

THE HUNTINGDON JOURNAL.

"One country, one constitution, one destiny."

Huntingdon, Pa.

Wednesday morning, Oct. 25, 1843.

V. B. PALMER, Esq. (No. 59, Pine street below Third, Philadelphia) is authorized to act as Agent for this paper, to procure subscriptions and advertisements.

FOR PRESIDENT, **HENRY CLAY,** OF KENTUCKY.

FOR VICE PRESIDENT, **JOHN SERGEANT,** OF PENNSYLVANIA. (Subject to the decision of a National Convention.)

FOR GOVERNOR, **GEN. JAMES IRVIN,** OF CENTRE COUNTY. (Subject to the decision of a State Convention.)

The nomination of Gen. IRVIN for Governor is received with general approbation, and with unusual interest. He is known to be the very opposite of the present incumbent, and just the man the people of Pennsylvania want for Governor of this noble but deeply injured Commonwealth.

The United States Gazette came to us on Monday night with the name of JOHN SERGEANT for Vice President flying at its mast head. It now sails under the glorious flag of Clay and Sergeant.

We have not received the full and official returns of the election for Canal Commissioners. Enough is however known to render the election of the Locofoco candidates certain by a majority not short of 10,000. We will endeavor to publish the official returns in our next.

Awful Calamity--Jacktown Destroyed by Fire.

On Monday evening, the public house kept by Mr. John Houck, at Jacktown, ten miles below this place, took fire, and before the progress of the devouring element could be arrested, the whole town, with the exception of one stable, was reduced to ashes. We have no room for particulars.

The Philadelphia "Independent" has raised 1844. Mr. Toland has been named by several other papers in connection with the gubernatorial

The Legislature.

Of the 11 SENATORS elected on the 10th inst. 6 are Locos, 3 Whigs--Those holding over, 14 Locos, 8 Whigs--making the Senate stand 22 Locos, 11 Whigs.

The House will probably stand, 58 Locos, 42 Whigs.

Mr. Webster has written a letter approving the nomination of Mr. Briggs as Governor, and Mr. Reed as Lieutenant Governor, and pledging them his support. He also condemns the acts of the locofoco legislature of Massachusetts.

DEATH OF AN AMERICAN CONSUL.

William A. Butler, Esq., late U. S. Consul at Nicaragua, Central America, died on the 26th ult., on board the schr. *Ursula*, on his passage home from St. Juan. His remains were interred on the island of Old Providence.

The Philadelphia Forum says: "Our friend Mr. Mahan, has just finished a coat ordered for Hon. Henry Clay, which may be called an American garment--the cloth, trimmings, &c., being of Domestic manufacture. The cloth is of a very fine texture, and is as beautiful and durable as can be produced in any country; and the workmanship cannot be excelled. The coat may be seen at the Fair of the Franklin Institute.

MURDER.--We learn from the Hagerstown (Md) Herald of Freedom that on Saturday last, a drover was murdered on the road leading from that place to Hanover, Pa. When found, he was lying in the road perfectly dead, his head and body pierced in a number of places with large buckshot, and his pockets rifled; he was taken to the nearest tavern, where it was ascertained that he had a large sum of money in his possession.

During the day a foot-pad, an ill-looking fellow stopped at the tavern, who was immediately suspected of having had a hand in the murder, and upon being arrested and searched, and \$2,000 of the unfortunate drover's money found in his bundle, confessed that he had perpetrated the deed. He stated that he was goaded to it by the relentless pangs of hunger, that he supposed his victim to have but a few dollars and that he shot him for this small sum to rescue himself from the horrors of starvation. A poor excuse for murder in this land of plenty.

Rathbun.

Benjamin Rathbun, late of Buffalo, after an imprisonment of five years at the Auburn State Prison, for his extensive forgeries, was discharged on the 3rd inst. in consequence of the expiration of his sentence. He was met at Buffalo by many of his old friends. It is said he intends to settle himself upon a farm in Wisconsin.

A Senator Dead.

The Hon. John F. Linn, U. S. Senator, from Missouri, died at his residence in that State, on the 3rd instant.

Rumors from Washington.

John Tyler appears to be fully bent upon carrying out one Democratic principle at least--that of Rotation in Office. He is cashiering his renegade sycophants with a vengeance! The N. Y. True Sun says:

"A private letter from a gentleman at Washington, possessing every means of knowing what he communicates, informs us that 'several foreign appointments will soon be made vacant. Col. Todd is expected to return from Russia; Jenifer from Austria, and Harrow from Portugal. The latter mission has been tendered to General Tyson, of Philadelphia, one of the original friends of Gen. Harrison, and a man of great talents, but was declined. He is among the very few sincere and disinterested friends President Tyler has left. The mission to Portugal has since been offered to and accepted by a gentleman in North Carolina. Mr. Wise is spoken of for the Austrian mission, and Mr. Spencer for that of Russia. Several other diplomatic charges are in anticipation. Mr. Everett will be recalled in a few weeks, but who will be sent to London or Paris, has not yet been settled. Mr. Spencer will not remain in his present post one month after Congress assembles, and will leave no friends behind him. Porter's rejection will create an additional vacancy in the Cabinet."

The Harrisburg Intelligencer of the 19th inst. says: "The Governor has finally signed the bill 'providing for the ordinary expenses of Government, and for other purposes.' The bill makes provision for the expenses of Government; suspends the abolition of the office of the Secretary of the Land Office until the 10th of May 1844; provides for the payment of pensions, and military expenses; makes appropriations to Colleges, Academies, &c. and for common school purposes; Also, appropriations to the House of Refuge, and the Institutions for the instruction of the blind, deaf and dumb; the State Library; for the payment of interest on the fourth of May issues, and the certificates of domestic creditors; for the completion of the Geological survey; the pay of Canal and railroad officers, &c., &c.

ELECTION IN BALTIMORE.

Great and Unexpected Victory. The election of Mayor and Common Council took place in Baltimore on Monday, (16th inst.) and resulted in the complete TRIUMPH of the Whig ticket. The majority for Law, the Whig candidate for Mayor was 348! being a gain of 235 since the election for members of Assembly on the 4th inst. The number of votes polled was 24,928, being the largest ever cast in the city, that for President in 1840 being 24,621! The Whigs also carried a majority in the first Branch of the City Council, which they have not done before for many years past.

The American says, "From what Baltimore has done at the two elections in the present month, The little Whig says, 'Put Baltimore down as a permanent Whig city, and good for 7 to 900 majority for HENRY CLAY in 1844!'"

From the Zanesville Republican.

"Sing us a Whig Song."--[Zanesville Aurora.]

A WHIG SONG.

BY J. GREENIER. TUNE--Old Dan Tucker. The moon was shining silver bright, The stars with glory crowned the night, High on a limb that "same old coon" Was singing to himself this tune: Chorus--Get out the way, you're all un lucky; Clear the track for old Kentucky!

Now in a sad predicament The Lokies are for President, They have six horses in the pasture, And don't know which can run the faster: Get out the way, &c.

The wagon horse from Pennsylvania, The Dutchmen think he's best of any; But he must drag in heavy stages, His federal notions and low wages: Get out the way, &c.

They proudly bring upon the course, An old and broken down war horse; They shout and sing "O rumpy dumsey Col. Johnson killed Tecumsey!" Get out the way, &c.

And here is Cass, though not a dunce, Will run both sides of the track at once; To win the race will all things copy, Be sometimes pig and sometimes puppy: Get out the way, &c.

The fiery southern horse Calhoun, Who hates a Fox and fears a Coon, To toe the scratch will not be able, For Matty keeps him in the stable: Get out the way, &c.

But here is Matty, never idle, A tricky horse that slips his bridle; In forty-four we'll show him soon, The little Fox can't fool the Coon: Get out the way, &c.

The balky horse they call John Tyler, We'll head him soon or burst his boiler; His scold "grippe" has seized us all, Which Doctor Clay will cure next fall: Get out the way, &c.

The people's favorite, HENRY CLAY, Is now the "fashion" of the day, And let the track be dry or mucky, We'll strike our pile on Old Kentucky: Get out the way, he's swift and lucky, Clear the track for Old Kentucky!

The Savannah Republican mentions the death of Colonel John Miller, member of Congress elect, for that district.

The Locofoco have elected their delegate, Mr. Dodge, for Congress, in Iowa Territory, and such a crowing was never heard. Mr. Dodge may talk, but cannot vote.

John Matlocks, Whig, has been elected Governor of Vermont by the Legislature, and Horace Eaton, Lieutenant Governor.

Gale at St. Thomas.

By the brig Sally Anne, Pattison, arrived at this port yesterday from St. Thomas, whence she sailed on the 29th September, we learn that a heavy squall was experienced there on the 28th, commencing at 5 o'clock A. M. and lasting till 4 P. M., the wind prevailing altogether from the South, which caused a heavy sea in the harbor. The wind was very severe, accompanied by heavy rains. Two St. Croix packets and a small sloop were driven on shore--one was loaded with flour, butter, lard and sperm candles; they were from 25 to 30 tons each. Considerable damage was done in the town from heavy rains and wash from the hills. In some of the stores there was not less than 2 to 2 1/2 feet water.--Baltimore American.

Pass him Round!--Last fall a fellow calling himself "Dr. PENNELL" located himself in this Borough, hung up his "shingle," and, of course, advertised in the papers of the town and by hand-bills. He professed to cure the bites of Mad-Dogs, Snakes, &c., with almost all the other ills "that flesh is heir to." He got into our debt to the amount of some \$10, and this Spring decamped without paying us. We see that he has located himself at Huntingdon, in this State, and Brother CARMER will be lucky if he receives pay for the advertisement we see in the Journal of Wednesday last. He's an arrant old scamp, that Dr. Pennell. Pass him round.--York Republican of 7th June.

By way of putting the public on their guard against the rogues of this old scoundrel, we pass the above around, and add that he owes us some 8 or 10 dollars by Judgment, which, he says, he "don't regard more than a pinch of snuff," and at the same time brags of having plenty of money in his pockets. He deserves a "puif."

Dr. Shad's GERMAN RENOVATING PILLS

Are exactly adapted to the reign of John Tyler. If the conduct of this remarkable man has disappointed and embarrassed the country, thereby subjecting the inhabitants to intense mental excitement and undue labor and exposure, which entail disease and curtail the means of liquidating the expense of combating it, certainly an antidote for the circumstances is gratifying. Such an antidote the Renovating Pills undoubtedly are. Numbers of respectable members of our own community have testified this from their own experience. These testimonials have swollen to so great an extent that it is impossible or inexpedient to introduce them into a paper designed for general purposes. The public must, therefore, be henceforth respectfully referred to the agents below for evidence of the utility of the medicine. If such evidence, when examined, be unsatisfactory, no purchase is expected. All the diseases in which these Pills are appropriate are named in the notice from the fear of the imputation of extravagance. They are of undoubted and tried efficacy in Liver diseases and all Bilious affections, being the only vegetable compound whose useful action is nearly similar to that of calomel. Also--Cholera Morbus, Dyspepsia, Rheumatism, Breaking out on the skin, Fevers, Ague, Golds, Congas, Inflammatory diseases, and particularly those affections originating from a bad state of the blood, which are numerous. The afflicted are recommended to try this medicine, whose success is becoming unparalleled. Purchase of Fisher & M'Murtrie, Huntingdon, Alex. Knox & Son, Newry, W. & B.
