**Furnace to Let.**

The Valley Furnace is situated on Silver Creek, near Pottsville in the Schuylkill Coal Region. Beds of Anthracite Coal and Strata of Iron ore are opened for work, close by the stack. The public railway runs by the works, giving a daily communication at all seasons, with the city of Philadelphia. Limestone is cheaply had, by canal or railway.

The ore is exactly the same as that of the coal fields of Great Britain, from which nearly all the iron is made in that country. It fuses very easily. The "black band" iron stone, from which the Scotch gray iron is made, exists in this coal basin; but no search has been made for workable beds, the discovery being recent.

The Furnace is newly built, with a good steam engine and blowing apparatus. Its yield is about 35 tons weekly, and there is an extensive consumption of iron in the coal district. There is no other Furnace in working order in that region.

The Furnace will be rented on very favorable terms to any person having sufficient capital to conduct the business properly. Apply to

Package Sales of Boots and Shoes, (Every Tuesday morning, at 10 o'clock,) BY G. W. LORD.

CARD.—A combination being formed by a portion of the Dealers in Boots and Shoes of this city, with the avowed object of suppressing the sale of those goods by auction, it seems proper for the subscriber, (who has held these sales for the past eighteen months) to state that notwithstanding this combination, the sales will not be stopped, but on the contrary, as he will now rely more than ever on the patronage of the country Merchants, the sales will be held every Tuesday morning, at the auction store, 208 Market Street, and his arrangements with the Manufacturers, both of this city and all New England, are such as to insure him a constant and full supply of every description of goods.

The mere fact of so great an effort being made to put down these sales, is the best evidence the country Merchants can have, that it is for his interest to sustain them. Philadelphia, March 27, 1844.—6m.

**Dr. Moffat's Life Pills**

**AND PHENIX BITTERS.**

The perfectly safe, unerring and successful treatment of almost every species of disease by the use of Dr. MOFFAT'S LIFE MEDICINES, is no longer an experiment; as a reference to the experience of many thousand patients will satisfactorily prove. During the present month alone, nearly one hundred cases have come to the knowledge of Dr. MOFFAT, where the patient has to all appearance, effected a permanent cure by the exclusive and judicious use of the Life Medicines—some eight or ten of these had been considered hopeless by their physicians. Such happy results are a source of great pleasure to Dr. M., and inspire him with a new confidence to recommend the use of his medicines to his fellow citizens.

The LIFE MEDICINES are a purely Vegetable preparation. They are mild and pleasant in their operation, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acrimonious humours, and assimilating and purifying the blood. For this reason, in aggravated cases of Dyspepsia, the Life Medicines will give relief in a shorter space of time than any other prescription. In Fever and Ague, Inflammatory Rheumatism, Fevers of every description, Sick Headaches, Heartburn, Dizziness in the Head, Pains in the Chest, Flatulency, Impaired Appetite, and in every disease arising from impurity of the blood, or a disordered state of the stomach, the use of these medicines has always proved to be beyond doubt, greatly superior to any other mode of treatment.

All that Dr. Moffat asks of his patients is to be particular in taking them according to the directions. It is not by a newspaper notice, or by any thing that he may say in their favour, that he hopes to gain credit. It is alone by the result of a fair trial. Is the reader an invalid and does he wish to know whether the Life Medicines will suit his own case? If so, let him call at the office of the agent, and procure a copy of the Good Samaritan, published gratuitously. He will there find enumerated very many extraordinary cases of cure; perhaps some exactly similar to his own. Sold by JACOB MILLER, Huntingdon. August 30 1843. 1y.
