Mr. Grimes' Smut Machine.

This is to certify that I have been using one of Mr. Grimes' patent Smut Machine for a tew weeks past, and consider it 'judg' ing only from what I have seen of it during said few weeks) the best Smut Machine in the country, as it cleans the grain without any loss or waste of it. HAVING in our mill one of Grimes' Patent Smut Machines, and having used the same for five months past, we certify that it is decidedly superior to any other kind of machines intended for the same purpose of which we have any knowledge, without the use of a fan. It thoroughly cleanses the wheat of all Smut, white caps, dust, &c., without waste of grain. We recommend it to millers as a machine well worthy their attention, and one which will most fully answer their most favorable expectations.

D. BROOKE & SON.

Bring miller for a number of years I have had the opportunity of trying several kind of Smut Machines but have never found any that would cleanse wheat so well with as little waste as Grimes' Patent Smut Machine. I have used it for a year or more and have not discovered that it is wearing chine. I have used it for a year or morand have not discovered that it is wearing any and runs very easy.

"Tais is to certify, that we have been using Grimes' Patent Smut Machine for sometime and find it to be far superior to Young's Machine as it thoroughly cleanses the worst of smut wheat, not only of smut, but also all other dirt and impureties, without any waste of wheat whatever. We had Young's Machine in use three years and had ample time to try it fairly, and we unhesitatingly declare it as our opinion that its construction is not on the principle of cleaning smut wheat as it loses too much wheat and won't clean smutty wheat; but in some cases when any quantity run through appeared to make it worse. We cheerfully recommend Grimes' Machine to millers as a perfect Smut Machine. chine. HENRY H. SPEESE, Miller, (John Nichodemus' Mill.)

Dr. Moffat's Life Pills

PHENIXBITTERS

PHENIX BITTERS.

The perfectly safe, unerring and successful treatment of almost every speices of disease by the use of Dr Moffat's Life Medicines, is no longer an experiment; as a reference to the experience of many thousand patients will satisfactority prove. During the present month alone, nearly one hundred cases have come to the knowledge of Dr. Moffat, where the patient has to all appearance, effected a permanent cure by the exclusive and judicious use of the Life Medicines—some eight or ten of these had been considered hopeless by their physicians. Such happy results are a source of great pleasure to Dr. M., and inspire him with a new confidence to reccommend the use of his medicines to his fellow citizens.

his fellow citizens.

The Life Medicines are a purely Vegerable preparation. They are mild and pleasant in their operation, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acrimonious humours, and assimilating and purifying the blood. For this reason, in aggravated cases of Dyspepsia, the Life Medicines will give rehefin a shorter space of time than any other prescription. In Fever and Ague, Inflammatory Rheumatism, Fevers of every description, Sick Headaches, Heartburn, Deziness in the Head, Pauns in the Chest, Flatulency, Impaired Appetite, and in every disease arising from impurity of the blood, or a disordered state of the stomach, the use of these medicines has always proved to be beyond doubt, greatly superior to any other mode of treatment.

All that Dr. Moffat asks of his patients is to be particular in taking them according to the directions. It is not by a newspaper notice, or by any thing that he may say in their favour, that he hopes to gain credit. It is alone by the result of a fair trial. Is the teader an invalid and does he wish to know whether the Life Medicines will suit his own case? If so, let him call at the office of the agent, and procure a copy of the Good Samaritan, published gratuitously. He will there find enumerated very many extraordinarty cases of cure; perhaps some exactly similar to his own Sold by Jacob Miller, Huntingdon.

Philadelphia Package Sales of Boots and Shoes, very Tuesday morning, at 10 o'clock,) BY G. W. LORD.

CARD.—A combination having been formed by a portion of the Dealers in Boots and Shoes of this city, with the avowed object of suppressing the sale of those goods by auction, it seems proper for the subscriber, (who has held these sales for the past eighteen months) to state that not with standing this combination, the sales will not be stopped, but on the contrary, as he will now rely more than ever on the patronage of the country Merchants, the sales will be held every Tuesday morning, at the auction store, 208 Market Street, and his arrangements with the Manufacturers, both of this city and all New England, are such as to insure him a constant and full supply of every description of goods.

The mere tact of so great an effort being made to put down these sales, is the best evidence the country Merchants can have, that it is for his interest to sustain them.
