HEALTH.

Many of our readers, no doubt, are possessed with this all important blessing, which they may long retain, if particular regard and care be paid to themselves, that whenever they feel the least indisposed, to procure a proper medicine in due season. But, on the contrary, we find thousands who are laboring under disease, and many, we fear, will prove serious, if not attended to early. Would those persons resort to the medicine that has established itself in thousands of cases which is Dr. Harlich's Compound Strengthening and German Aperient Pills, so pre-eminently recommended for diseases incident to the human race, they would be replaced back again to life's sweet blessing, which is health.

We speak from ocular proof, knowing, in many instances, where cures have been performed by this medicine, with marked success in various complaints, such as Dyspepsia, Liver Complaint, Rheumatism, pain in the Breast, Side and Back, Costiveness, Nervous Weakness, Emaciation, General Debility, &c. &c. This medicine consists of two distinct kinds, viz: The German Aperient and the Compound Strengthening Tonic Pills, the former to remove bile and all excess of matter from the body, thus cleansing and purifying the system, after which the latter are used to give strength and vigor to the weak and debilitated organs, restore the lost appetite, and produce tranquil rest and sweet repose. We highly approve of the Doctor's theory of treating diseases, which certainly is safe and effectual, and advise the afflicted to give his medicine a fair trial.—Daily Chronicle. Principal Office, No. 19 North Eighth street, Philadelphia. Sold at the Store of Jacob Miller, Huntingdon, Pa. November 30, 1842.
