The Best in the World.

We ask the serious attention of every man, woman, and child in the United States, to what will prove to be the most valuable discovery ever made, a discovery that only requires to be known to be appreciated.

DR. SHERMAN'S MEDICATED LOZENGES.

Are the best medicine in the world. Querc? Why? Simply because they are the most efficacious, the cheapest, and the pleasantest to take. What are they? They are a combination of the most approved remedies in the whole medical kingdom, and so prepared in a simple refined sugar as to make them as pleasant to the taste as the best cream candy; children will eat them with avidity; besides they are more convenient than any other medicine, they are put up in a single form of a Lozenge so that a few may be put in the pocket and eaten at pleasure. There has never been a single instance in which they have failed to give perfect satisfaction. The Medical Faculty warmly approve of them.

SHERMAN'S COUGH LOZENGES 1843.

Are the safest, most sure and effectual remedy for Colds, Consumption, Whooping Cough, Asthma, tightness of the Lungs or Chest, &c. &c.

Mr. John Starkey, foot of Gouverneur-st., cured of cough of eighteen months standing, supposed to be a settled consumption, by these Lozenges, when the physicians could do nothing for him.

Mr. Charles W. Perkins, 71 Bowery, was cured of a severe cough and cold of 3 months standing, by half a box of the Lozenges. Rev. Mr. Hancock, 497 Pearl-st., has used them in his family with inviolable success, and recommends them to all who are afflicted with coughs, colds, or any affection of the lungs.

Mr. M. E. Martin suffered several weeks with a distressing cough, which nothing relieved, till he tried these Lozenges, which cured him in a few hours.

Mr. James W. Hale, No. 5 Tontine Buildings, Wall-st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise easy, and enabled him to sleep well at night. He had tried every thing he heard of, and nothing else afforded the least relief—another instance of saving a fellow-being from an untimely grave.

SHERMAN'S WORM LOZENGES

Prove in more than 40,000 cases to be infallible; the only certain worm-destroying medicine ever discovered.

SYMPTOMS OF WORMS.—Pain in the joints or limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and at times a paleness about the lips with flushed cheeks, bleeding at the nose, a gnawing sensation at the stomach, flashes of heat over the surface of the body, slight chills or shivers, headache, drowsiness, vertigo, torpor, disturbed dreams, sudden starting in sleep with frigid and screaming; sometimes a troublesome cough, feverishness, thirst, pallid hue, fits, bad taste in the mouth, difficult breathing, pain in the stomach or bowels, flatulence, nausea, squeamishness, voracious appetite, leanness, bloated stomach or limbs, gripings, shooting pains in various parts of the body, a sense of something rising in the throat, itching of the anus towards night, a frequent desire to pass something from the bowels, and sometimes discharges of slime and mucus.

Dr. Galen Hunter, 108 Sixth Avenue, knew a child that was cured of fits by these Lozenges, after three years suffering, and when nothing else would give the least relief. A boy on board of one of the Havre packets was cured of fits by only one dose of them.

Dr. Z. Briskie, 18 Duane-street, has used them in over 700 cases, some of them of the most alarming character, and always with the greatest success. Benjamin F. Goodspeed, 130 Sixth Avenue, has used them in his family for 2 years, with entire success. Twenty-five cents per box.

SHERMAN'S CAMPHOR OR HEADACHE LOZENGES

Give immediate relief in nervous sick Headache, palpitation of the heart, lowness of spirits, despondency, inflammatory or putrid sore throat, bowel or summer complaint, fainting, oppression or a sense of sinking of the chest, cholera, spasms, cramps of the stomach or bowels, hysterical affections and all nervous diseases, drowsiness through the day and wakefulness at night, cholera, cholera morbus, diarrhoea, lassitude, or a sense of fatigue. Persons traveling or attending large parties, will find the Lozenges really reviving, and imparting the buoyancy of youth—used after dissipation, they will restore the tone of the system generally, and remove all the unpleasant symptoms arising from too free living.

John M. Moore, Esq., Editor of the Brother Jonathan, was cured of a severe headache in six minutes by three of the Camphor Lozenges—he was prejudiced against them.

Dr. Hunter, 108 Sixth Avenue, has been subject to violent attacks of headache, so as to make him almost blind for two or three hours at a time. Nothing ever afforded him any relief till he tried these Lozenges, and they cured him in a few minutes.

W. H. Attree, Esq., of the New York Herald, has used them for the last year for headache, or lassitude, and always found immediate relief from them.

NATURAL PRINCIPLES.

It is written in the Book of Nature and common sense, that the natural vegetable productions of every country are, if properly applied, amply sufficient for the cure of every malady incident to that climate.

WRIGHT'S INDIAN VEGETABLE PILLS are founded upon the principle, that the human body is subject to but one disease, viz: corrupt humors, which, when confined to the circulation, give rise to those disordered motions of the blood called fever; but when lodged in the various parts of the body, are the cause not only of every ache or pain we suffer, but every malady incident to man.

It should be remembered that Wright's Indian Vegetable Pills are composed of roots and herbs, which grow spontaneously on our own soil, and consequently are so admirably adapted to our constitutions that, while they cannot possibly injure even the most delicate, a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, do we not drain it of the superabundant water? In like manner, if we would restore the body to health, we must cleanse it from impurity.

Wright's Indian Vegetable Pills, will be found peculiarly adapted to carrying out this grand purifying, because they expel all corrupt humors in an easy and natural manner, and while they every day give ease and pleasure, the constitution is restored to such a state of health and vigor, that disease will find no abiding place in the body.

BEWARE OF COUNTERFEITS! As the great popularity of Wright's Indian Vegetable Pills, has raised up a host of counterfeiters the public are cautioned against impostors, who are travelling about the country, selling to the unsuspecting storekeepers a spurious article for the above celebrated Pills.

It should be remembered that, all who sell the genuine medicine are provided with a certificate of agency, of which the following is a copy:

This is to certify that the within named — is a regular and duly appointed Agent for the sale of Wright's Indian Vegetable Pills, in the town of —, in the State of —, and this certificate, which is signed by Wm. Wright, Vice President of the North American College of Health, must also be countersigned by the acting Clerk or Agent, from whom said certificates are received.

This certificate of agency will be renewed every twelve months; therefore, if any alteration should be made in the date, do not purchase.

The public are further informed that all who receive the above certificate, are also required to sign the following

PLEDGE.

This is to certify, that the subscriber by certificate bearing even date herewith, signed with the proper handwriting of William Wright, Vice President of the North American College of Health, — been appointed Agent for the sale of WRIGHT'S INDIAN VEGETABLE PILLS, Or Indian Purgative, in the town of —, and State of —, to hold and continue in said agency during the pleasure of the said William Wright, and no longer, any thing contained in the said certificate signed by the said William Wright, to the contrary thereof notwithstanding. In consideration whereof, I hereby covenant and agree to and with the said William Wright that I will not sell, or expose to sale, any medicine bearing the above or a similar name during my said agency, other than that which I receive from his authorized agent or agents, under the penalty of five hundred dollars to be paid by him, as liquidated damages.

Witness — hand and seal, the — day of — one thousand eight hundred and forty —.

Thus it will be seen that the friends of the genuine medicine may be perfectly free from any apprehension of fraud, as all agents, who are provided with a certificate of agency, have invariably SIGNED THE PLEDGE.

Country agents and other, will be on their guard against travelling impostors, and remember that all authorized travelling agents are also provided with a certificate of agency as above described, and that Pills offered for sale, by those who cannot show a certificate of agency, are sure to be counterfeit. It will be further observed that all genuine medicine has the title expressed in full on the sides of the boxes thus: WRIGHT'S INDIAN VEGETABLE PILLS, (Indian Purgative) OF THE NORTH AMERICA COLLEGE OF HEALTH.

HEALTH, HEALTH, HEALTH.

Restored, and Life preserved, by Dr. D. Jayne's Medical Preparations.

These medicines are recommended and extensively used by the most intelligent persons in the United States, by numerous Professors and Presidents of Colleges, Physicians of the Army and Navy, and of Hospitals and Almshouses, and by more than three hundred Clergymen of various denominations.

They are expressly prepared for family use, and have acquired an unprecedented popularity throughout the United States; and as they are so admirably calculated to preserve HEALTH and cure DISEASE, no family should ever be without them. The proprietor of these valuable preparations received his education at one of the best Medical Colleges in the United States, and has had seventeen years experience in an extensive and diversified practice, by which he has had ample opportunities of acquiring a practical knowledge of diseases, and of the remedies best calculated to remove them.

These preparations consist of JAYNE'S EXPECTORANT, a valuable remedy for Cough, Colds, Consumption, Asthma, Spitting of blood, Croup, Hooping Cough, Bronchitis, Pleurisy and inflammation of the Lungs or Throat, difficulty of Breathing, Rheumatism and all diseases of the Pulmonary Organs.

Also JAYNE'S HAIR TONIC, for the preservation, growth and beauty of the Hair, and which will positively bring in new hair on bald heads, and preventing it from falling out or turning gray. Also JAYNE'S TONIC VERMIFUGE, a certain and pleasant remedy for Worms, Dyspepsia, Piles, Fever and Ague, and all diseases of debility, especially of the Stomach and Bowels and organs of digestion, and many other diseases.

Also JAYNE'S CARMINATIVE BAL-SAM, a certain cure for Bowel and Summer Complaints, Diarrhoea, Dysentery, Cholera, Cramps, Sick Headache, Sour Stomach, Cholera Morbus, and all derangements of the stomach and bowels, nervous affections, &c.

Also JAYNE'S AGUE PILLS, a positive cure for Fever and Ague. Also JAYNE'S SPRINGENT SYRUP, for children cutting teeth and for sore mouth, throat and lips, &c.

BALTIMORE, March 27, 1838. DR. JAYNE.

Dear Sir,—You ask me what proofs I meet with of the efficacy of your Carminative. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again, which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children it has frequently appeared to snatch the little victims, as it were, from the grave. "I saved the life of my child, and of such and such a child." I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, I may say few minutes. In fine, it is a valuable medicine, and no family should be without it. Respectfully,

M. L. KNAPP, M. D. Late Physician to the Baltimore Vaccine Institution, and Agent for the Maryland Vaccine Institution. For sale by JACOB MILLER, Huntingdon, Nov. 1, 1842.

TO MARBESMEN.

THOMAS DOUGLASS, GUN-SMITH, RESPECTFULLY informs his friends, and the public generally, that he still continues the above business in M'CONNELLSTOWN, and is prepared to manufacture all kinds of Guns or Pistols, or to make any necessary repairs upon any article of the kind. If careful attention will merit success, he hopes to secure the patronage of the sharp shooters of this county. HUGH KELLEY, For sale by Jacob Snyder, Hollidaysburg, Jan. 18, 1843.

Snyder's Vegetable Concrete.

I do certify that my wife was afflicted for some time with a very severe cough, with a pain in the breast, and after many other remedies had failed, I was induced to procure a bottle of J. Snyder's Vegetable Concrete, and she was perfectly restored by the use of part of a bottle full. For sale by Jacob Snyder, Hollidaysburg, Jan. 18, 1843.

HEALTH.

Many of our readers, no doubt, are possessed with this all important blessing, which they may long retain, if particular regard and care be paid to themselves, that whenever they feel the least indisposed, to procure a proper medicine in due season. But, on the contrary, we find thousands who are laboring under disease, and many, we fear, will prove serious, if not attended to early. Would those persons resort to the medicine that has established itself in thousands of cases which is Dr. Harlich's Compound Strengthening and German Aperient Pills, so pre-eminently recommended for diseases incident to the human race, they would be replaced back again to 'life's sweet blessing,' which is health.

We speak from ocular proof, knowing, in many instances, where cures have been performed by this medicine, with marked success in various complaints, such as Dyspepsia, Liver Complaint, Rheumatism, pain in the Breast, Side and Back, Costiveness, Nervous Weakness, Emaciation, General Debility, &c. &c. This medicine consists of two distinct kinds, viz: The German Aperient and the Compound Strengthening Tonic Pills, the former to remove bile and all excrementitious matter from the body, thus cleansing and purifying the system, after which the latter are used to give strength and vigor to the weak and debilitated organs, restore the lost appetite, and produce tranquil rest and sweet repose. We highly approve of the 'Doctor's theory' of treating diseases, which certainly is safe and effectual, and advise the afflicted to give his medicine a fair trial.—Daily Chronicle.
