NATURAL PRINCIPLES.

It is written in the Book of Nature and common sense, that the natural vegetable productions of every country are, if properly applied, amply sufficient for the cure of every malady incident to that climate.

WRIGHT'S INDIAN VEGETABLE PILLS are founded upon the principle, that the human body is subject to but one disease, viz: corrupt humors, which, when confined to the circulation, give rise to those disordered motions of the blood called fevers; but when lodged in the various parts of the body, are the cause not only of every ache or pain we suffer, but every malady incident to man.

It should be remembered that **Wright's Indian Vegetable Pills** are composed of roots and herbs, which grow spontaneously on our own soil, and consequently are so admirably adapted to our constitutions, that, while they cannot possibly injure even the most delicate, a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, do we not drain it of the superabundant water? In like manner, if we would restore the body to health, we must cleanse it from impurity.

Wright's Indian Vegetable Pills, will be found peculiarly adapted to carrying out this grand purifying, because they expel all corrupt humors in an easy and natural manner, and while they every day **GIVE EASE AND PLEASURE**, the constitution is restored to such a state of health and vigor, that disease will find no abiding place in the body.

BEWARE OF COUNTERFEITS! As the great popularity of **Wright's Indian Vegetable Pills**, has raised up a host of counterfeiters the public are cautioned against impostors, who are travelling about the country, selling to the unsuspecting storekeepers a spurious article for the above celebrated Pills.

It should be remembered that, all who sell the genuine medicine are provided with a **certificate of agency**, of which the following is a copy:

This is to certify that the within named — is a regular and duly appointed Agent for the sale of **Wright's Indian Vegetable Pills**, in the town of —, in the State of —, and this certificate, which is signed by Wm. Wright, Vice President of the North American College of Health, must also be countersigned by the acting Clerk or Agent, from whom said certificates are received.

This certificate of agency will be renewed every twelve months; therefore, if any alteration should be made in the date, do not purchase.

The public are further informed that all who receive the above certificate, are also required to sign the following

PLEDGE.

This is to certify, that the subscriber, by certificate bearing eye date herewith, signed with the proper handwriting of William Wright, Vice President of the North American College of Health, has been appointed Agent for the sale of **WRIGHT'S INDIAN VEGETABLE PILLS, OR Indian Purgative,** in the town of —, and State of —, to hold and continue in said agency during the pleasure of the said William Wright, and no longer, any thing contained in the said certificate signed by the said William Wright, to the contrary thereof notwithstanding. In consideration whereof, I hereby covenant and agree to and with the said William Wright that I will not sell, or expose to sale, any medicine bearing the above or a similar name during my said agency, other than that which I receive from his authorized agent or agents, under the penalty of five hundred dollars to be paid by him, as liquidated damages. Witness — hand and seal, the — day of — one thousand eight hundred and forty —

Thus it will be seen that the friends of the genuine medicine may be perfectly free from any apprehension of fraud, as all agents, who are provided with a certificate of agency, have invariably

SIGNED THE PLEDGE

not to sell any Indian Vegetable Pills except those received from the above named William Wright, or his authorized agents. Country agents and other, will be on their guard against travelling impostors, and remember that all authorized travelling agents are also provided with a certificate of agency as above described, and that Pills offered for sale, by those who cannot show a certificate of agency, are sure to be counterfeit.

It will be further observed that all genuine medicine has the title expressed in full on the sides of the boxes thus:

WRIGHT'S INDIAN VEGETABLE PILLS, (Indian Purgative) OF THE NORTH AMERICAN COLLEGE OF HEALTH.

The patrons of **Wright's Indian Vegetable Pills** will also bear in mind that the directions which accompany each box of Pills, have been secured by copyright, and the proper form, viz: "Entered according to the act of Congress, in the year 1840, by William Wright, in the Clerk's Office of the District Court of the Eastern District of Pennsylvania," will be found at the bottom of the first page of said directions.

Thus it will be seen, that a trifling attention on the part of the purchaser to the above particulars, will put an effectual stop to this wholesale robbery, and drive it, it is hoped, all depredators upon society to an honest calling.

DR. SHERMAN'S MEDICATED LOZENGES,

Are the best medicine in the world. **Quere?** Why? Simply because they are the most efficacious, the cheapest, and the pleasantest to take. What are they? They are a combination of the most approved remedies in the whole medical kingdom, and so prepared in double refined sugar as to make them as pleasant to the taste as the best cream candy; children will eat them with avidity; besides they are more convenient than any other medicine, they are put up in a single form of a Lozenge so that a few may be put in the pocket and eaten at pleasure. There has never been a single instance in which they have failed to give perfect satisfaction. The Medical Faculty warmly approve of them.

SHERMAN'S COUGH LOZENGES Are the safest, most sure and effectual remedy for Colds, Consumption, Whooping Cough, Asthma, tightness of the Lungs or Chest, &c. &c.

Mr. John Starkey, foot of Gouverneur-st., cured of cough of eighteen months standing, supposed to be a settled consumption, by these Lozenges, when the physicians could do nothing for him.

Mr. Charles W. Perkins, 71 Bowery, was cured of a severe cough and cold of 3 months standing, by half a box of the Lozenges.

Rev. Mr. Hancock, 497 Pearl-st., has used them in his family with invariable success, and recommends them to all who are afflicted with coughs, colds, or any affection of the lungs.

Mr. M. E. Martin suffered several weeks with a distressing cough, which nothing relieved, till he tried these Lozenges, which cured him in a few hours.

Mr. James W. Hale, No. 5 Tontine Buildings, Wall-st., gave some to a friend, who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise easy, & enabled him to sleep well at night. He had tried every thing he heard of, and nothing else afforded the least relief—another instance of saving a fellow-being from an untimely grave.

SHERMAN'S WORM LOZENGES Prove in more than 40,000 cases to be infallible; the only certain worm-destroying medicine ever discovered.

SYMPTOMS OF WORMS.—Pain in the joints or limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips with flushed cheeks, bleeding at the nose, a gnawing sensation at the stomach, flashes of heat over the surface of the body, slight chills, or shiverings, headache, drowsiness, vertigo, torpor, disturbed dreams, sudden starting in sleep with frig. t. and screaming; sometimes a troublesome cough, feverishness, thirst, pallid hue, fits, bad taste in the mouth, difficult breathing, pain in the stomach or bowels, fatigue, nausea, squeamishness, voracious appetite, leanness, bloated stomach or limbs, gripings, shooting pains in various parts of the body, a sense of something rising in the throat, itching of the anus towards night, a frequent desire to pass something from the bowels, and sometimes discharges of slime and mucus.

Dr. Galen Hunter, 108 Sixth Avenue, knew a child that was cured of fits by these Lozenges, after three years suffering, and when nothing else would give the least relief. A boy on board of one of the Havre-packets was cured of fits by only one dose of them.

Dr. Zabriskie, 18 Duane-street, has used them in over 700 cases, some of them of the most alarming character, and always with the greatest success.

Benjamin F. Goodspeed, 130 Sixth Avenue, has used them in his family for 2 years, with entire success. Twenty-five cents per box.

SHERMAN'S CAMPHOR OR HEADACHE LOZENGES

Give immediate relief in nervous sick Headache, palpitation of the heart, loss of spirits, despondency, inflammatory or putrid sore throat, bowel or summer complaint, fainting, oppression or a sense of sinking of the chest, cholera, spasms, cramps of the stomach or bowels, hysterical affections, and all nervous diseases, drowsiness through the day and wakefulness at night; cholera in cholera morbus, diarrhoea, lassitude, or a sense of fatigue. Persons traveling or attending large parties, will find the Lozenges really reviving, and imparting the buoyancy of youth—used after dissipation, they will restore the tone of the system generally, and remove all the unpleasant symptoms arising from too free living.

John M. Moore, Esq., Editor of the Brother Jonathan, was cured of a severe headache in six minutes by the use of the Camphor Lozenges—he was just cured against them.

Dr. G. Hunter, 108 Sixth Avenue, has been subject to violent attacks of headache, so as to make him almost blind for two or three hours at a time. Nothing ever afforded him any relief till he tried these Lozenges, and they cured him in a few minutes.

W. H. Attree, Esq., of the New York Herald, has used them for the last year for headache, or lassitude, and always found immediate relief from them.

SHERMAN'S POOR MAN'S PLASTER

HEALTH, HEALTH, HEALTH.

Restored, and Life Preserved, by **Dr. D. Jayne's Medical Preparations.**

These medicines are recommended and extensively used by the most intelligent persons in the United States, by numerous Professors and Presidents of Colleges, Physicians of the Army and Navy, and of Hospitals and Almshouses, and by more than three hundred Clergymen of various denominations.

They are expressly prepared for family use, and have acquired an unprecedented popularity throughout the United States; and as they are so admirably calculated to preserve HEALTH and cure DISEASE, no family should ever be without them. The proprietor of these valuable preparations received his education at one of the best Medical Colleges in the United States, and has had seventeen years experience in an extensive and diversified practice, by which he has had ample opportunities of acquiring a practical knowledge of diseases, and of the remedies best calculated to remove them.

These preparations consist of **JAYNE'S EXPECTORANT**, a valuable remedy for Cough, Colds, Consumption, Asthma, Spitting of blood, Croup, Hooping Cough, Bronchitis, Pleurisy, and inflammation of the Lungs or Throat, difficulty of Breathing, Rheumatism and all diseases of the Pulmonary Organs.

Also **JAYNE'S ASPRINGTON SYRUP**, for children cutting teeth and for sore mouth, throat and lips, &c.

BALTIMORE, March 27, 1838. DR. JAYNE.

Dear Sir,—You ask me what proofs I meet with of the efficacy of your Carminative. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedily and perfect relief as this. When introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again, which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children it has frequently appeared to snatch the little victims, as it were, from the grave. It saved the life of my child, and of such a child such a child. I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours. I may say few minutes. In fine, it is a valuable medicine, and no family should be without it. Respectfully,

M. L. KNAPP, M. D. Late Physician to the Baltimore Dispensary, and Agent for the Maryland Vaccine Institution. For sale by **JACOB MILLER**, Huntington, Nov. 1, 1842.

HEALTH.

Many of our readers, no doubt, are possessed with this all important blessing, which they may long retain, if particular regard and care be paid to themselves, that will never they feel the least indisposed, to procure a proper medicine in due season. But, on the contrary, we find thousands who are laboring under disease, and many, we fear, will prove serious, if not attended to early. Would those persons resort to the medicine that has established itself in thousands of cases which is **Dr. Harlow's Compound Strengthening and German Aperient Pills**, so pre-eminently recommended for diseases incident to the human race, they would be replaced back again to life's sweet blessing, which is health.

We speak from ocular proof, knowing in many instances, where cures have been performed by this medicine, with marked success in various complaints, such as Dyspepsia, Liver Complaint, Rheumatism, pain in the Breast, Side and Back, Costiveness, Nervous Weakness, Emaciation, General Debility, &c. &c. This medicine consists of two distinct kinds, viz: The German Aperient and the Compound Strengthening Tonic Pills, the former to remove bile and all excrementitious matter from the body, thus cleansing and purifying the system, after which the latter are used to give strength and vigor to the weak and debilitated organs, restore the lost appetite, and produce tranquil rest and sweet repose. We highly approve of the "D.C.T." theory of treating diseases, which certainly is safe and effectual, and advise the afflicted to give his medicine a fair trial.—**Daily Chronicle.**

SPITTING OF BLOOD.

Is another dangerous symptom of Pulmonary Affection, and difficult to arrest when neglected; it commences with cough, copious expectoration, which consists of bright frothy matter, or black, and clotted with blood; there is mostly some fever, headache, palpitation of the heart, flushes of heat, and redness of the cheeks; difficulty of breathing, and a sense of the throat, and salivary taste in the mouth, &c. **Dr. Duncan's Expectorant Remedy** will be found to arrest this complaint, if used at the first attack, but when neglected, it may require many more. Those who are afflicted with **Spitting of Blood** should lose no time in procuring the above medicine, as this disease mostly proves serious when not early attended to.

Office for the sale of this medicine, No. 19 North Eighth street, Philadelphia. Sold at the Store of **Jacob Miller**, Huntington. Price \$1 per bottle. November 1, 1842.

For Consumption of the Lungs.

Affections of the Liver, Asthma, Bronchitis, Pains or Weakness of the Breast or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of the Lungs, and all affections of the Pulmonary Organs.

Nature's Own Prescription. A compound Balsamic preparation of the **Prunus Virginiana** of Wild Cherry Bark, prepared by a chemical process, approved and recommended by the most distinguished physicians, and universally acknowledged the most valuable medicine ever discovered.

No Quackery!! No Deception.

In setting forth the virtues of this truly great medicine, we have no desire to deceive those who are laboring under the affliction, nor do we wish to eulogize it more than it deserves. Yet we look around and see the vast amount of suffering and distress occasioned by many of the diseases in which this medicine has proved so highly successful, strongly, or say too much in its favor.

Various remedies it is true have been offered and puffing notice for the cure of diseases of the Lungs, and some have no doubt been found very useful, but all that have yet been discovered, it is admitted by physicians and all others who have witnessed its effects, that none have proved as successful as this. Such, indeed, are the

Surprising Virtues

Of this Balsam, that even in the advanced stages of Consumption, after all the most esteemed remedies of physicians have failed to effect any change, the use of this medicine has been productive of the most astonishing relief, and actually effected cures after all hopes of recovery had been despair of.

In the first stage of the disease, termed **Catarrhal Consumption**, originating from neglected COLDS, it has been used with undeviating success, and hundreds acknowledge they owe the restoration of their health to this invaluable medicine alone, in that form of Consumption so prevalent amongst delicate young females, commonly termed debility, or

"Going into a Decline."

A complaint with which thousands are lingering, it has also proved highly successful, and not only possesses the power of checking the progress of this alarming complaint, but also strengthens and invigorates the system more effectually than any medicines we have ever possessed.

Besides its surprising efficacy in Consumption, it is equally efficacious in Liver Complaint, Asthma, Bronchitis, and all affections of the Lungs, and has cured many of the most obstinate cases, after every other remedy had failed. For particulars see Dr. Wistar's treatise on Consumption, to be had of the agents.

WHILE LIFE REMAINS WE STILL HAVE SOME HOPE.

A SURPRISING CURE.—Among the many singular cures which this medicine has effected, there is perhaps none in which its powers are so fully shown as in the case of Mrs. Austin.

This lady has been consumptive for several years, and during the greater part of this time had received the best medical attention, and tried all the most valuable remedies, yet nothing could be found to arrest its progress. She became subject to violent fits of coughing, expectorated large quantities of mucus occasionally tinged with blood, and step by step this fearful disease continued its course, until all hopes of a recovery were despaired of. While in this distressing situation, lingering upon the very verge of the grave, she commenced the use of this Balsam, which, to her own expression, operated almost like a charm. In a few days she expectorated freely, the cough was gradually suppressed, and every day appeared to add fresh vigor to her looks, and now, in the place of that emaciated form withering to decay, she is seen mingling in society, in better health than she has enjoyed for years.

DISINTERESTED TESTIMONY.—Having witnessed the surprising efficacy of Dr. Wistar's Balsam of Wild Cherry, in the case of Mrs. Austin, I cheerfully acknowledge the above statement to be true and correct. **J. C. WALTERS, M. D.**

LIVER COMPLAINT.—Mrs. Eliza Thompson was afflicted with this complaint for nearly five years, during which time she was under the most skillful physicians—had tried Mercury, Botanic and Homoeopathic remedies, and every thing that offered her any hopes of relief. She had dull, wandering pains in her side, sometimes in the shoulder and small of the back, a hacking cough, frequent pains in the breast, and had been unable to sleep on her right side for three years. By the use of this Balsam she was cured in a few weeks, and remains well to this day. **ELIZA THOMPSON.**

Woodstown, Sept. 4, 1842.

Dear Sir,—Although your valuable medicine has already found hundreds of powerful advocates, it still may be gratifying to you to receive a communication from one that has been relieved by it. Such, sir, is truly my case. I have been a victim of that terrible disease Consumption, for many months, and have suffered so much, that I had become almost weary of my life. My friend your Balsam so highly praised, I began taking a few weeks back, and can assure you that it has relieved me more than any thing I have ever used before, and I confidently believe it will cure me effectually. Please give the bearer the worth of the enclosed, and oblige

Yours Respectfully, **JOHN PEARSON.**

Chester county, Sept 6, 1841. Friend Wistar!—It gives me much pleasure to inform thee that my wife's health has improved very much since she has been using thy Balsam of Wild Cherry, and we think there is no doubt it will cure her. She has taken the two bottles I purchased from thee a short time since, and her cough is much better, she also sleeps well at night, and says she has found nothing to give her so much relief. These will please give the bearer two bottles more for **Thy Friend,** **EDWARD HOLMES.**

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntington county:

Dear Sir:—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq. of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwebel, in which many other remedies had been tried without any relief. The Balsam gave sudden relief, and in my opinion the child is effectually cured by its use. Yours, &c. **JACOB HOFFMAN, M. D.**

Dec. 25, 1841. Dear Sir:—Your Balsam of Wild Cherry has effected some astonishing cures here. One of which is an old lady, Mrs. Russell, who has been suffering for a long time with shortness of breathing, and general weakness, until she was finally obliged to keep her bed. After various other remedies had been resorted to in vain, she commenced using your Balsam, and after taking two bottles was so far recovered as to be able to attend to all the duties of her house, and on taking two bottles more was entirely cured. Respectfully, &c. **JOHN S. C. MARTIN.**

Pottsville, Pa.

CAUTION.—As there is a spurious mixture called Syrup of Wild Cherry, purchasers should be particular to ask for **Dr. Wistar's Balsam**, and observe his signature on the bottle.

Moffat's Life Medicine.

THE PHOENIX BITTERS are so called, because they possess the power of restoring the expiring embers of health, to a glowing vigor throughout the constitution, as the Phoenix is said to be restored to life from the ashes of its own dissolution. The Phoenix Bitters are entirely vegetable, composed of roots found only in certain parts of the western country, which will infallibly cure **FEVERS AND ACUES** of all kinds, will never fail to eradicate entirely all the effects of Mercury, infinitely sooner than the most powerful preparations of Sarsaparilla, and will immediately cure the determination of **BLOOD TO THE HEAD**; never form the sickness incident to young females; and will be found a certain remedy in all cases of nervous debility and weakness of the most impaired constitutions. As a remedy for Chronic and Inflammatory Rheumatism, the efficacy of the Phoenix Bitters will be demonstrated by the use of a single bottle.

The proprietor rejoices in the opportunity afforded by the universal diffusion of the press, for placing his **VEGETABLE LIFE MEDICINES** within the knowledge and reach of every individual in the community. Unlike the host of pernicious quackeries, the Life Pills are purely and **SOLELY VEGETABLE**, and contain neither Mercury, Antimony, Arsenic, nor any other mineral, in any form whatever.

The following are among the distressing varieties of human diseases, to which the vegetable Life Pills are well known to be infallible: **DYSPEPSIA**, by thoroughly cleansing the first and second stomachs, and creating a flow of pure and healthy bile, instead of the stale and acrid kind,—Flatulency, Palpitation of the Heart, Loss of Appetite, Heartburn and Headache, Restlessness, Intemperance, Anxiety, Langour and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence. Diarrhoea and Cholera, by removing the sharp acrid fluids by which these complaints are occasioned. The Life Medicines have been known to cure Rheumatism permanently in three weeks, and Gout in half that time. Dropsies of all kinds, by freeing and strengthening the kidneys and bladder. A certain remedy for the worst cases of Gravel. Also Worms, by dissolving from the turnings of the bowels, the slimy matters to which these creatures adhere; As Luna and Consumption, by relieving the vessels of the lungs from the mucus; Scurvy, Ulcers, and Invertebrate Sores, by the perfect purity of the Life Pills given to the blood, and all the humors of the system, and by their solvent process, by their alternative effect upon the system, that feed the skin. The use of these Pills for a very short time, will effect an entire cure of Salt Rheum, Erysipelas, and a striking improvement in the clearness of the Skin. Common Colds and Influenza, will always be cured by one dose, or by two, even in the worst cases. Piles, as a solvent malady, the Vegetable Life Pills describe a distinct and emphatic recommendation. It is well known to all who are in this city, that the originator of these invaluable Pills was himself afflicted with this complaint for upwards of thirty-five years, and that he tried in vain every remedy prescribed within the compass of the Materia Medica. He however, at length, tried the medicine which he now offers to the public
