

**THE HUNTINGDON JOURNAL.**

Huntingdon, May 10, 1843.

"One country, one constitution, one destiny."

V. B. PALMER, Esq. (No. 104 S. 3rd St. Philadelphia) is authorized to act as Agent for this paper, to procure subscriptions and advertisements.

**School Election.**

The election held in this borough on Tuesday of last week, for the purpose of accepting or rejecting the Common School System, resulted in the success of the School ticket. The additional Tax of \$300 was also carried by a handsome majority. This adds to the praise of our goodly borough, where education, religion and temperance are still on their onward march.

**State Convention.**

On the 29th ult. the "Tyler too and Kickapoo" Central Committee, agreed upon Tuesday the 5th of September next, for the holding of the Democratic Loco-foco State Convention to nominate candidates for Canal Commissioners.

**Firemen and Military Duty.**

The regular and punctual members of the incorporated Fire Engine and Hose Companies are exempt from military duty on days of training. The Phoenix Fire Engine Company of this borough, is incorporated.

**Lady's Book.**

We have not received the May number of Mr. Godey's Lady's Book. Many of our contemporaries have received, and speak highly of it. Will the publisher send us a copy?

**Death of Jacob Ridgway.**

The Philadelphia U. S. Gazette of the 1st inst. says:—"We are called upon, this morning, to record the death of one of our most respectable citizens, JACOB RIDGWAY, Esq., which occurred about eleven o'clock, yesterday morning. Mr. R. has been for some time sick; and such was the severity of his disease, that a report of his death went forth a week ago. He subsequently suffered much, but with less hope of recovery. Mr. Ridgway was about seventy-five years of age. He was the possessor of the largest estate in Pennsylvania, acquired by skill as a merchant.

**ACCIDENT.**—The Harrisburg Telegraph of the 3d. inst. says:—"A hand on one of the Juniata packet boats, Capt. Hoffman's, was thrown off into the river at Clark's Ferry, yesterday afternoon, and drowned. The boat at the time was crossing the river, and he was at the helm; the current being very strong, in the effort to keep the boat right, the tiller suddenly broke, and he was pitched over the side, and carried down the schute.

**PITTSBURG CAST STEEL.**—The Pittsburg American of the 26th ult. says:—"The manufacture of Cast Steel by Messrs. Shoeburners, is now in full and successful operation—and we understand that they are now filling an order for the U. S. Army at Harper's Ferry. That now making is intended for conversion into files.

**The Virginia Election.**

The annual election for Members of Congress and State Legislature, took place in Virginia on Thursday last. This State, like Pennsylvania, was most outrageously Gerrymandered by the apportionment bill passed by the locos last winter, and from this cause the Whigs will probably lose several members of Congress. We find the following returns so far as the State has been heard from, showing the election to Congress of the following gentlemen of each party:

- Whig. Loco-foco. 1. Jas. E. Langhorne. 2. G. C. Dromgoole. 3. Richard H. Toler. 4. John W. Jones. 5. Wm L. Goggin. 6. William F. Lucas. 7. Wilby Newton. 11. William Taylor. 9. Sam'l Chilton. 13. G. W. Hopkins. 14. G. W. Summers. 15. Lewis J. Steenrod. Tyler.

Seventh District—Henry A. Wise. Mr. Wise has been re-elected, as was generally expected, through his great personal popularity. Capt. Tyler will be gratified of course, at the defeat of John M. Botts; a result which could not have been effected without the buckling of an addition lococo county on to Mr. Botts' old district, and as it is he has been beaten but 37 votes! Messrs. Gilmer and Hunter, both members of the Guard, are beaten, and Clay Whigs elected in their places.

**Delinquent Subscribers.**

The Western Reserve Cabinet, an excellent Family Newspaper, published in Ravenna, Ohio, has been discontinued on account of the delinquency of its subscribers. Although it had a large list, upwards of 2,000 names, it could not collect enough to meet expenses. This is a most mortifying exhibition of the morality of the community. It is an incontrovertible fact, that persons who consider themselves honest and upright, and religious too, and who would scorn what they call a mean action, will take a newspaper year after year, without thinking of paying for it.

They do not recollect that the paper on which it was printed has cost money, that the ink has cost money, that each single letter he pores over with so much pleasure has cost money, and has been handled separately and put into place at the cost of money. He does not reflect upon the labors of the editor, frequently night and day to prepare a banquet for his intellectual appetite, at the same time harassed for the means to meet his daily expenses. All this is put out of sight, or it would be impossible for him to enjoy any pleasure in reading a paper that he was in debt for.

To a sensitive, honorable mind, it must impart great pleasure, as he opens his paper, fresh from the press, to know that it is paid for, and that the editor is not suffering on his account, for the small pittance due from each subscriber. He, therefore, is enabled to relish its contents, and derive benefit and instruction from its perusal.—Pittsburg Gazette.

**Destructive Conflagration.**—A most destructive fire occurred a few weeks ago in Newburn, N. C. The following is given as an estimate of the number of sufferers and the property destroyed:

Number of sufferers, about	70
Buildings destroyed, 120	
Dwellings,	50
Stores,	8
Warehouses,	13
Houses occupied by colored persons,	6
Steam Saw Mill,	1
Bakery,	1
Outhouses,	41
Estimated amount of the loss,	\$100,000.

**TERRIBLE CONFLAGRATION.**—A most destructive fire occurred in Wilmington, N. C. on Sunday morning, the 30th ult. Several squares of buildings were totally destroyed, many of them among the best in the town, and an immense amount of other property. The loss is estimated at \$300,000. Insurance about \$100,000.

There are 900 cotton mills in the United States, with an aggregate capital of 50,000,000 invested. In these mills are 40,000 looms, and their product is about 250,000,000 of yards each year. The advantages in favor of the American manufacture on the score of expense is so great, that there is every probability of the American article being able to enter into successful competition with the English article upon their own ground.

The Raleigh, N. C. Register says:—"We hear that a most dreadful murder was committed a day or two ago in the Hawfield settlement, in Orange county, by a man named Steele. He had an altercation with his brother, and had actually raised his gun to shoot him, when, at the moment of firing, his mother ran between them and received the load, which immediately put an end to her life.

**Sale of the Delaware Division.**—The Commissioners have determined to open the books for subscription to the stock of the Delaware Canal Company, at the Exchange in Philadelphia, on the 1st of June next, to continue open from day to day for ten days, until the whole number of shares prescribed by the act shall be subscribed.—Harrisburg Intelligencer.

A passenger, who arrived at Mobile on the 19th ult., in one of the steamboats, before leaving the boat, laid aside his coat for the purpose of washing his face and hands, but when he returned for it, found it missing. In one of the pockets was \$550, which, of course, was also gone.

**MR. WEBSTER AND THE PRESIDENCY.**—The Baltimore Clipper repeats its declaration that Mr. Webster is to be the candidate for President, and says: "he has communicated his intention to a leading politician of Pennsylvania. The contents of the letter written have been communicated to us with a view to publication; but we have preferred to confine ourselves to the announcement of the fact that Mr. Webster will be a candidate.

**SHIN PLASTERS.**—The borough of Carlisle is putting in circulation about 15 or 20,000 dollars, in shinplasters, of the denomination of one's and two's—payable two years after date, without interest.

No less than seventy Rock fish, weighing from 70 to 90 pounds each, were caught last week in the Potomac, at one haul of the seine.

We see by a Montreal paper that a gentleman with wooden legs, in that city, has challenged a friend in the same condition to a race, which was to come off in a few days.

**SPECIE.**—The steamer Britannia, bro't over \$1,281,875 in specie, besides fifteen boxes and one parcel of gold, of which the amount is not given.

Beauty is worse than wine—it intoxicates holder and beholder.

**DIED.**

At her residence in Shirleyburg, in this county, on Saturday the 29th ult., Mrs. MARY BARTON, in the 72nd year of her age.

COMMUNICATED.

Mrs. Barton was a native of Northumberland county, where, in her early life, she shared the perils and privations of a frontier settlement, surrounded, and often invaded, by the merciless savages of the wilderness. From the place of her nativity, she came with her husband at an early day to Shirleyburg, where she has since resided.—With a strong mind and uncommon firmness and energy of character, she united many of their qualities which adorn her sex: and, to a good old age, she lived respected by all who knew her, and has left numerous friends and relations to mourn her loss.—Her last moments were characterized by that tranquility and resignation to the will of God, which mark "the last end of the righteous." She placed a calm and firm reliance on the Saviour of the world; leaving comfortable cordials to her friends, that while they mourn her loss, she, forever released from pain and sorrow, is mingling her voice in the praises of the redeemed around the throne of God.

**A FRIENDLY HINT.**

It is now more than a year since I disposed of the "Huntingdon Journal," and during all that time, I have been writing patiently, upon those who are in my debt, for subscription and advertising. I have been living on promises; and what is more, those to whom I am indebted, have been obliged to take "promises" from me; and they like myself, are getting out of patience with this kind of a "credit system." Now by way of a hint I wish to say to all who know themselves to be in arrears to me, that I must have my accounts closed; and there is another part of the story—well, I am not disposed to be ill-natured, but mind I tell you all, I am out of money—nearly out of credit—and a settlement must be had between this and August Court—or well I won't say what.

A. W. BENEDICT, Huntingdon, May 3, 1843.—tac.

**TO INVALIDS.**

How important it is that you commence without loss of time with BRANDRETH PILLS. They mildly but surely remove all impurities from the blood, and no case of sickness can effect the human frame, that these celebrated Pills do not relieve as much as medicine can do. COLDS and COUGHS are more benefited by the Brandreth Pills than by Lozenges and Candies. Very well, perhaps, as palliatives, but worth nothing as ERADICATORS of diseases from the human system. The Brandreth Pills cure, they do not merely relieve, they cure. Diseases, whether chronic or recent, infectious or otherwise, will certainly be cured by the use of these sufficient Pills.

**CURE OF A CANCEROUS SORE.**

SING SING, January 21, 1843. DR. BENJAMIN BRANDRETH: Honor'd Sir,

Owing to you a doctor of gratitude who money cannot pay, I am induced to make a public acknowledgement of the benefit my wife has derived from your invaluable Pills. About three years this winter she was taken with a pain in her ankle, which soon became very much inflamed, and swollen, so much so that we became much alarmed, and sent for the doctor. During his attendance the pain and swelling increased to an alarming degree, and in three weeks from its first commencing it became a running sore. She could get no rest at night the pain was so great. Our first doctor attended her for six months, and she received no benefit whatever, the pain growing worse and the sore larger all the time. He said if it washed up it would be her death, but he appeared to be at a loss how to proceed, and my poor wife still continued to suffer the most terrible tortures. We therefore sought other aid, in a Botanical doctor, who said when he first saw it that he could soon cure the sore and give her ease at once. To our surprise he gave her no relief, and acknowledged that it quite baffled all his skill.

I thus felt after having tried during one whole year the experience of two celebrated physicians in vain, in absolute despair. My poor wife's constitution rapidly falling in the prime of her years from her continued suffering. Under these circumstances we concluded that we would try your Universal Vegetable Pills, determined to fairly test their curative effects. To my wife's great comfort the first few doses afforded great relief of the pain. Within one week to the astonishment of ourselves and every one who knew the case, the swelling and the inflammation began to cease so that she felt quite easy, and would sleep comfortably, and six weeks' use she was able to go thro' the house and again attend to the management of her family, which she had not done for nearly fourteen months. In a little over two months from the time she first commenced the use of your invaluable Pills her ankle was quite sound, and her health better than it had been in quite a number of years before. I send you this statement after two years test of the cure, considering it only an act of justice to you and the public at large. We are with much gratitude, Very respectfully, TIMOTHY & ELIZA A. LITTLE.

PS.—The Botanical Doctor pronounced the sore cancerous, and finally said no good could be done, unless the whole of the flesh was cut off and the bone scraped. Thank a kind Providence, this made us resort to your Pills, which saved us from all further misery, and for which we hope to be thankful. T. & E. A. L.

Dr. Brandreth's Pills are for sale by the following Agents in Huntingdon county. Wm. Stewart, Huntingdon. A. & N. Cresswell, Petersburg. Mary W. Neff, Alexandria. Joseph Patton, Jr. Duncausville.
