At the same time we will make no objection to taking new subscribers.

THE FULL TICKET.
The Senatorial Conference met on Wednesday last, in pursuance of adjournment, and nominated JOHN MORRISON, of this county, for Senator. Mr. M. is a highly respectable Farmer of Shirley township, and represented this county in the House of Representatives, a few years ago.

The Whigs of the counties of Huntingdon and Bedford will ratify this nomination by a handsome majority.

Whigs of Huntingdon county—Friends of Clay, Frelinghuysen and the Country!—turn out to the polls on the second Tuesday of October, and elect the patriotic Gen. Marble and the whole County Ticket by an unprecedented majority; and all will be well at the Presidential election.

PROCEEDINGS OF MEETINGS.
It is impossible to publish at this time, the proceedings of the Whig meetings, they are becoming so numerous and enthusiastic. We like to see these demonstrations, and we are sorry that we cannot bestow upon them the favorable notices which they deserve.

We are informed that the southern portion of this county is completely covered with half sheets, issued from the Bedford Gazette office, freighted with falsehoods—"Locofoco Lies"—by George W. Bowman, a pardoned convict. Whigs, be on your guard! Look out for Locofoco FORGERIES, SLANDERS and all manner of VILLANOUS LIES and DECEPTION on the eve of the election. Scoundrels who have PARDONS in their pockets DARE do any thing.

THE HOLLIDAYSBURG MEETING.
This is admitted on all hands to have been the greatest display of popular strength ever witnessed in the interior of Pennsylvania. We have heard the number in attendance variously estimated—from 5,000 to 10,000.

The delegation from this place, and all others traveling in canal boats, were greatly annoyed by "Texians," who threw large stones into the locks, so as to come in contact with the gates—drew the water from levels, to lower the boats into the mud, and all such like amusements. Such is the "democracy" of the Locos.

"ROAST BEEF DEMOCRATS," new patent, we suppose. Inquire of the Huntingdon Globe.

Mr. Blanchard and Dr. Henderson.

The Hollidaysburg "Standard" makes an extract from our article relative to the nomination of honest JOHN BLANCHARD, "for the purpose," as its sapient editor says, "of proving" the identity of the Whigs of 1844 with the Federalists of 1798!

The same paper contains a number of quotations alleged to be from the writings of Adams and Hamilton—and adds that Mr. Blanchard is a disciple of the one and an admirer of the political character of the other.

The Standard also contains an article, nearly a column in length, announcing the nomination of Dr. Joseph Henderson, by the Locofocos; but not a word can we find in it to give us a cue to his principles, or the measures he is in favor of. In substance, we are told that he is just the man for the "democracy"—that he is a "war-worn veteran"—a "certificated" hero!

Most contemptible demagoguism! This is the "democratic" plan of the Locofocos for carrying on the contest. Thus are they putting out extracts—sending up the rain-bow-colored soap-bubbles, to catch the gaze of the lovers of the beautiful. They are declaiming about "democracy" and heroism, to enchain the minds and excite the feelings of the soft and the credulous. And all this is done for the purpose of drawing the PUBLIC ATTENTION FROM THE TRUE QUESTIONS AT ISSUE IN THE CONTEST!

The sentiments quoted cannot be dragged into the question now before the electors of this Congressional district. They were propagated prior to the adoption of the present National Constitution—they relate to the formation of Government, and not to its administration. Mr. Dougherty fails most signally in connecting Mr. Blanchard with those sentiments. Our candidate never, by word, act, or deed, endorsed them.

JOHN BLANCHARD is the advocate of the Protective Tariff Policy—the Whig Tariff of '42. He is in favor of the Distribution of the proceeds of the Public Lands—a Sound National Currency—the One-Term principle—Rotation in office, &c. If this is Federalism, he glories in it! To these measures and principles Dr. Henderson is opposed; but the Locofoco editors never tell their readers a word of this.

DR. JOSEPH HENDERSON is the advocate of the condemned Sub-Treasury System, and the Van Buren Policy, as practiced from 1837 to 1841. He is in favor of the Annexation of Texas to the United States, &c. Mr. Blanchard is opposed to all these. But this, too, the Locofoco editors are studious to conceal from their benighted readers.

No one, we trust, will be misled by such deceptive tricks and delusive cant as that which fills the Locofoco papers of this county. Let all bear in mind that the most vital interests of the country are at stake, and must be determined for weal or woe at the approaching election.

That Challenge.
In our paper of the 4th inst. we proposed to publish the letter of Thomas L. Hamer, relative to his neighbor of the "Globe" would publish the letter of Rev. Dr. Bascom, relative to the moral character of Mr. Clay.

The Globe of last week accordingly contains Dr. Bascom's letter, prefaced, however, by scurrilous remarks from some one of its editorial scribblers, occupying as much room as the letter itself. The letter is followed by a few paragraphs, purporting to be extracts from Greeley and M. Elrath's Life of Clay, which show what no one denies, that Mr. Clay, in early life, fought bloodless duels. These extracts are accompanied with nearly two columns of the old, stale, stereotyped slanders fabricated by Amos Kendall and his satellites, to prove that Henry Clay is a gambler—profane swearer—Sabbath-breaker—and murderer. The whole is then wound up by this silly banter: "Will the Journal dare to publish these extracts side by side with the letter we have given publicity?"

We reply, that in view of all the harm it would do Mr. Clay or the Whig party, we DARE fill up our paper with the oft-refuted slanders of the Globe. But we do not choose to soil our columns with such slang, and violate truth, outrage decency and insult the dignity of our readers.

The letter of Mr. Hamer we give, agreeably to our promise.

Markle and Shunk.
Three years ago, when Judge Banks was our candidate for Governor, some of the Locos rallied out lustily against Judges and Lawyers. Now, when Lawyer Shunk is the candidate on the other side, "a change has come over the spirit of their dream."

A SPECIMEN OF THE FINE ARTS.
A few days ago we saw, in Henderson township, a Hickory Pole, bearing three streamers of carpet rags—brown, yellow and black—and a white muslin banner, with this inscription painted on it:

K T O P
S A T T A D
S A X E T

We were amused to see a wag of a lad try to stand on his head to read the Locofoco "principles."

Mr. Shavetail is again in the market, as we learn from the following advertisement in the Globe of last week.

"The Iron-toothed Rake is about; so stand from under."
Who bids? Having felled his late dupes as much as they can stand, his services are now had—cheap for cash—by any candidate party that gives the highest and best bid. A W

We have been furnished with a notice of a Locofoco meeting held in Cassville, on Wednesday evening last. It consisted, we are informed, of nine or ten of the Anti-Tariff party, as they are there called. E—D—S, a. h. k. &c. addressed the meeting in a most execrating style. This is all the room we can allot to so small an affair.

THE "PEOPLE" ARE COMING!

A SCREW LOOSE!
Fellow Citizens or Free Electors of Huntingdon county:

I understand that the late delegate meeting has seen fit to select me as your candidate for the Auditorship of this county—as I was not apprized of that fact before the adjournment of the delegates, and hence had not the privilege of declining the nomination, I think it my duty with all due respect to the motives of those who have done me the honor, thus publicly to withdraw my name from the canvass. I have often declared that I coveted no office of trust or profit, and must now reiterate the same sentiment. I never could consent to be a candidate for any such position, unless it were the spontaneous will of the people, to which I probably would submit; but last of all, under the present circumstance, when I could reasonably expect support only from men whose principles I deem detrimental to the best interest of our country, I cannot approve of the manner in which the Antimasonic and Whig nominations of a few past years and of the present year have been made, that is of selecting men to fill our offices who previously take care to urge strongly upon the community their claims for their posts, and I honestly believe that good, competent and patriotic men will never be obtained in such a way. The people have a right and ought to exercise it of choosing those whom they esteem the most trusty and honest to perform their business, independent of the impertinent claims of any of their number. Whatever I might do on other occasions or at another time, I am at the present crisis, when the people have so much at stake, utterly opposed to any effort to defeat the regularly nominated Antimasonic and Whig ticket of this county.

JAMES DYSART.
Franklin township, Sept. 20, 1844.

Another Screw Loose!
We learn from the Globe—the denying organ of the "Mongrels"—that Mr. John Bumbaugh has declined the nomination of Jake Creswell's party for Commissioner, and that Dr. Jacob Hoffman has been substituted.

A SPOKE BROKE!
We are authorized to state that Thomas Johnston, declines the nomination for Assembly, tendered to him by the "Mongrel" Convention, on the ever memorable 10th of September. Sheriff Johnston supports the regular nominations of the 12th of August.

A Linch-pin Lost!
GRAYSPORT, Sept. 21, 1844.

Mr. Editor:—Sir, after my respects, I would solicit a place in your paper for my declaration of the nomination made at the 10th September Convention, held in Huntingdon, at which time and place I was nominated for the office of Sheriff.

To the Electors of Huntingdon county:
FELLOW CITIZENS:—Having been nominated for the office of Sheriff, by a Convention of delegates from the people, assembled at Huntingdon, on the 10th inst., I respectfully tender my thanks to my friends who nominated me and those who felt disposed to support me, and decline being a candidate for the reason that Mr. Matthew Crownover has announced himself a candidate for the same office; he is a candidate in direct opposition to the Whigs of this county, and cannot fall of the support of that Convention and party. I therefore would solicit my friends to view the matter in its proper light and then vote for Mr. Armitage, whose ability to fulfill the duties of the office no one can doubt. United we stand; and divided we fall! Whigs to your post!

NATHANIEL LYTLE.
"So the poor old wagon won't run no more," and the colt "Shavetail" is streaking it for the big timber with the "swingletree" clattering at his heels. We hope he will be "UNHOOKED!"

Truth Well Told.
A writer in the Kennebec Journal thus concludes an able article:—If we look at the points connected with the coming election, what will follow the success of either candidate? If Henry Clay is elected we shall have a President whose talents and statesmanship the nation will be proud of.

We shall have the Union as it is;
We shall have no annexation of Texas;
We shall have no war with Mexico;
We shall not assume the debt of Texas;
We shall not add new slave territory;
We shall hold on to the present Tariff;
We shall have a friend to Protection;
We shall have a friend to American Industry;
We shall have a friend to the right of petition;
We shall have a uniform Currency;
We shall have no vetoes;
We shall have economy in the Government;
We shall have the price of labor kept up;
We shall have the price of wool kept up;
We shall have our share of the Public Lands;
We shall have an American with American principles;
We shall have a good President and good times;
—If James K. Polk is elected, how reversed will be the state of affairs—how different the scene! "If we ask for bread he will give us a stone." We shall have a Pharaoh, and no Moses to stay his hand. The United States will be like Texas, if not like Egypt—darkness will cover the land.

We shall have a Revenue Tariff;
We shall have no Protection;
We shall have no Right of Petition;
We shall have no Distribution;
We shall have war upon the Banks;
We shall have war with Mexico;
We shall have wool "duty free";
We shall have labor at European prices;
We shall have the condemned Sub-Treasury Bill;
We shall have the "Two HUNDRED THOUSAND Standing Army";
We shall have one Currency for Government, and another for the people;
We shall assume the debt of Texas;
We shall have a Southern man with Southern principles;
We shall have Polk, Dallas & Texas, instead of Clay, Frelinghuysen and the Union as it is. Let every man vote, and let every man see for whom and for what he votes.

Tennessee, Georgia, and Virginia.
The U. S. Gazette says:—"We have late and reliable information from Tennessee, which assures us that Clay's majority will not be less than 8000, and probably 10,000.—And we have equally gratifying intelligence from Georgia and Virginia. There is no doubt whatever as to the result of the approaching election in these States. Our friends may rely upon it that the electoral votes of both these States will be given for Henry Clay.

CLAY, FRELINGHUYSEN AND Gen. Markle.

"We'll give them a touch of that same old tune, We'll give them a sight of that same Old Coon; They'll see him again by the light of the moon, Hurrah for the Farmer of Ashland!"

One fire more along the whole Whig line!

POLK FOR TAXING TEA AND COFFEE.
The opinion is for the cotton growers, of the South, but the "democracy" are always horrified at the idea of taxing tea and coffee! Let us see how Mr. Polk stands on this question. In 1833, Mr. Polk was a member of the Committee of Ways and Means, who ch ch committee proposed to impose a duty of twenty per cent. on Tea and Coffee, at the time they were duty free. A proposition was made to strike them out from the reported bill, so as to leave them duty free. MR. POLK VOTED AGAINST THE PROPOSITION, AND IN FAVOR OF TAXING TEA AND COFFEE!

POLK AGAINST REVOLUTIONARY PATRIOTS.
On the passage of the bill, March 13, 1828, for the relief of surviving officers of the revolutionary war, Mr. Polk voted IN THE NEGATIVE.—Cong. Deb., vol. 4, part 2, page 2,670.
March 18, 1830, he voted AGAINST the revolutionary pension bill.—Same, vol. 5, part 1, page 629.

March 19, "Mr. Polk spoke some time against the bill," and voted against it.—Same, page 635.
February 17, 1831, he voted against the bill for the relief of revolutionary soldiers.—Same, vol. 7, page 740.
May 2, 1832, he voted against the revolutionary pension bill.—Same, vol. 8, part 2, page 2,713.

The proceedings of a large and respectable Whig meeting held at Newburg, Tod township, on Saturday last, are before us. Col. John Stever presided, assisted by J. R. Gosnell, David Aurandt, Amos Lovell and Amos Houck, Vice Presidents, and Eli Plummer and Nathan E. Everett, Secretaries. A Pole was raised, after which the meeting was addressed by Jonathan Lias, Esq. and Wm. Brothers. The Cassville and Cass township Clay Club attended, in a body, under the direction of their chief marshal, Joshua Greenland, Esq. Our space will not admit a more extended notice.

Clay on the Tariff of 1842.

The Committee that addressed Col. Polk, subsequently addressed the following letter to the Hon. Henry Clay. The reply of Mr. Clay, which was promptly given, is also subjoined:

CARLEISZ, Sept. 2, 1844.
Hon. HENRY CLAY,
Dear Sir:—The undersigned, members of a Committee appointed by a Democratic meeting of citizens of Dickinson township, Cumberland county, Pennsylvania, held at Cumberland Hall on the 20th day of July last, in accordance with a resolution of said meeting, addressed the following letter to the Hon. James K. Polk, viz:

CARLEISZ, July 24, 1844.
Hon. JAMES K. POLK,
Dear Sir:—At a meeting of the Democrats of Dickinson township, of this (Cumberland) county, the undersigned persons were appointed a Committee to address you on the subject of the Tariff, and inquire:

1st. Are you in favor of the Tariff Act of 1842? 2d. Would you, if elected, support that Act as it is without modification, or would you be in favor of modifying it?

With every desire to support and uphold the democratic nominees, we must respectfully request a distinct and positive answer to the above interrogatories. Very respectfully, your most obedient servants,
T. C. MILLER, and others.
As more than sufficient time has elapsed, and no answer received from Col. Polk, we now beg leave to propound the same interrogatories to you, respectfully requesting your answer to the same with the least possible delay. In the meantime we remain, very respectfully, your obedient servants.
F. C. MILLER,
HENRY LYNCH,
MONT. DONALDSON,
JOHN MOORE,
MARTIN SNYDER,
JOSHUA SELLERS,
BENJAMIN PEPPER,
JOHN MYERS.

MR. CLAY'S ANSWER.

ASHLAND, 9th Sept. 1844.
Gentlemen:—I this day received your letter, addressing two enquiries to me, "1st. Are you in favor of the Tariff Act of 1842?" and "2dly. Would you, if elected, support that Act as it is, without modification, or would you be in favor of modifying it?"

I have so often, gentlemen, expressed my opinion in favor of the Tariff of 1842, that the only regret I feel is that you should deem it at all necessary to request any renewed expression of it. Nevertheless, I take pleasure in complying with your request, in saying that I am of opinion that the operation of the Tariff of 1842 has been eminently salutary; THAT I AM DECIDEDLY OPPOSED TO ITS REPEAL; that I should regard its repeal as a great National calamity; and that I am unaware of the necessity of any modification of it. I am, therefore, opposed alike to its repeal or modification. A fixed and stable policy is what the country now most needs; and I sincerely hope that the Tariff of 1842 may be maintained, and thus afford a security for that desideratum.
I am, respectfully,
Your obd't servant,
H. CLAY.

Messrs. Miller, Lynch, Donaldson, Moore, Sellers, Snyder, Pepper and Myers.

PICTURE OF HEALTH.—Health is characterized in an individual by the absence of all pain, suffering or affection in any part of his body; by the free and regular exercise of all his functions without any exception. They consist in having a good appetite at meal times, an easy digestion, free evacuations, without looseness or costiveness at least once in every twenty-four hours, and without heat, dryness, or burning at the passage; the free issue of water without acrimony or burning, and without a reddish sediment which is always a sign of a present or an approaching pain; quiet sleep without agitation or troublesome dreams; no taste of bile or other bad taste in the mouth upon rising in the morning; no sourness or disagreeable rising of the stomach; a clean tongue; a sweet breath; no itching, pimples or spots on the skin; no piles; no burning heat upon any part of the body; no excessive thirst when unexposed to labor or other known cause; no interruption to any natural evacuation, nor pain at their periodical return.

Where the state of the system does not harmonize with the above picture of health, it is of the greatest importance that no time be lost in sending for a doctor, or in the use of foolish remedies (too often the result of speculation; instead of this course let a dose of Brandreth's Pills be taken, which will not deceive, but will at once restore health to the organ or part that requires it. All who wish to preserve the health of all who are determined to defend their life against the encroachments of disease which might send them prematurely to the grave, will, without hesitation, have recourse to the Brandreth Pills, when the state of the system does not harmonize with the above picture of health.

Those who live in a country where contagious or other diseases prevail, should often think of this true picture of health, and observe himself with particular attention, in order to act accordingly. The wise and rightly direct will follow this advice—the unwise are left to their own destruction.
Dr. Brandreth's Pills are for sale by the following Agents in this county:
