**State Sabbath Convention.**

The undersigned, believing that the profanation of the Sabbath is an evil of alarming magnitude, demanding for its suppression the united influence of all its friends—believing, also, that a meeting of delegates from various parts of the state of Pennsylvania, would produce a favorable impression on the public mind, and promote harmonious co-operation in future plans, to sustain this Divine institution, on the perpetuity of which the prosperity of Religion and our civil Institutions depend; recommend that a **State Sabbath Convention** be held at Harrisburg, on **THURSDAY, the 30th of MAY, A. D. 1844, at 10 o'clock, A. M.**  
It is also recommended that public meetings be held in the various towns of the State, to appoint delegates, and to suggest topics of general interest for the consideration of the Convention.—Where such meetings may not be held, Churches are invited to make the appointments.

Individuals and delegates from other States, who may find it practicable to attend, are cordially invited to participate in the proceedings of the Convention.

**Indian Vegetable Pills.**

If, during the continuance of storms and floods, the channels of

**OUR MIGHTY RIVERS**

become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be

**Overwhelmed with the Flood.**

In like manner with the human body—if the skin, kidneys and bowels (the natural outlets for useless and corrupt humors) become so obstructed as to fail in affording a full discharge of these impurities which are in all cases

**THE CAUSE OF SICKNESS,**

we surely can expect no other results than that the whole frame will sooner or later be

**OVERHELMED WITH DISEASE.**

As in the first place, if we would prevent an inundation we must remove all obstructions, in order that there may be no hindrance to the free discharge of the superabundant waters. So, in the second place, if we would prevent and cure disease, we must open and keep open, all natural drains of the body.

**Wright's Indian Vegetable Pills of the North American College of Health,**

will be found one of the best in the very BEST MEDICINE IN THE WORLD for carrying out this beautiful and simple theory, because they completely cleanse the stomach and bowels from all bilious humors, and other impurities, and at the same time promote a healthy discharge from the lungs, skin and kidneys; consequently as all the natural drains are opened,

**DISEASE**

OF EVERY NAME IS LITERALLY

**DRIVEN FROM THE BODY.**

Caution.—As the great popularity and consequent great demand for Wright's Indian Vegetable Pills has raised up a host of counterfeiters, country storekeepers and agents will be on their guard against the many impostors who are travelling about the country selling to the unsuspecting a spurious article for the genuine.

It should be remembered that all authorized agents are provided with a certificate of agency, signed by WILLIAM WRIGHT, Vice President of the North American College of Health. Consequently, those who offer Indian Vegetable Pills, and cannot show a certificate as above described, will be known as impostors.

The following highly respectable storekeepers have been appointed agents for the sale of

**Wright's Indian Vegetable Pills,**

and of whom it is confidently believed the genuine medicines can be obtained: William Stewart, Huntingdon. Henry Bell, Antietam township. Robert McNamara, Newry. Samuel S. Isett, Tyrone township. Milliken & Kessler, Mill Creek. A. & N. Cresswell, Petersburg. Gemmel & Porter, Alexandria. Moore & Steiner, Water Street. Joseph Patton, Jr., Duncansville. H. H. McCoskey, Cullinsville. Wolf & Willet, Erie. Henry Brewster, Shirleysburg. Walter Graham, Yellow Springs. Office devoted exclusively to the sale of the medicine, wholesale and retail, No. 169 Race street, Philadelphia.

Beware of counterfeiters.—The public are respectfully informed that medicine purporting to be Indian Pills made by one V. O. Flack, are not the genuine

**Wright's Indian Vegetable Pills.**

The only security against imposition is to purchase from the regularly advertised agents, and in all cases be particular to ask for Wright's Indian Vegetable Pills.

**TO INVALIDS.**

How important it is that you commence without loss of time with **BRANDRETH'S PILLS.** They mildly but surely remove all impurities from the blood, and no case of sickness can effect the human frame, than these celebrated Pills do not relieve as much as medicine can do. Coughs and Croup are more benefited by the Brandreth Pills than by Lozenges and Candies. Very well, perhaps, as palliatives, but worth nothing as INDICATORS of diseases from the human system. The Brandreth Pills cure, they do not merely relieve, they cure. Diseases, whether chronic or recent, infectious or otherwise, will certainly be cured by the use of these all-sufficient Pills.

**CURE OF A CANCEROUS SORE.**

SING SING, January 21, 1843.

**DR. BENJAMIN BRANDRETH:**

Honored Sir,—

Owing to your debt of gratitude that money cannot pay, I am induced to make a public acknowledgment of the benefit my wife has derived from your invaluable Pills. About three years this winter she was taken with a pain in her arcle, which soon became very much inflamed, and swollen, so much that we became much alarmed, and sent for the doctor. During his attendance the pain and swelling increased to an alarming degree, and in three weeks from its first commencing it became a running sore. She could get no rest at night the pain was so great. Our first doctor attended her for six months, and she received no benefit whatever, the pain growing worse and the sore larger all the time. He said if it was healed it would be her death, but he appeared to be at a loss how to proceed, and my poor wife still continued to suffer the most terrible tortures. We therefore sought other aid, in a Botanical doctor, who said when he first saw her that he could soon cure the sore and give her ease at once. To our surprise he gave her no relief, and acknowledged that it quite baffled all his skill.

Thus we felt after having tried during one whole year the experience of two celebrated physicians in vain, in absolute despair. My poor wife's constitution rapidly failing in the prime of her years from her continued suffering. Under these circumstances we concluded that we would try your Universal Vegetable Pills, determined to fairly test their curative effects. To my wife's great comfort the first few doses afforded great relief of the pain. Within one week to the astonishment of ourselves and every one who knew the case, the swelling and the inflammation began to cease so that she felt quite easy, and would sleep comfortable, and, sir, after six weeks' use she was able to go to the house and again attend to the management of her family, which she had not done for nearly fourteen months. In a little over two months from the time she first commenced the use of your invaluable Pills her arcle was quite sound, and her health better than it had been in quite a number of years before. I send you this statement after two years test of the cure, considering it only an act of justice to you and the public at large. We are with much gratitude,  
Very respectfully,  
**TIMOTHY & ELIZA A. LITTLE.**

PS.—The Botanical Doctor pronounced the sore cancerous, and finally said no good could be done, unless the whole of the flesh was cut off and the bone scraped. Thank a kind Providence, this made us resort to your Pills, which saved us from all further misery, and for which we hope to be thankful.

Dear Sir:—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq. of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwebel, in which many other remedies had been tried without any relief.
