Democratic Harrison STATE CONVENTION.

The members of the Democratic Harrison party of Pennsylvania—those who unite with them as allies in the achievement of that glorious political victory in 1840, the result of which was the election of the pure, venerable and much lamented patriot, GENERAL WILLIAM HENRY HARRISON, to the Presidential Chair—those who have hitherto consistently battled for "the Supremacy of the Laws," were opposed to all mysteries, whether of the Government or otherwise, which are inaccessible to the public eye—those who are opposed to favored classes and monopolies either of office or power—the who are tired of experiments upon the Commerce, Manufactures and currency of the country, &c. all others who are convinced of the necessity of reforming the abuses of the State and National Government as to secure their prompt, faithful, economical and energetic administration, with a full accountability to the people, on the part of the by whom they are administered, are requested by the State Central Committee of the Democratic Harrison party, to meet in their several Counties and Districts, and in conformity with former usages, to elect Delegates in proportion to the number of Senators and Representatives in the State Legislature from such Counties and Districts to a FREE CONVENTION to be held at Harrisburg on MONDAY, the 4th day of MARCH next, at 12 o'clock P. M., to nominate a suitable candidate for Governor, to be supported by the friends of good order at next General Election, and to do such other acts as may be deemed necessary.

In Burealism Triumphant.

The Herald says, Mr. Van Buren's friends were triumphantly carrying off the spoils at Washington. Every office of the Executive—Speaker, Clerk, Assistant-Secretary, and every other office is filled by a friend of Mr. Van Buren! The Buchanan candidate for Speaker, however, is a notable exception. What a commentary this upon the blustering professions of Mr. Buchanan's friends in this State! When the time for action arrives, their State pride vanishes and the great Pennsylvania Statesmen is supported by one vote! Mr. Calhoun's friends too, have been completely outgeneraled by the superior dexterity of the friends of the Whig, and the proud "chivalry" of the South have yielded to the "phlegmatic" cool and calculating North, as was apprehended by the Pittsburg Whig when an address lately published. Thus has the Whig been managed, and so delighted are the Van Burenites with their triumph, that they are alternatingly that Mr. Calhoun will soon see the propriety of withdrawing his name from the list of Presidential candidates! They don't think of requiring any such course from Pennsylvania's favor, though. He will be disposed of with less ceremony!

Berks County Bank.

The Harrisburg Telegraph of the 20th instant says: "The rumor which we mentioned in our last paper that there had been an issue of the Relief Notes of this Bank, turns out to be correct. The issue is said to be about \$10,000. They are issued by the State authorities, the county Treasurers, and business men generally. It is possible that there may be no loss upon them to individual holders, as the officers of the bank, who are liable, if not criminally, are said to be men of property, and abundantly able to pay. We should like to know whether the people are to be totally swindled out of their property in this manner, without redress. There are many who contend that the Commonwealth is bound to redeem every dollar of these over-issues—on the principle that she is liable for the acts of her agents—the banks.

The ladies of New York are making rapid advances towards appropriating to themselves the exclusive use of the breeches. Willis, in one of his recent letters to the National Intelligencer, says—"here is a gymnasium in the upper part of Broadway, where the ladies don the Turkish costume and are taught sparring and climbing, in jackets and loose trousers. Great coats, with a snug fit to the back, are superseding cloaks for ladies' outdoor wear."

A MAN MAY MARRY HIS WIFE'S DAUGHTER.

Though a man can't marry his grandmother, yet it has been decided that he can marry his wife's daughter. A man named William Wilson, was convicted last August before the Hartford (Conn.) County Court, of the crime of incest. The charge was founded on the fact that he had married the daughter of his deceased wife by a former husband, the same being, as charged by the Judge, a violation of law; and the jury returned a verdict accordingly. The case was carried up on a writ of error to the Supreme Court, where the decision of the lower court was a few days since reversed. The Court deciding that the affinity between the plaintiff in error and his wife's daughter ceased on the death of his wife.

The Whigs and Antimonians of Allegheny county last fall suffered an inglorious defeat by reason of their division and feuds. A correspondent of the New York Tribune writing from Pittsburg, under date of Nov. 28, says "a happy change has taken place. 'Experience is a dear school,' Dr. Franklin was wont to say, and in this academy the Whigs and Antimonians graduated last month, very little, it must be allowed, to their satisfaction.—Having got a diploma, they are practising with most exemplary zeal. The measures are in train to bring about a union, and there is every prospect of a successful termination of the effort. So promising are the symptoms, you may rely upon it, the old wounds will be healed; the party politic will be more healthy than ever; and next year the heaviest Whig vote ever cast in this county will be thrown for HENRY CLAY.

Cancellation of Relief Notes.

The Boston Journal says, that Capt. Ross, during his late exploring expedition to the Antarctic ocean discovered a mountain 12,400 feet above the level of the sea in lat. 77 32 S., and long. 167 East, which emitted flame and smoke in grand profusion. He named this splendid volcano Mount Erebus.

TO INVALIDS.

How important it is that you commence without loss of time with BRANDRETH'S PILLS. They mildly but surely remove all impurities from the blood, and no case of sickness can effect the human frame, that these celebrated Pills do not relieve as such as medicine can do. COLDS and COUGHS are more benefited by the Brandreth Pills than by Leuzenges and Candies. Very well, perhaps, as palliatives, but worth nothing as ERADICATORS of diseases from the human system. The Brandreth Pills cure, they do not merely relieve, they cure. Diseases, whether chronic or recent, infectious or otherwise, will certainly be cured by the use of these all-sufficient Pills.

CUKE OF A CANCEROUS SORE. SING SING, JANUARY 21, 1843. DR. BENJAMIN BRANDRETH: Honored Sir,—

Owing to your debt of gratitude that money cannot pay, I am induced to make a public acknowledgment of the benefit my wife has derived from your invaluable Pills. About three years this winter she was taken with a pain in her ace, which soon became very much inflamed, and swollen, so much that we became much alarmed, and sent for the doctor. During his attendance the pain and swelling increased to an alarming degree, and in three weeks from its first commencing it became a running sore. She could get no rest at night the pain was so great. Our first doctor attended her for six months, and she received no benefit whatever, the pain growing worse and the sore spreading all the time. He said it was healed up it would be her death, but he appeared to be at a loss how to proceed, and my poor wife still continued to suffer the most terrible tortures. We therefore sought other aid, in a Botanical doctor, who said when he first saw it that he could soon cure the sore and give her ease at once. To our surprise he gave her no relief, and acknowledged that it quite baffled all his skill.

Thus we felt after having tried during one whole year the experience of two celebrated physicians in vain, in absolute despair. My poor wife's constitution rapidly failing in the prime of her years from her continued sufferings. Under these circumstances we concluded that we would try your Universal Vegetable Pills, determined to fairly test their curative effects. To my wife's great comfort the first few doses afforded great relief of the pain. Within one week to the astonishment of ourselves and every one who knew the case, the swelling and the inflammation began to cease so that she felt quite easy, and would sleep comfortable, and sir, after six weeks' use she was able to go thro' the house and again attend to the management of her family, which she had not done for nearly thirteen months. In a little over two months from the time she first commenced the use of your invaluable Pills her ace was quite sound, and her health better than it had been in quite a number of years before. I send you this statement after two years test of the cure, considering it only an act of justice to you and the public at large. We are with much gratitude, Very respectfully, TIMOTHY & ELIZA A. LITTLE.

PS.—The Botanical Doctor pronounced the sore cancerous, and finally said no good could be done, unless the whole of the flesh was cut off and the bone scraped. Thank a kind Providence, this made us resort to your Pills, which saved us from all further misery, and for which we hope to be thankful. T. & E. A. L.

I was affected with Scarlet Fever. A physician prescribed Dr. Shade's Pills. I made use of three doses, which proved both emetic and purgative, cleansing the stomach and bowels equal to any calomel I have ever taken. I have since used the Renovating Pills in my family and cannot say too much in their favor.
