

TWENTY GOOD REASONS.
Why Texas should not be annexed to the United States.

1. Because there is nothing in the Constitution to authorize the acquisition of new territory, particularly when involving a declaration of war.
2. Because, to annex Texas, whilst at war with Mexico, a power with which we are at peace, and to which we are bound to be neutral, violates our treaty obligations.
3. Because such a violation is wrong, and dishonors us in the sight of all civilized nations.
4. Because we shall, by such a step, be involved in an unjust war, and in an unholy cause.
5. Because such a war, with such motives and for such an object, cannot be prosecuted with union, zeal, spirit or complete success.
6. Because the design, in opening the subject at this time, is evidently to promote the ambition of John Tyler, without regard to the interests of the country.
7. Because the matter has not been deliberately considered by the people of this country, nor their views expressed.
8. Because the whole course of the negotiation is dishonorable and degrading to our country, whose dignity has been sacrificed and overlooked to gratify private and personal ends.
9. Because, this country has just emerged from great disorders of currency and commerce and needs rest from trouble and agitation, and is not in a fit state to involve herself in new difficulties and embarrassments.
10. Because it would weaken any remonstrance or opposition on our part against the acquisition of Cuba by Great Britain.
11. Because it would be an act of cowardice and oppression towards Mexico, as a weak nation, which we should hesitate to perpetrate towards a stronger one.
12. Because we have land enough within our present boundaries—more than can be well cultivated or properly occupied.
13. Because, to fill up Texas a draft will be made upon the Southern States, and the new country will be filled up by the expense of the old.
14. Because in thus depopulating the Southern States, their political and moral influence would be diffused and weakened, and the loss would outweigh the gain.
15. Because, in a thinly settled country, the difficulties of education, of social, moral, and intellectual improvement, are increased, while in a floating population the love of country must always be weak.
16. Because where population is sparse, agriculture must be backward and in effect partial.
17. Because the United States would have to assume a debt of ten millions of dollars, and what we are unwilling to do for our own States we ought not to do to foreigners.
18. Because the increase in the quantity of public lands would decrease the value of those we already possess.
19. Because our Government is already sufficiently unwieldy, and sectional jealousies already render it sufficiently difficult to preserve our Union, while the precedent would be a bad one, lead to dissention, and perhaps sow the seeds of civil war.
20. Because the present boundary of the Sabine was fixed by Wm. H. Crawford, John C. Calhoun, Wm. Wirt, James Monroe, in preference to the Rio Grande, for reasons which were then satisfactory.

Keep it before the People.
That James K. Polk, the Locofoco candidate for President, in a speech delivered on the 3d of April 1843, declared that he considered "Distribution and a PROTECTIVE TARIFF RUINOUS to the interests of the country;" and that he "STEADILY AND AT ALL TIMES OPPOSED BOTH."
Keep it before the People.
That this same James K. Polk voted for the Tariff of 1832
"BECAUSE it was a REDUCTION of the rates of the act of 1828 though BY NO MEANS SO LOW AS HE WOULD HAVE DESIRED IT TO BE."
Keep it before the People.
That James K. Polk is in favor of the odious Sub-Treasury scheme, which the people so signally rejected in 1840; and that if his party should be successful they are pledged to revive it.
Keep it before the People.
That James K. Polk has been twice beaten for the office of Governor of Tennessee—absolutely repudiated by the People of his own State as unworthy and unfit to be entrusted with the reins of Government.
Keep it before the People.
That J. K. Polk when in Congress voted to tax the Poor Man's tea and coffee, at a time when the Government had millions of surplus revenue.
Keep it before the People,
That James K. Polk was a great advocate of the Pet Bank system—than which a more shallow and disastrous scheme is not to be found in the annals of our country's Legislation.
Keep it before the People.
That the Rev. Mr. Muhlenberg, in Congress, in the year 1832, wrote to the "Reading Eagle" as follows:
"In my opinion the United States can never prosper in the absence of a UNITED STATES BANK or an institution similar to that one."

GRIMES' PATENT Smut Machine.
For cleaning Wheat and other kinds of Grain.
THE subscriber having purchased from William C. Grimes, of York, Pa., sole Proprietor of GRIMES' PATENT SMUT MACHINE, the exclusive right of said Machines in Huntingdon county, takes this method of recommending afresh said Machines to the citizens of Huntingdon county.
The following CERTIFICATES have been furnished to the subscriber by well known millers, and are now laid before the public.

Mr. Grimes' Smut Machine.
This is to certify that I have been using one of Mr. Grimes' patent Smut Machines for a few weeks past, and consider it finding only from what I have seen of it during said few weeks) the best Smut Machine in the country, as it cleans the grain without any loss or waste of it. The above machine was put in operation in the mill by Mr. Geo. Lay.
M. CROWNOVER,
Huntingdon Mill, July 10, 1844.

Huntingdon County, Pa.
July 2, 1844, Canoe Creek Mills. }
Having in our mill one of Grimes' Patent Smut Machines, and having used the same for five months past, we certify that it is decidedly superior to any other kind of machines intended for the same purpose of which we have any knowledge, without the use of a fan. It thoroughly cleanses the wheat of all smut, white caps, dust, &c., without waste of grain. We recommend it to millers as a machine well worthy their attention, and one which will most fully answer their most favorable expectations.
D. BROOKE & SON.

BEING miller for a number of years I have had the opportunity of trying several kind of Smut Machines but have never found any that would cleanse wheat so well with as little waste as Grimes' Patent Smut Machine. I have used it for a year or more and have not discovered that it is wearing any and runs very easy.
GEORGE TRUBEY,
Penn's. Furnace Mill, June 28, 1844.

Morrison's Cove, July 6, 1844.
This is to certify that we have been using Grimes' Patent Smut Machine for some time and find it to be far superior to Young's Machine as it thoroughly cleanses the worst of smut wheat, not only of smut, but also all other dirt and impurities, without any waste of wheat whatever. We had Young's Machine in use three years and had ample time to try it fairly, and we unhesitatingly declare it as our opinion that its construction is not on the principle of cleaning smut wheat as it loses too much wheat and won't clean smutty wheat; but in some cases when any quantity run through appeared to make it worse. We cheerfully recommend Grimes' Machine to millers as a perfect Smut Machine.

Dr. Moffat's Life Pills
AND
PHENIX BITTERS.
The perfectly safe, unerring and successful treatment of almost every species of disease by the use of Dr. MOFFAT'S LIFE MEDICINES, is no longer an experiment; as a reference to the experience of many thousand patients will satisfactorily prove. During the present month alone, nearly one hundred cases have come to the knowledge of Dr. MOFFAT, where the patient has to all appearance, effected a permanent cure by the exclusive and judicious use of the Life Medicines—some eight or ten of these had been considered hopeless by their physicians. Such happy results are a source of great pleasure to Dr. M., and inspire him with a new confidence to recommend the use of his medicines to his fellow citizens.
The LIFE MEDICINES are a purely Vegetabile preparation. They are mild and pleasant in their operation, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acrimonious humours, and assimilating and purifying the blood. For this reason, in aggravated cases of Dyspepsia, the Life Medicines will give relief in a shorter space of time than any other prescription in Fever and Ague, Inflammatory Rheumatism, Fevers of every description, Sick Headaches, Heartburn, Dizziness in the Head, Pains in the Chest, Flatulency, Impaired Appetite, and in every disease arising from impurity of the blood, or a disordered state of the stomach, the use of these medicines has always proved to be beyond doubt, greatly superior to any other mode of treatment.
All that Dr. Moffat asks of his patients is to be particular in taking them according to the directions. It is not by a newspaper notice, or by anything that he may say in their favour, that he hopes to gain credit. It is alone by the result of a fair trial. Is the reader an invalid and does he wish to know whether the Life Medicines will suit his own case? If so, let him call at the office of the agent, and procure a copy of the Good Samaritan, published gratuitously. He will there find enumerated very many extraordinary cases of cure; perhaps some exactly similar to his own

WRIGHT'S Indian Vegetable Pills.
If, during the continuance of storms and floods, the channels of
OUR MIGHTY RIVERS
become so obstructed that an insufficient outlet for the superabundant waters, we can expect nothing but a full discharge of those impurities which are in all cases
Overwhelming the Flood
In like manner, in a human body—if the skin, kidneys, lungs (the natural outlets for useless humors) become so obstructed as to fail in affording a full discharge of those impurities which are in all cases
"THE CAUSE OF SICKNESS,"
we surely can expect no other results than that the whole frame will sooner or later be
OVERWHELMED WITH DISEASE
As in the first place, if we would prevent an inundation we must remove all obstructions, in order that there may be no hindrance to the free discharge of the superabundant waters. So, in the second place, if we would prevent and cure disease, we must open and keep open, all natural drains of the body.
Wright's Indian Vegetable Pills of
North American College of Health,
will be found one of the best in not the very BEST MEDICINE IN THE WORLD for carrying out this beautiful and simple theory, because they completely cleanse the stomach and bowels from all bilious humors, and other impurity, and at the same time promote a healthy discharge from the lungs, skin and kidneys; consequently as all the natural drains are opened,
DISEASE
OF EVERY NAME IS LITERALLY
DRIVEN FROM THE BODY.
Caution.—As the great popularity and consequent great demand for Wright's Indian Vegetable Pills has raised up a host of counterfeiters, country storekeepers and agents will be on their guard against the many impostors who are travelling about the country selling the unsuspecting a spurious article for the genuine.
It should be remembered that all authorized agents are provided with a certificate of agency, signed by WILLIAM WRIGHT, Vice President of the North American College of Health. Consequently, those who offer Indian Vegetable Pills, and cannot show a certificate as above described will be known as impostors.
The following highly respectable storekeepers have been appointed agents for the sale of
Wright's Indian Vegetable Pills,
and of whom it is confidently believed the genuine medicines can be obtained:
William Stewart, Huntingdon.
Henry Leamer, Holidaysburg,
B. F. Bell, Antes township,
Robert McNamara, Newry,
Samuel S. Iselt, Tyrone township,
Milliken & Kessler, Mill Creek,
A. & N. Cresswell, Petersburg,
Gemmel & Porter, Alexandria,
Moore & Steiner, Water Street,
Joseph Patton, Jr. Duncansville,
R. H. McCormick, Collinsville,
Wolf & Willet, Frankstown,
Henry Brewster, Shirlersburg,
Walter Graham, Yellow Springs.
Office devoted exclusively to the sale of the medicine, wholesale and retail, No. 169 Race street, Philadelphia.
Beware of counterfeits.—The public are respectfully informed that medicine purporting to be Indian Pills made by one V. O. Flack, are not the genuine
Wright's Indian Vegetable Pills.
The only security against imposition is to purchase from the regularly advertised agents, and in all cases be particular to ask for Wright's Indian Vegetable Pill.
