual remedy for Colds, Consumption, Whooping Cough, Asthma, tightness of the Lungs or Chest, &c. &c.

Mr. John Starkey, foot of Gouverneur-st., cured of cough of eighteen months standing, supposed to be a settled consumption, by these Lozenges, when the physicians could do nothing for him.

Mr. Charles W. Perkins, 71 Bowery, was cured of a severe cough and cold of 3 months standing, by half a box of the Lozenges.

Rev Mr Hancock, 497 Pearl-st., has used them in his family with invincible success, and recommends them to all who are afflicted with coughs, colds, or any affection of the lungs.

Mr M E Martin suffered several weeks with a distressing cough, which nothing relieved, till he tried these Lozenges, which cured him in a few hours.

Mr James W Hale, No 5 Tontine Buildings, Wall-st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise away his life. The Lozenges made him raise away his life. The Lozenges made him raise away his life.

SHERMAN'S WORM LOZENGES

Proved in more than 40,000 cases to be infallible; the only certain worm-destroying medicine ever discovered.

Symptoms of Worms.—Pain in the joints or limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips with flushed cheeks, bleeding at the nose, a gnawing sensation at the stomach, flashes of heat over the surface of the body, slight chills or shiverings, headache, drowsiness, vertigo, torpor, disturbed dreams, sudden starting in sleep with fright and screaming; sometimes a troublesome cough, feverishness, thirst, pallid hue, fits, bad taste in the mouth, difficult breathing, pain in the stomach or bowels, fatigue, nausea, squeamishness, voracious appetite, leanness, bloated stomach or limbs, gripings, shooting pains in various parts of the body, a sense of something rising in the throat, itching of the anus towards night, a frequent desire to pass something from the bowels, and sometimes discharges of slime and mucus.

Dr Galen Hunter, 108 Sixth Avenue, knew a child that was cured of fits by these Lozenges, after three years suffering, and when nothing else would give the least relief. A boy on board of one of the Havre packets was cured of fits by only one dose of them.

Dr Zabriskie, 18 Duane-street, has used them in over 700 cases,
