"One country, one constitution, one destiny."

Huntingdon, Pa.

Wednesday morning, March 13, '44.

Y. B. PALMER, Esq. (No. 59, Pine street below Third, Philadelphia,) is authorized to act as Agent for this paper, to procure subscriptions and advertisements.

The Huntingdon Journal has a larger circulation than any other Newspaper in Huntingdon county. We state this fact for the benefit of Advertisers.

Once more our glorious Banner out Upon the breeze we throw; Beneath its folds, with song and shout, Let's charge upon the foe!"

FOR PRESIDENT, **HENRY CLAY,** OF KENTUCKY.

FOR VICE PRESIDENT, **HARMAR DENNY,** OF PENNSYLVANIA.

(Subject to the decision of a National Convention.)

FOR GOVERNOR, **JOSEPH MARKLE,** OF WESTMORELAND COUNTY.

FOR CANAL COMMISSIONER, **SIMEON GUILFORD,** OF LEBANON COUNTY.

Several articles intended for this paper are omitted in order to make room for advertisements handed in at a late hour.

From Washington.

We learn from the National Intelligence, that the Hon. JOHN C. CALHOUN, on Wednesday last nominated by the President to fill the office of SECRETARY OF STATE, and the nomination was immediately unanimously confirmed.

Ex-Governor SHANNON of Ohio, has been nominated to be Minister to Mexico; and Capt. WM. C. BOLTON to be Chief of the Bureau of Construction and Repairs of the Navy.

It is said that JAMES M. MASON, of Virginia, will be nominated to the Navy Department.

PENNSYLVANIA CANALS.—The Canal Commissioners have instructed the Supervisors along the lines of Canals to have them in readiness for the reception of water by the 15th inst.

Nathan Frame, Sheriff of Chester county, died on the 12th inst., aged about 66 years.

The Spring Elections.—Judges and Inspectors.—Secret Scheme of the Enemy.

The Spring Elections, for Judges and Inspectors of the next General and Presidential Elections, and for borough and township officers, will take place on Friday next, the 15th day of March inst.—Our Whig and Antimasonic friends must be on the alert, and rally their whole strength at these elections, as they will have an important bearing on the fall elections.

A secret circular issued by a committee of the loco foco members of the Legislature, has just come to light, in which they earnestly urge the Van Buren party to make a desperate effort to secure the election of Judges and Inspectors in the various districts of the Commonwealth. This circular, has, we learn, been freely circulated over the whole State, and some of them have fallen into the hands of good Whigs. We extract the following:

"The democratic members, anxious to arouse their brethren throughout the state to a sense of the danger which threatens their cause and their principles, have determined to make an effort to save the party from defeat, secure its principles and rescue this good old Commonwealth from the inglorious position she took in the campaign in 1840.—As a preliminary measure, to the great contest in the fall, the Whigs have determined, if possible to secure a large number of the Judges and Inspectors at the spring election; if they are successful in this, you will readily perceive the power which the opposition will wield. It is distinctly understood that the Whig party intend to secure an advantage in the manner we have indicated. It therefore, becomes the duty of every democrat to exert himself and arouse his friends, and warn them of the danger which threatens his ward, borough or township, and thus secure a large turnout at the election for Judges and Inspectors. This done we shall have the advantage ground, and an easy victory will be the result. The democratic members desire that you would communicate these facts to such of our political friends in your ward, borough or township, as will take an interest in adopting such measures as will uphold and sustain the party."

"The contents of this letter should be made known only to such of our friends as will keep their own counsel, and assist in organizing the party; and it is very desirable that it should not appear in any newspaper, or be communicated to our political opponents. The most efficient organization can be made without a noise or confusion."

This Circular, says an exchange paper, asserts that "the Whigs have determined to secure an advantage" in the election of Judges and Inspectors at the Spring elections, meaning to convey the impression that the Whigs have been guilty of the same disreputable means of operating secretly upon their party friends to arouse them to action, in which his committee of grave legislators, have thus opportunely been detected. This assertion is entirely gratuitous, and we challenge them for the evidence of any such secret movements on the part of the Whigs. The Whigs are open and above board in their political action, and we trust that this development of the tactics of the enemy, will arouse them to redoubled exertions to maintain their rights at the ballot box.

Arouse, then, Whigs! Let every friend of Clay, see to this matter and lend his hand to promoting the organization of our party without delay, that we may meet our opponents in full strength on the 15th inst. The Locos must be watched, and watched closely. Their hopes are desperate they will know, and they are ready and willing to resort to any means, to prop up their sinking fortunes. Farmers, Mechanics, Laborers, friends of Clay and the Tariff! rally to the rescue on Friday next. Exert every energy to carry your borough and township elections, and determine to frustrate the secret plans by which your opponents are endeavoring to defeat the hopes of the people in October next. Carry these elections, and with fair play and Antimasonic County Ticket will be elected by an easy and glorious triumph!

The "twain" have our best wishes, and a share in all our prayers, that they may find their way down to posterity a flowery one, and their connubial sky never clouded.

Our "Devil" said, when trying the South corner, that it was the best he had fixed his "grinders" on, for the period of six months.
