NATURAL PRINCIPLES.

It is written in the Book of Nature in common sense, that the natural vegetable productions of every country are, if properly applied, amply sufficient for the cure of every malady incident to that climate.

WRIGHT'S INDIAN VEGETABLE PILLS are founded upon the principle, that the human body is subject to but *one disease*, viz: corrupt humors, which, when confined to the circulation, give rise to those disordered motions of the blood called fevers; but when lodged in the various parts of the body, are the cause not only of every ache or pain we suffer, but every malady incident to man.

It should be remembered that *Wright's Indian Vegetable Pills* are composed of roots and herbs, which grow spontaneously on our own soil, and consequently are so admirably adapted to our constitutions, that, while they cannot possibly injure even the most delicate, a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, do we not drain it of the superabundant water? In like manner, if we would restore the body to health we must cleanse it from impurity.

Wright's Indian Vegetable Pills, will be found peculiarly adapted to carrying out this grand purifying, because they expel all corrupt humors in an easy and natural manner, and while they every day

GIVE EASE AND PLEASURE,
the constitution is restored to such a state of health and vigor, that disease will find no abiding place in the body.

BEWARE OF COUNTERFEITS!
As the great popularity of *Wright's Indian Vegetable Pills*, has raised up a host of counterfeiters the public are cautioned against impostors, who are travelling about the country, selling the unsuspecting storekeepers a spurious article for the above celebrated Pills.

It should be remembered that, all who sell the genuine medicine are provided with a *certificate of agency*, of which the following is a copy:

This is to certify that the within named — is a regular and duly appointed Agent for the sale of *Wright's Indian Vegetable Pills*, in the town of —, in the State of —, and this certificate, which is signed by Wm. Wright, Vice President of the North American College of Health, must also be countersigned by the acting Clerk or Agent, from whom said certificates are received.

This certificate of agency will be renewed every twelve months; and therefore, if any alteration should be made in the date, do not purchase.

The public are further informed that all who receive the above certificate, are also required to sign the following

PLEDGE.

This is to certify, that the subscriber by certificate bearing eye date herewith, signed with the proper handwriting of William Wright, Vice President of the North American College of Health, — been appointed Agent for the sale of

WRIGHT'S INDIAN VEGETABLE PILLS,

Or *Indian Purgative*,
in the town of —, and State of —, to hold and continue in said agency during the pleasure of the said William Wright, and no longer, any thing contained in the said certificate signed by the said William Wright, to the contrary thereof notwithstanding. In consideration whereof, I hereby covenant and agree to and with the said William Wright that I will not sell, or expose to sale, any medicine bearing the above or a similar name during my said agency, other than that which I receive from his authorized agent or agents, under the penalty of five hundred dollars to be paid by him, as liquidated damages, of — hand and seal, the — day for — one thousand eight hundred and forty —.

Thus it will be seen that the friends of the genuine medicine may be perfectly free from any apprehension of fraud, as all agents, who are provided with a certificate of agency, have invariably

SIGNED THE PLEDGE

not to sell any Indian Vegetable Pills except those received from the above named William Wright, or his authorized agents. Country agents and other will be on their guard against travelling impostors, and remember that all authorized travelling agents are also provided with a certificate of agency as above described, and that Pills offered for sale, by those who cannot show a certificate of agency, are sure to be counterfeit.

It will be further observed that all genuine medicine has the title expressed in full on the sides of the boxes thus:

WRIGHT'S INDIAN VEGETABLE PILLS,
(Indian Purgative)
OF THE NORTH AMERICAN COLLEGE OF HEALTH.

The patrons of *Wright's Indian Vegetable Pills*, will also bear in mind that the directions which accompany each box of Pills, have been secured by copyright, and the proper form, viz: "Entered according to the act of Congress, in the year 1840, by William Wright, in the Clerk's Office, of the District Court of the Eastern District of Pennsylvania," will be found at the bottom of the first page of said directions.

Thus it will be seen, that a trifling attention on the part of the purchaser to the above particulars, will put an effectual stop to this wholesale robbery, and drive, it is hoped, all depredators upon society to an honest calling.

The following highly respectable store keepers have been appointed agents for

Wright's Indian Vegetable Pills of the

North American College of Health
William Stewart, Huntingdon.

B. F. Bell, Antes township.
Robert McManary, Newry.
Samuel S. Iselt, Tyrone township.

Offices devoted exclusively to the sale of the medicine, wholesale and retail, No. 288 Greenwich street, New York; and No. 198 Tremont street, Boston; and Principal Office, No. 169 Race street, Philadelphia.

N. B. The public are respectfully informed that the Pills made by one V. O. Flack, and sold by a man named Park, in Third street, are not the genuine *Wright's Indian Vegetable Pills*; and as counterfeiters and their associates sell at half price, it is absolutely impossible for them to have the genuine medicine for sale.

* * * Be particular in all cases to ask for the genuine *Wright's Indian Vegetable Pills*.

For Consumption of the Lungs.

Affections of the Liver, Asthma, Bronchitis, Pains or Weakness of the Breast or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of the Lungs, and all affections of the Pulmonary Organs

Nature's own Prescription.
A compound Balsamic preparation of the *Prunus Virginiana* of Wild Cherry Bark, combined with the *Extract of Tar*, prepared by a chemical process, approved and recommended by the most distinguished physicians, and universally acknowledged the most valuable medicine ever discovered.

No Quackery!! No Deception.

In setting forth the virtues of this truly great medicine, we have no desire to deceive those who are laboring under the affliction, nor do we wish to eulogize it more than it deserves. Yet we look around and see the vast amount of suffering and distress occasioned by many of the diseases in which this medicine has proved so highly successful, we feel that we cannot urge its claims too strongly, or say too much in its favor.

Various remedies it is true have been offered and pulled into notice for the cure of diseases of the Lungs, and some have no doubt been found very useful, but all that have yet been discovered, it is admitted by physicians and all others who have witnessed its effects, that none have proved as successful as this. Such, indeed, are the

Surprising Virtues

Of this Balsam, that even in the advanced stages of Consumption, after all the most esteemed remedies of physicians have failed to effect any change, the use of this medicine has been productive of the most astonishing relief, and actually effected cures after all hopes of recovery had been despaired of.

In the first stage of the disease, termed *Catarrhal Consumption*, originating from neglected COLDS, it has been used with undeviating success, and hundreds acknowledge they owe the restoration of their health to this invaluable medicine alone, in that form of consumption so prevalent amongst delicate young females, commonly termed debility, or

"Going into a Decline."

A complaint with which thousands are lingering, it has also proved highly successful, and not only possesses the power of checking the progress of this alarming complaint, but also strengthens and invigorates the system more effectually than any medicines we have ever possessed.

Besides its surprising efficacy in consumption, it is equally efficacious in Liver Complaint, Asthma, Bronchitis, and all affections of the Lungs, and has cured many of those who had failed. For particulars see Dr. Wistar's treatise on consumption, to be had of the agents.

WHILE LIFE REMAINS WE STILL HAVE SOME HOPE.

A SURPRISING CURE.—Among the many singular cures which this medicine has effected, there is perhaps none in which its powers are so fully shown as in the case of Mrs. Austin.

This lady has been consumptive for several years, and during the greater part of this time had received the best medical attention, and tried all the most valuable remedies, yet nothing could be found to arrest its progress. She became subject to violent fits of coughing, expectorated large quantities of matter occasionally tinged with blood, and step by step this fearful disease continued its course, until all hopes of a recovery were despaired of. While in this distressing situation, lingering upon the very verge of the grave, she commenced the use of this Balsam, which, to her own expression, operated almost like a charm. In a few days she expectorated freely, the cough was gradually suppressed, and every day appeared to add fresh vigor to her looks, and now, in the place of that emaciated form withering to decay, she is seen mingling in society, in better health than she has enjoyed for years.

DISINTERESTED TESTIMONY.—Having witnessed the surprising efficacy of Dr. Wistar's Balsam of Wild Cherry, in the case of Mrs. Austin, I cheerfully acknowledge the above statement to be true and correct.

J. C. WALTERS, M. D.

LIVER COMPLAINT.—Mrs. Eliza Thompson was afflicted with this complaint for nearly five years, during which time she was under the most skillful physicians—had tried mercury, Botanic and Homoeopathic remedies, and every thing that offered her any hopes of relief. She had dull, wandering pains in her side, sometimes in the shoulder and small of the back, a hacking cough, frequent pains in the breast, and had been unable to sleep on her right side for three years. By the use of this Balsam she was cured in a few weeks, and remains well to this day.

ELIZA THOMPSON.

Woodstown, Sept. 4, 1842.

Dear Sir:—Although your valuable medicine has already found hundreds of powerful advocates, it still may be gratifying to you to receive a communication from any one that has been relieved by it. Such, sir is truly my case. I have been a victim of that terrible disease consumption, for many months, and have suffered so much, that I had become almost weary of my life. Hearing your Balsam so highly praised, I began taking a few weeks back, and can assure you that it has relieved me more than any thing I have ever used before, and I confidently believe it will cure me effectually. Please give the bearer the worth of the enclosed, and oblige

Yours Respectfully,
JOHN PEARSON.

Chester county, Sept 6, 1841.

Friend Wistar:—It gives me much pleasure to inform thee that my wife's health has improved very much since she has been using thy Balsam of Wild Cherry, and we think there is no doubt it will cure her. She has taken thee twice since, and her cough is much better, she also sleeps well at night, and says she has found nothing to give her so much relief. There will please give the bearer two bottles more for

Thy Friend,
EDWARD HOLMES.

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntingdon county:

Dear Sir:—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq. of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwebel, in which many other remedies had been tried without any relief. The Balsam gave sudden relief, and in my opinion the child is effectually cured by its use.

Yours, &c.
JACOB HOFFMAN, M. D.
Dec. 23, 1841.

Dear Sir:—Your Balsam of Wild Cherry has effected some astonishing cures here. One of which is an old lady, Mrs. Russell, who has been suffering for a long time with shortness of breathing, and general weakness, until she was finally obliged to keep her bed. After various other remedies had been resorted to in vain, she commenced using your Balsam, and after taking two bottles was so far recovered as to be able to attend to all the duties of her house, and on taking two bottles more was entirely cured.

Respectfully &c.
JOHN S. C. MARTIN.
