Whig Principles. The principal objects which, I suppose, engage the common desire and the common exertions of the Whig party, to bring about, in the Government of the United States are:

- 1. A SOUND NATIONAL CURRENCY, regulated by the will and authority of the nation.
2. AN ADEQUATE REVENUE, with fair protection to AMERICAN INDUSTRY.
3. JUST RESTRAINTS ON THE EXECUTIVE POWER, embracing further restrictions on the exercise of the veto.
4. A faithful administration of the PUBLIC DOMAIN, with an EQUITABLE DISTRIBUTION of the proceeds of sales of it among all the states.
5. AN HONEST and ECONOMICAL ADMINISTRATION of the GOVERNMENT, leaving public officers perfect freedom of thought and of the right of suffrage, but with suitable restraints against improper interference in elections.
6. An amendment of the Constitution, limiting the incumbent of the Presidential office to a SINGLE TERM.
These objects attained, I think that we should cease to be afflicted with bad administration of the Government.—Henry Clay.

Delegate Elections AT COUNTY CONVENTION.

The Democratic Whig voters of Huntingdon county are respectfully invited to meet in their respective boroughs, townships and districts on SATURDAY THE 10th OF AUGUST NEXT to elect two delegates from each of said boroughs and townships, to represent them in the County Convention, which will assemble in the borough of Huntingdon, on

Wednesday, the 14th of August, at 2 o'clock P. M., to nominate a County Ticket to be supported at the approaching general election, and also to appoint Congressional and Senatorial conferees, &c.

And in order to obviate the difficulties which have heretofore frequently existed by reason of the voters of some townships and districts disputing about the place of holding the delegate elections in their respective townships and districts, and in order to afford convenience to the voters, it is hereby directed that in all cases where a township or an election district is entitled to only two delegates, that the delegate election be held at the place fixed by law for holding the general election in each township or district, except in the township of Barree, where the usual place of holding at Ennisville is considered most convenient; and that said elections in the several boroughs and in the townships connected with boroughs in forming election districts, such as Blair, Shirley, Henderson, Porter, &c. &c. be held at the usual place of holding delegate elections wherever custom has designated a place for that purpose. And for the same reasons, it is further directed that in the townships, boroughs or districts, where the custom has been to hold the delegate elections in daylight, the election shall be opened at 3 o'clock P. M. and continue till 5—and where the custom has been to hold by candle light, the election shall be opened at half past 7 o'clock P. M. and continue till half past 9.

Candidates for the following offices are to be nominated by said Convention, viz: one member of Congress in conjunction with the counties of Centre, Mifflin and Juniata; one State Senator in conjunction with the county of Bedford; two Members of the House of Representatives; one Sheriff; one County Commissioner; and one Auditor.

The Democratic Whigs are earnestly invited to attend said elections, so that a full and satisfactory expression of the popular will may be brought into the Convention. By order of the County Committee. THEO. H. CREMER, Chairman. July 24, 1844.

Several articles on hand are deferred in order to make room for the lengthy notice of the meeting of the 24th.

Mr. Miles' Speech.

On the first page of this paper will be found a speech from J. G. MILES, Esq., of this place, delivered in the House of Representatives in 1841. It is on the Distribution of the Proceeds of the Sales of the Public Lands—a question involved in the approaching elections—and we therefore invite special attention to it at this time. Generally speaking, the one party takes it for granted that the measure is wrong and the other that it is wrong, and argue only on its expediency or in expediency. Mr. M., however, shows, by the deeds of cession &c., that the States have both a legal and an equitable right to demand a Distribution, and thus demolishes every objection to the measure.

The St. Louis New Era says.—"It is said that Emma, Joe Smith's wife, has had the box in which the dead body of Joe was carried from Carthage to Nauvoo, saved into suitable strips for walking canes, and that she is distributing them to her friends as mementos of the Prophet."

The Honorary Degree of Master of Arts was conferred on JOSEPH SAXTON, Esq. formerly of this place, by the University of Pennsylvania, at its annual commencement on the 15th inst.

GRIMES' PATENT Smut Machine.

For cleaning Wheat and other kinds of Grain. The subscriber having purchased from William C. Grimes, of York, Pa., the Proprietor of GRIMES' PATENT SMUT MACHINE, the exclusive right of said Machines in Huntingdon county, takes this method of recommending fresh said Machines to the citizens of Huntingdon county. The following CERTIFICATES have been furnished to the subscriber by well known millers, and are now laid before the public.

Mr. Grimes' Smut Machine.

This is to certify that I have been using one of Mr. Grimes' patent Smut Machines for a few weeks past, and consider it (judging only from what I have seen of it during said few weeks) the best Smut Machine in the country, as it cleans the grain without any loss or waste of it. The above machine was put in operation in the mill by Mr. Geo. Lay.

M. CROWNOVER, Huntingdon Mill, July 10, 1844.

Huntingdon County, Pa. July 2, 1844. Canoe Creek Mills. } HAVING in our mill one of Grimes' Patent Smut Machines, and having used the same for five months past, we certify that it is decidedly superior to any other kind of machines intended for the same purpose of which we have any knowledge, without the use of a fan. It thoroughly cleanses the wheat of all smut, white caps, &c. &c. and without waste of grain. We recommend it to millers as a machine well worthy their attention, and one which will most fully answer their most favorable expectations. D. BROOKE & SON.

BEING miller for a number of years I have had the opportunity of trying several kinds of Smut Machines but have never found any that would cleanse wheat so well with as little waste as Grimes' Patent Smut Machine. I have used it for a year or more and have not discovered that it is wearing any and runs very easy. GEORGE TRUBEY, Penn'a. Furnace Mill, June 28, 1844.

Morrison's Cove, July 6, 1844. This is to certify, that we have been using Grimes' Patent Smut Machine for sometime and find it to be far superior to Young's Machine as it thoroughly cleanses the worst of smut wheat, not only of smut, but also of other dirt and impurities, without any waste of wheat whatever. We had Young's Machine in use three years and had ample time to try it fairly, and we unhesitatingly declare it as our opinion that its construction is not on the principle of cleaning smut wheat as it loses too much wheat and won't clean smutty wheat; but in some cases when any quantity run through appeared to make it worse. We cheerfully recommend Grimes' Machine to millers as a perfect Smut Machine. HENRY H. SPEESE, Miller, (John Nichodemus' Mill.)

All orders addressed to the subscriber at Gettysburg, Adams county, Pa., will be punctually attended to. GEORGE LAY, July 24, 1844.—1mo. pd.

The Sheriffalty.

The following is a verbatim copy of a note written to his exceeding greatness: Franktown, April 29, 1844.

To his Excellency:— Does his Excellency conceive that I expected an answer to the prayer that I offered in August '42? I answer that I did not expect it, although had my prayer entered the ears of his Excellency, my word should have been adhered to, viz: that no man shall know it. As his Excellency saw proper to withhold his clemency, I have watched over the matter to the expense of \$120,00 in order to learn the avante of some. I would now in few words, inform his Excellency that I do know (with many other things) that his Excellency dined at Judge Wilkins' on the 11th August '43, and on the 12th of the same month I had a conversation with his Excellency's Warden of the west, and that dialogue communicates substantially to my mind how the matter came off. \$300,00 is the sum wrested. \$120,00 I expended to learn how the game was played, making in all \$420,00. I now offer a proposal in which his Excellency shall be a perfect free agent. (Proposition) If the \$420,00 are refunded before the 29th of next month, (May) I say again, as I said in my simple but earnest prayer, (no man shall know it;) but if his Excellency refuses the proposal, in all probability I may suggest some things that will be disagreeable to hear. His Excellency is free to act, either pro- or con. It is worth \$420 to know what I do. I listen at the Franktown Post Office until the 29th May. Your humble subject, DAVID J. CAMPFIELD.

Friends of Restitution:— Agreeable to the rule, that in some instances has met with retaliation, my claim is in accordance—it is replete with persecution. But I have no desire to say any thing that may tend to wound the fine feelings of any person, therefore suffice it when I say To all the Whig members of the county Convention, The cause that brought me out, is worthy some attention— You see it far surpasses that of any opponent, Because it had its rise at the seat of Government. Now friends of restitution, incline your hearts to me, In granting a Sheriff's diploma, to move among you free— Then at the expiration of the coming three years, I'll return to you my thanks with music to your ears. The time is drawing near and coming very soon, When my friends I wish you to favor this free Cook— Prayed he and has prayed too, and he is loath to quit, But he must leave it for you, to give the SO—BE—IF.
