Arrival of the Steamship

The Steamship Hibernia arrived at her wharf East Boston, on Wednesday last, at 1 1/2 o'clock.

The news by this steamer is of no great interest save in relation to the state of trade, the advance of Cotton, &c., and the increased agitation in Ireland.

The Repeal movement is getting stronger in moral power than the English Government, and they feel the necessity of putting it down by force.

The revival of trade was the theme of general congratulation. Every branch of business had its nourishing glow.

Orders for the East, more particularly for China, have come pouring in of late.

The Puseyite schism has received a "heavy blow and great discouragement" of late.

The Hindostan arrived on the morning of the 24th, at 4 o'clock, at Suez.

She brings 108 passengers, and the sad intelligence of the total wreck of the Memnon, from Bombay, at or near the African coast, opposite Adeu.

The Repeal Agitation is going on with its moral momentum. The Mr. Conner who made such a tumult by his violent measures, had withdrawn from the Dublin Association.

The adjourned meeting of the Association was held on Wednesday, Sept. 27, Counselor Scully in the chair.

Mr. O'Connell, who was received with enthusiastic cheering and who looked remarkably well, commenced the business of moving for a further investigation of the charges of extermination against Mr. Smith which was agreed to.

Mr. Ray then read letters from the following places in America:—From Boston, transmitting \$59 3s; from Savannah, \$500; from Massachusetts, \$100; from Hartford, Conn. £67; from N. Jersey, \$30 12s; from Newark, New Brunswick, £40; from Philadelphia, per Judge Doran, £50; from St. Louis, Miss., £174—a Bill of Exchange on Messrs. T. Martin & Son, Liverpool, from Cincinnati, £113 10s; and from New York, per Hon. Judge James, \$1400, the several receipts of which were announced amidst enthusiastic cheers.

Mr. O'Connell spoke at great length and with a baring and irresistible eloquence, declaring that neither the scoffs of his enemies, or the taunts of pretended friends, would induce him to go faster than he deemed prudent.

The last great demonstration took place on Sunday last, at Rath of Mullaghmast, in Leinster. It appears to have been an immense gathering.

He denounced the slavery of the United States in vehement terms, with the request, "let that go to America!" It is hinted that the Government are about to bring these measures to a premature close.

The Times of Monday gives currency to the hint as a "rumor." To put down the agitation in Ireland now, when no attempt has been made to remove the acknowledged evils under which the people labor, would be a dangerous experiment with the peace of the country.

Spain. Affairs in this kingdom are still unsettled. The Swabian Mercury states that the northern Powers will not depart from the principles of legitimacy in the affairs of Spain; that is that Queen Isabella shall marry the eldest son of Don Carlos, and that he, in order to preserve the right of legitimacy, shall assume the title of the King of Spain.

The new government of Spain, it is reported, contemplate the re-establishment of a good understanding with the court of Rome. The Primate of Spain is to take the initiative measures.

Greece. By intelligence from Greece, it appears that King Otho has at last been obliged to concede to his subjects at last, what he ought to have given them first—a constitution and ministerial responsibility.

The wonder is, that a people like the Greeks should have endured the despotism of the King of Bavaria's son so long and so quietly.

Wales. The disturbances here continue—riot, murders, incendiaryism, &c. One murder had taken place under most horrible and savage circumstances.

Rebecca and her daughters were spreading devastation every where. The farmers have petitioned for a redress of grievances, but will not hold nightly meetings with the agitators.

FRANCE. The Paris papers of the 30th September state that the sensation created by the agitation of the question touching the fortification of Paris had not diminished.

A meeting of the editors of the opposition journals took place at the house of M. Arago, (the celebrated savan and Deputy) on Friday; but a letter of M. Bastille, principal editor of the National, addressed to M. Arago, and published in the National of Friday, appears to have defeated the intended coalition of all sections and colors of the opposition.

JACOB MILLER, CHAS. A. NEWINGHAM, CHAS. H. MILLER, Auditors. Sept. 27, 1843.

NATURAL PRINCIPLES. It is written in the Book of Nature and common sense, that the natural vegetable productions of every country are, if properly applied, amply sufficient for the cure of every malady incident to that climate.

WRIGHT'S INDIAN VEGETABLE PILLS are founded upon the principle, that the human body is subject to but one disease, viz: corrupt humors, which, when confined to the circulation, give rise to those disordered motions of the blood called fevers; but when lodged in the various parts of the body, are the cause not only of every ache or pain we suffer, but every malady incident to man.

It should be remembered that Wright's Indian Vegetable Pills are composed of roots and herbs, which grow spontaneously on our own soil, and consequently are so admirably adapted to our constitutions, that while they cannot possibly injure even the most delicate, a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, do we not drain it of the superabundant water? In like manner, if we would restore the body to health we must cleanse it from impurity.

Wright's Indian Vegetable Pills, will be found peculiarly adapted to carrying out this grand purifying, because they expel all corrupt humors in an easy and natural manner, and while they every day

GIVE EASE AND PLEASURE, the constitution is restored to such a state of health and vigor, that disease will find no abiding place in the body.

BEWARE OF COUNTERFEITS! As the great popularity of Wright's Indian Vegetable Pills, has raised up a host of counterfeiters the public are cautioned against impostors, who are travelling about the country, selling the unsuspecting storekeepers a spurious article for the above celebrated Pills.

It should be remembered that, all who sell the genuine medicine are provided with a certificate of agency, of which the following is a copy:

This is to certify that the within named — is a regular and duly appointed Agent for the sale of Wright's Indian Vegetable Pills, in the town of —, in the State of —, and this certificate, which is signed by Wm. Wright, Vice President of the North American College of Health, must also be countersigned by the acting, Clerk or Agent, from whom said certificates are received.

This certificate of agency will be renewed every twelve months; therefore, if any alteration should be made in the date, do not purchase.

The public are further informed that all who receive the above certificate, are also required to sign the following PLEDGE.

This is to certify, that the subscriber by certificate bearing eye date herewith, signed with the proper handwriting of William Wright, Vice President of the North American College of Health, — been appointed Agent for the sale of

WRIGHT'S INDIAN VEGETABLE PILLS, Or Indian Purgative,

in the town of —, and State of —, to hold and continue in said agency during the pleasure of the said William Wright, and no longer, any thing contained in the said certificate signed by the said William Wright, to the contrary thereof notwithstanding.

In consideration whereof, I hereby covenant and agree to and with the said William Wright that I will not sell, or expose to sale, any medicine bearing the above or a similar name during my said agency, other than that which I receive from his authorized agent or agents, under the penalty of five hundred dollars to be paid by him, as liquidated damages, of itness — hand and seal, the — day for — one thousand eight hundred and forty —

Thus it will be seen that the friends of the genuine medicine may be perfectly free from any apprehension of fraud, as all agents, who are provided with a certificate of agency, have invariably

SIGNED THE PLEDGE not to sell any Indian Vegetable Pills except those received from the above named William Wright, or his authorized agents.

Country agents and other, will be on their guard against travelling impostors, and remember that all authorized travelling agents are also provided with a certificate of agency as above described, and that Pills offered for sale, by those who cannot show a certificate of agency, are sure to be counterfeit.

It will be further observed that all genuine medicine has the title expressed in full on the sides of the boxes thus: WRIGHT'S INDIAN VEGETABLE PILLS, (Indian Purgative) OF THE NORTH AMERICAN COLLEGE OF HEALTH.

The patrons of Wright's Indian Vegetable Pills, will also bear in mind that the directions which accompany each box of Pills, have been secured by copyright, and the proper form, viz: "Entered according to the act of Congress, in the year 1840, by William Wright, in the Clerk's Office of the District Court of the Eastern District of Pennsylvania," will be found at the bottom of the first page of said directions.

Thus it will be seen, that a trifling addition to the price of the pills, for the above particulars, will put an effectual stop to this wholesale robbery, and drive it, it is hoped, all depredators upon society to an honest calling.

The following highly respectable store keepers have been appointed agents for the sale of

Wright's Indian Vegetable Pills, of the North American College of Health. William Stewart, Huntingdon. Henry Leamer Hollidayburg. B. F. Bell, Antietam township. Robert M'Namara, Newry. Samuel S. Isett, Tyrone township. Millikens & Kessler, Mill Creek. A. & N. Cresswell, Petersburg. Gemmel & Porter, Alexandria. Moore & Steiner, Water Street. Joseph Patton, Jr. Duncansville. R. H. McCormick, Collinsville. Wolf & Whittet, Frankstown.

Offices devoted exclusively to the sale of the medicine, wholesale and retail, No. 288 Greenwich street, New York; and No. 198 Tremont street, Boston; and Principal Office, No. 169 Race street, Philadelphia.

N. B. The public are respectfully informed that the Pills made by one V. O. Flack, and sold by a man named Parker, in Third street, are not the genuine Wright's Indian Vegetable Pills; and as counterfeiters and their associates sell at half price, it is absolutely impossible for them to have the genuine medicine for sale.

* Be particular in all cases to ask for the genuine Wright's Indian Vegetable Pills.
