NATURAL PRINCIPLES.

It is written in the Book of Nature and common sense, that the natural vegetable productions of every country are, if properly applied, amply sufficient for the cure of every malady incident to that climate.

WRIGHT'S INDIAN VEGETABLE PILLS are founded upon the principle, that the human body is subject to but *one disease*, viz: corrupt humors, which, when confined to the circulation, give rise to those disordered motions of the blood called fevers; but when lodged in the various parts of the body, are the cause not only of every ache or pain we suffer, but every malady incident to man.

It should be remembered that WRIGHT'S Indian Vegetable Pills are composed of roots and herbs, which grow spontaneously on our own soil, and consequently are admirably adapted to *our constitutions* that, while they cannot possibly injure even the most delicate, a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, do we not drain it of the superabundant water? In like manner, if we would restore the body to health we must cleanse it from impurity.

WRIGHT'S Indian Vegetable Pills, will be found peculiarly adapted to carrying out this grand purifying, because they expel all corrupt humors in an easy and natural manner, and while they every day

GIVE EASE AND PLEASURE,

the constitution is restored to such a state of health and vigor, that disease will find no abiding place in the body.

BETWEEN COUNTERFEITS!

As the great popularity of Wright's Indian Vegetable Pills, has raised up a host of counterfeits, the public are cautioned

against impostors, who are travelling about the country, selling to the unsuspecting storekeepers a spurious article for the above celebrated Pills.

It should be remembered that, all who sell the genuine medicine are provided with a *certificate of agency*, of which the following is a copy:

This is to certify that the within named —— is a regular and duly appointed Agent for the sale of Wright's Indian Vegetable Pills, in the town of ——, in the State of ——, and this certificate, which is signed by Wm. Wright, Vice President of the North American College of Health, must also be countersigned by the acting Clerk or Agent, from whom said certificate is received.

This certificate of agency will be renewed every twelve months; therefore, if any alteration should be made in the date, do not purchase.

The public are further informed that all who receive the above certificate, are also required to sign the following

PLEDGE.

This is to certify, that the subscriber by certificate bearing even date herewith, signed with the proper handwriting of William Wright, Vice President of the North American College of Health, ——, to hold and continue in said agency during the pleasure of the said William Wright, and no longer, any thing contained in the said certificate signed by the said William Wright, to the contrary thereof notwithstanding.
