

For Consumption of the Lungs.

Affections of the Liver, Asthma, Bronchitis, Pains or Weakness of the Breast or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of the Lungs, and all affections of the Pulmonary Organs.

A compound Balsamic preparation of the Prunus Virginiana of Wild Cherry Bark, combined with the Extract of Turpentine, prepared by a chemical process, approved and recommended by the most distinguished physicians, and universally acknowledged the most valuable medicine ever discovered.

No Quackery!! No Deception. In setting forth the virtues of this truly great medicine, we have no desire to deceive those who are laboring under the affliction, nor do we wish to cologize it more than it deserves.

Various remedies it is true have been offered and pulled into notice for the cure of diseases of the Lungs, and some have no doubt been found very useful, but all that have yet been discovered, it is admitted by physicians and all others who have witnessed its effects, that none have proved as successful as this. Such, indeed, are the Surprising Virtues.

This Balsam, that even in the advanced stages of Consumption, after all the most esteemed remedies of physicians have failed to effect any change, the use of this medicine has been productive of the most astonishing relief, and actually effected cures after all hopes of recovery had been despaired of.

In the first stage of the disease, termed Catarrhal Consumption, originating from neglected COLDS, it has been used with undeviating success, and hundreds acknowledge they owe the restoration of their health to this invaluable medicine alone, in that form of consumption so prevalent amongst delicate young females, commonly termed Debility, or 'Going into a Decline.'

A complaint with which thousands are lingering, it has also proved highly successful, and not only possesses the power of checking the progress of this alarming complaint, but also strengthens and invigorates the system more effectually than any medicines we have ever possessed.

Besides its surprising efficacy in consumption, it is equally efficacious in Liver Complaint, Asthma, Bronchitis, and all affections of the Lungs, and has cured many of the most obstinate cases, after every other remedy had failed.

A SURPRISING CURE.—Among the many singular cures which this medicine has effected, there is perhaps none in which its powers are so fully shown as in the case of Mrs. Austin.

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntingdon county: Dear Sir:—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq. of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwebel, in which many other remedies had been tried without any relief. The Balsam gave sudden relief, and in my opinion the child is effectually cured by its use.

JACOB HOFFMAN, M. D. Dec. 23, 1841. Dear Sir:—Your Balsam of Wild Cherry has effected some astonishing cures here. One of which is an old lady, Mrs. Russe, who has been suffering for a long time with shortness of breathing, and general weakness, until she was finally obliged to keep her bed. After various other remedies had been resorted to in vain, she commenced using your Balsam, and after taking two bottles was so far recovered as to be able to attend to all the duties of her house, and on taking two bottles more was entirely cured.

Respectfully, JOHN S. C. MARTIN. Pottsville, Pa. CAUTION.—As there is a spurious mixture called Syrup of Wild Cherry, purchasers should be particular to ask for Dr. Wistar's Balsam, and observe his signature on the bottle.

Prepared for the proprietor, and sold at wholesale by Williams & Co., Chemists, No. 21 Minor street, Philadelphia, sold also in almost every town in the United States.

Price one dollar per bottle. For sale by Thomas Read, Huntingdon, and James Orr, Hollidaysburg. November 30, 1842.

SPITTING OF BLOOD. Is another dangerous symptom of Pulmonary Affection, and difficult to arrest when neglected; it commences with cough, copious expectoration, which consists of bright frothy matter, or black, and clotted with blood; there is mostly some fever, headache, palpitation of the heart, flushes of heat, and redness of the cheeks; difficulty of breathing, soreness of the throat, and saltish taste in the mouth, &c.

Dr. Duncan's Expectorant Remedy will be found to arrest this complaint. One single bottle in many cases will answer if used at the first attack, but when neglected, it may require many more. Those who are afflicted with Spitting of Blood should lose no time in procuring the above medicine, as this disease mostly proves serious when not early attended to.

Office for the sale of this medicine, No. 19 North Eighth street, Philadelphia. Sold at the store of Jacob Miller, Huntingdon. Price \$1 per bottle. November 1, 1842.

NATURAL PRINCIPLES. It is written in the Book of Nature and common sense, that the natural vegetable productions of every country are, if properly applied, amply sufficient for the cure of every malady incident to that climate.

WRIGHT'S INDIAN VEGETABLE PILLS are founded upon the principle, that the human body is subject to but one disease, viz: corrupt humors, which, when confined to the circulation, give rise to those disordered motions of the blood called fevers; but when lodged in the various parts of the body, are the cause not only of every ache or pain we suffer, but every malady incident to man.

It should be remembered that Wright's Indian Vegetable Pills are composed of roots and herbs, which grow spontaneously on our own soil, and consequently are so admirably adapted to our constitutions that, while they cannot possibly injure even the most delicate, a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, do we not drain it of the superabundant water? In like manner, if we would restore the body to health, we must cleanse it from impurity.

Wright's Indian Vegetable Pills, will be found peculiarly adapted to carrying out this grand purifying, because they expel all corrupt humors in an easy and natural manner, and while they every day GIVE EASE AND PLEASURE, the constitution is restored to such a state of health and vigor, that disease will find no abiding place in the body.

Beware of Counterfeits! As the great popularity of Wright's Indian Vegetable Pills, has raised up a host of counterfeiters, the public are cautioned against impostors, who are travelling about the country, selling to the unsuspecting storekeepers a spurious article for the above celebrated Pills.

It should be remembered that, all who sell the genuine medicine are provided with a certificate of agency, of which the following is a copy:

This is to certify that the within named — is a regular and duly appointed Agent for the sale of Wright's Indian Vegetable Pills, in the town of —, in the State of —, and this certificate, which is signed by Wm. Wright, Vice President of the North American College of Health, must also be countersigned by the acting Clerk or Agent, from whom said certificates are received.

This certificate of agency will be renewed every twelve months; and therefore, if any alteration should be made in the date, do not purchase.

The public are further informed that all who receive the above certificate, are also required to sign the following:

This is to certify, that the subscriber by certificate bearing eye date herewith, signed with the proper handwriting of William Wright, Vice President of the North American College of Health, — been appointed Agent for the sale of WRIGHT'S INDIAN VEGETABLE PILLS, or Indian Purgative, in the town of —, and State of —, to hold and continue in said agency during the pleasure of the said William Wright, and no longer, any thing contained in the said certificate signed by the said William Wright, to the contrary thereof notwithstanding. In consideration whereof, I hereby covenant and agree to and with the said William Wright that I will not sell, or expose to sale, any medicine bearing the above or a similar name during my said agency, other than that which I receive from his authorized agent or agents, under the penalty of five hundred dollars to be paid by him, as liquidated damages. Witness — hand and seal, this — day of — one thousand eight hundred and forty —.

Thus it will be seen that the friends of the genuine medicine may be perfectly free from any apprehension of fraud, as all agents, who are provided with a certificate of agency, have invariably SIGNED THE PLEDGE not to sell any Indian Vegetable Pills except those received from the above named William Wright, or his authorized agents.

Country agents and other, will be on their guard against travelling impostors, and remember that all authorized travelling agents are also provided with a certificate of agency as above described, and that Pills offered for sale, by those who cannot show a certificate of agency, are sure to be counterfeit.

It will be further observed that all genuine medicine has the title expressed in full on the sides of the boxes thus: WRIGHT'S INDIAN VEGETABLE PILLS, (Indian Purgative) OF THE NORTH AMERICAN COLLEGE OF HEALTH.

The patrons of Wright's Indian Vegetable Pills, will also bear in mind that the directions which accompany each box of Pills, have been secured by copyright, and the proper form, viz: Entered according to the act of Congress, in the year 1840, by William Wright, in the Clerk's Office, of the District Court of the Eastern District of Pennsylvania, will be found at the bottom of the first page of said directions.

Thus it will be seen, that a trifling attention on the part of the purchaser to the above particulars, will put an effectual stop to this wholesale robbery, and drive, it is hoped, all depreidators upon society to an honest calling.

The following highly respectable store keepers have been appointed agents for the sale of Wright's Indian Vegetable Pills, of the North American College of Health. North American College of Health, William Stewart, Huntingdon. Henry Leamer Hollidaysburg. B. F. Bell, Antes township. Robert McNamara, Newry. Samuel S. Isett, Tyrone township. Wolf & White, Frankstown. Offices devoted exclusively to the sale of the medicine, wholesale and retail, No. 288 Greenwich street, New York; and No. 198 Tremont street, Boston; and Principal Office, No. 169 Race street, Philadelphia.

N. B. The public are respectfully informed that the Pills made by one V. O. Flack, and sold by a man named Parker, in Third street, are not the genuine Wright's Indian Vegetable Pills; and as counterfeiters and their associates sell at half price, it is absolutely impossible for them to have the genuine medicine for sale.

These medicines are recommended and extensively used by the most intelligent persons in the United States, by numerous Professors and Presidents of Colleges, Physicians of the Army and Navy, and of Hospitals and Almshouses, and by more than three hundred Clergymen of various denominations.

They are expressly prepared for family use, and have acquired an unprecedented popularity throughout the United States; and as they are so admirably calculated to preserve HEALTH and cure DISEASE, no family should ever be without them. The proprietors of these valuable preparations received his education at one of the best Medical Colleges in the United States, and has had seventeen years experience in an extensive and diversified practice, by which he has had ample opportunities of acquiring a practical knowledge of diseases, and of the remedies best calculated to remove them.

These preparations consist of JAYNE'S EXPECTORANT, a valuable remedy for Cough, Colds, Consumption, Asthma, Spitting of Blood, Croup, Hooping Cough, Bronchitis, Pleurisy and inflammation of the Lungs, difficulty of Breathing, Rheumatism and all diseases of the Pulmonary Organs.

Also JAYNE'S AGUE PILLS, a positive cure for Fever and Ague. Also JAYNE'S ASTRINGENT SYRUP, for children cutting teeth and for sore mouth, throat and lips, &c.

BALTIMORE, March 27, 1838. DR. JAYNE. Dear Sir,—You ask me what proofs I meet with of the efficacy of your Carmine. I can safely say that I never prescribed a medicine for Bowel Complaints that has given me so much satisfaction, and my patients so speedily and perfectly relieved. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again, which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of children it has frequently appeared to snatch the little victims, as it were, from the grave.

'I saved the life of my child, and of such and such a child.' I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, I may say five minutes. In fine, it is a valuable medicine, and no family should be without it. Respectfully, M. L. KNAPP, M. D. Late Physician to the Baltimore Dispensary, and Agent for the Maryland Vaccine Institution. For sale by JACOB MILLER, Huntingdon. Nov. 1, 1842.

TO MARKSMEN. THOMAS DOUGLASS, GUN-SMITH, and the public generally, that he still continues the above business in MCCONNELLSTOWN, and is prepared to manufacture all kinds of Guns or Pistols, or to make any necessary repairs upon any article of the kind. If careful attention will merit success, he hopes to secure the patronage of the sharp shooters of this county. October 11, 1842.

Snyder's Vegetable Concrete. I do certify that my wife was afflicted for some time with a very severe cough, with a pain in the breast, and after many other remedies had failed I was induced to procure a bottle of J. Snyder's Vegetable Concrete, and she was perfectly restored by the use of part of a bottle full.

The Best in the World.

We ask the serious attention of every man, woman, and child in the United States, to what will prove to be the most valuable discovery ever made, a discovery that only requires to be known to be appreciated.

DR. SHERMAN'S MEDICATED LOZENGES.

Are the best medicine in the world. Quere? Why? Simply because they are the most efficacious, the cheapest, and the pleasantest to take. What are they? They are a combination of the most approved remedies in the whole medical kingdom, and so prepared in double refined sugar as to make them as pleasant to the taste as the best cream candy; children will eat them with avidity; besides they are more convenient than any other medicine, they are put up in a single form of a Lozenge so that a few may be put in the pocket and eaten at pleasure. There has never been a single instance in which they have failed to give perfect satisfaction. The Medical Faculty warmly approve of them.

SHERMAN'S COUGH LOZENGES. Are the safest, most sure and effectual remedy for Colds, Consumption, Whooping Cough, Asthma, tightness of the Lungs or Chest, &c. &c.

Mr. John Starkey, foot of Gouverneur-st., cured of cough of eighteen months standing, supposed to be a settled consumption, by these Lozenges, when the physicians could do nothing for him.

Mr. Charles W. Perkins, 71 Bowersy, was cured of a severe cough and cold of 3 months standing, by half a box of the Lozenges. Rev. Mr Hancock, 497 Pearl-st., has used them in his family with invariable success, and recommends them to all who are afflicted with coughs, colds, or any affection of the lungs.

Mr. M. E. Martin suffered several weeks with a distressing cough, which nothing relieved, till he tried these Lozenges, which cured him in a few hours.

Mr. James W. Hale, No. 5 Tontine Buildings, Wall-st., gave some to a friend who had not enjoyed a night's sleep for several weeks, being every few minutes attacked with such a distressing cough, as almost to take away his life. The Lozenges made him raise easy, and enabled him to sleep well at night. He had tried every thing he heard of, and nothing else afforded the least relief—another instance of saving a fellow-being from an untimely grave.

SHERMAN'S WORM LOZENGES. Proven in more than 40,000 cases to be infallible; the only certain worm-destroying medicine ever discovered.

SYMPTOMS OF WORMS.—Pain in the joints or limbs, offensive breath, picking at the nose, grinding of the teeth during sleep, and a pale or paleness about the lips with flushed cheeks, bleeding at the nose, a gnawing sensation at the stomach, flashes of heat over the surface of the body, slight chills or shiverings, headache, drowsiness, vertigo, torpor, disturbed dreams, sudden starting in sleep with fright and screaming; sometimes a troublesome cold, feverishness, thirst, pallid hue, fits, bad taste in the mouth, difficult breathing, pain in the stomach or bowels, fatigue, nausea, squeamishness, voracious appetite, leanness, bloated stomach or limbs, gripings, shooting pains at various parts of the body, a sense of something rising in the throat, itching of the anus towards night, a bowels, and sometimes discharges of slime and mucus.

Dr. Galen Hunter, 108 Sixth Avenue, knew a child that was cured of fits by the Lozenges, after three years suffering, and when nothing else would give the least relief. A boy on board of one of the Havre packets was cured of fits by only one dose of them.

Dr. Zabriskie, 18 Duane-street, has used them in over 700 cases, some of them of the most alarming character, and always with the greatest success. Benjamin F. Goodspeed, 130 Sixth Avenue, has used them in his family for 2 years, with entire success. Twenty-five cents per box.

SHERMAN'S CAMPHOR, OR HEADACHE LOZENGES.

Give immediate relief in nervous sick Headache, palpitation of the heart, lowness of spirits, despondency, inflammatory or putrid fever, throat, bowel or summer complaint, fainting, oppression or a sense of sinking of the chest, cholera, spasms, cramps of the stomach or bowels, hysterical affections and all nervous diseases, drowsiness throughout the day and wakefulness at night; cholera or cholera morbus, diarrhoea, lassitude, or a sense of fatigue. Persons travelling or attending large parties, will find the Lozenges really reviving, and imparting the buoyancy of youth—used after dissipation, they will restore the tone of the system generally, and remove all the unpleasant symptoms arising from too free living.

John M. Moore, Esq., Editor of the Brother Jonathan, was cured of a severe headache in six minutes by three of the Camphor Lozenges—he was prejudiced against them.

Dr. G. Hunter, 108 Sixth Avenue, has been subject to violent attacks of headache, so as to make him almost blind for two or three hours at a time. Nothing ever afforded him any relief till he tried these Lozenges, and they cured him in a few minutes.

W. H. Attree, Esq., of the New York Herald, has used them for the last year for headache, or lassitude, and always found immediate relief from them.

SHERMAN'S POOR MAN'S PLASTER! 1,000,000 sold yearly of this best of all Plasters. Rheumatism, Lumbago, Pain or Weakness in the Back, Loins, Side, Breast, Neck, or Limbs, effectually cured by it. Avoid the spurious and worthless imitations. The name is stamped on the back of each; get none without it, or you will be deceived.

A fresh supply of the above valuable medicines just received and for sale by JACOB MILLER, Huntingdon. HENRY NEFF, Alexandria. PEETER HEWELL, Hollidaysburg. MILLIKEN & KESSLER, Mill Creek. HEALTH.

Many of our readers, no doubt, are possessed with this all important blessing, which they may long retain, if particular regard and care be paid to themselves, that whenever they feel the least indisposed, to procure a proper medicine in due season. But, on the contrary, we find thousands who are laboring under disease, and many, we fear, will prove serious, if not attended to early. Would those persons resort to the medicine that has established itself in thousands of cases which is Dr. Harlich's Compound Strengthening and German Aperient Pills, so pre-eminent recommended for diseases incident to the human face, they would be replaced back again to 'life's sweet blessing,' which is health.

We speak from ocular proof, knowing in many instances, where cures have been performed by this medicine, with marked success in various complaints, such as Dyspepsia, Liver Complaint, Rheumatism, pain in the Breast, Side and Back, Costiveness, Nervous Weakness, Emaciation, General Debility, &c. &c. This medicine consists of two distinct kinds, viz: The German Aperient and the Compound Strengthening Tonic Pills, the former to remove bile and all excrementitious matter from the body, thus cleansing and purifying the system, after which the latter are used to give strength and vigor to the weak and debilitated organs, restore the lost appetite, and produce tranquil rest and sweet repose. We highly approve of the 'Doctor's theory' of treating diseases, which certainly is safe and effectual, and advise the afflicted to give his medicine a fair trial.—Daily Chronicle.
