Candidates for Congress.

Since the declination of the Hon. JAMES IRVIN, the Locofocos have been bringing out their respective favorites as candidates for Congress. The names of Dr. Joseph Henderson and Ephraim Banks, Esq., of Mifflin, and Dr. J. M. Gemmill, of this county, have been nominated as the candidates for the Locofoce nomination.

Poor Mr. Tyler had nothing under Heaven but his Texas capital to trade upon, and the Locofocos have feloniously robbed him of that. It would hardly be more disgraceful to pilfer the contents of the wallet of a street-beggar.—*Prentice*,

THE subscriber would respectfully inform he citizens of Huntingdon and the adjoin-ng counties, that he still continues to car-y on business at the Rockdale Foundry, on lover Creek, two miles from Williams-ung, where he is prepared to execute all orders in his line, of the best materials and workmanship, and with promptness and de-patch. ing confident that such representations are unau-thorized by me. I will now very briefly state my views. I am opposed to the Uutopian Free Trade doc-trines manufactured by English writers and orators for the purpose of deluding Americans, and sub-serving British interest. I am in favor of the Ta-riff of 1842, and if it is insufficient to prevent the overgrown wealth of British establishments, from gluting our markets to the injury of our own, young manufacturing establishments, I would be in favor of raising the duties, so as to give our own people the preference in furnishing our markets with ever article they can manufacture. A striet adherence to this policy will give us what we most need, a good and certain market for our surplus ag-ricultural products, and prevent those ruinous fluc-tuations of prices, under the operation of which, we, as a nation, have suffered so much. I am in favor of the creation by Congress of an institution which will aid the Government in col-lecting, transmitting and disbursing the public re-venue. Without such an institution we cannot have a sound National Currency, that will pass in all parts of the Union Without being shaved by the broket. I am indifferent as to the name: I care not whether it be called Bank or something else, so that those who are to manage it be made amenable to criminal prosecutions, and fine and imprisoment for mal-practices. I am in favor of the State, and render resort to more odious and oppressive Taxation unneces-sary. I am opposed to the annexation of Texas: be-cause in every aspect in which the question has spatch. He will keep constantly on hand stoves of every description, such as
