Dr. Moffat's Life Pills

PHENIX BITTERS.

The perfectly safe, unerring and successful treatment of almost every species of disease by the use of Dr. MOFFAT'S LIFE MEDICINES, is no longer an experiment; as a reference to the experience of many thousand patients will satisfactorily prove. During the present month alone, nearly one hundred cases have come to the knowledge of Dr. MOFFAT, where the patient has to all appearance, effected a permanent cure by the exclusive and judicious use of the Life Medicines—some eight or ten of these had been considered hopeless by their physicians. Such happy results are a source of great pleasure to Dr. M., and inspire him with a new confidence to recommend the use of his medicines to his fellow citizens.

THE LIFE MEDICINES are a purely VEGETABLE preparation. They are mild and pleasant in their operation, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acrimonious humours, and assuaging and purifying the blood. For this reason, in aggravated cases of Dyspepsia, the Life Medicines will give relief in a shorter space of time than any other prescription. In Fever and Ague, Inflammatory Rheumatism, Fevers of every description, Sick Headaches, Heartburn, Dizziness in the Head, Pains in the Chest, Flatulency, Impaired Appetite, and in every disease arising from impurity of the blood, or a disordered state of the stomach, the use of these medicines has always proved to be beyond doubt, greatly superior to any other mode of treatment.

All that Dr. Moffat asks of his patients is to be particular in taking them according to the directions. It is not by a newspaper notice, or by any thing that he may say in their favour, that he hopes to gain credit. It is alone by the result of a fair trial. Is the reader an invalid and does he wish to know whether the Life Medicines will suit his own case? If so, let him call at the office of the agent, and procure a copy of the Good Samaritan, published gratuitously. He will there find enumerated very many extraordinary cases of cure; perhaps some exactly similar to his own. Sold by JACOB MILLER, Huntingdon. August 30 1843: 1y.

WRIGHT'S Indian Vegetable Pills.

If, during the continuance of storms and floods, the channels of OUR MIGHTY RIVERS become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be

Overwhelmed with the Flood. In like manner with the human body—if the skin, kidneys and bowels (the natural outlets for useless and corrupt humors) become so obstructed as to fail in affording a full discharge of those impurities which are in all cases

THE CAUSE OF SICKNESS.

We surely can expect no other results than that the whole frame will sooner or later be OVERWHELMED WITH DISEASE. As in the first place, if we would prevent an inundation we must remove all obstructions, in order that there may be no hindrance to the free discharge of the superabundant waters. So, in the second place, if we would prevent and cure disease, we must open and keep open, all natural drains of the body.

Wright's Indian Vegetable Pills of the North American College of Health, will be found one of the best if not the very BEST MEDICINE IN THE WORLD for carrying out this beautiful and simple theory, because they completely cleanse the stomach and bowels from all bilious humors, and other impurity, and at the same time promote a healthy discharge from the lungs, skin and kidneys; consequently as all the natural drains are opened,

DISEASE

DRIVEN FROM THE BODY.

Caution.—As the great popularity and consequent great demand for Wright's Indian Vegetable Pills has raised up a host of counterfeiters, country storekeepers and agents will be on their guard against the many impostors who are travelling about the country selling to the unsuspecting a spurious article for the genuine.

It should be remembered that all authorized agents are provided with a certificate of agency, signed by WILLIAM WRIGHT, Vice President of the North American College of Health. Consequently, those who offer Indian Vegetable Pills, and cannot show a certificate as above described will be known as impostors.

The following highly respectable storekeepers have been appointed agents for the sale of

Wright's Indian Vegetable Pills,

and of whom it is confidently believed the genuine medicines can be obtained: William Stewart, Huntingdon. Henry Leamer Hollidaysburg. B. F. Bell, Antara township. Robert McNamee, Newry. Samuel S. Isett, Tyrone township. Millikens & Kessler, Mill Creek. A. & N. Cresswell, Petersburg. Gemmel & Porter, Alexandria. Moore & Steiner, Water Street. Joseph Patton, Jr. Duncanville. R. H. McCormick, Collinsville. Wolf & Willet, Frankstown. Henry Brewster, Shilleytown. Walter Graham, Yellow Springs. Office devoted exclusively to the sale of the medicine, wholesale and retail, No. 169 Race street, Philadelphia.

Beware of counterfeiters.—The public are respectfully informed that medicine purporting to be Indian Pills made by one V. O. Flack, are not the genuine

Wright's Indian Vegetable Pills.

The only security against imposition is to purchase from the regularly advertised agents, and in all cases be particular to ask for Wright's Indian Vegetable Pills.
