

GRIMES' PATENT Smut Machine.
For cleaning Wheat and other kinds of Grain.
The subscriber having purchased from William C. Grimes, of York, Pa., sole Proprietor of GRIMES' PATENT SMUT MACHINE, the exclusive right of said Machine in Huntingdon county, takes this method of recommending said Machines to the citizens of Huntingdon county.
The following CERTIFICATES have been furnished to the subscriber by well known millers, and are now laid before the public.

Mr. Grimes' Smut Machine.
This is to certify that I have been using one of Mr. Grimes' patent Smut Machines for a few weeks past, and consider it (judging only from what I have seen of it during said few weeks) the best Smut Machine in the country, as it cleans the grain without any loss or waste of it. The above machine was put in operation in the mill by Mr. Geo. Lay.
M. CROWNOVER.
Huntingdon Mill, July 10, 1844.

Huntingdon County, Pa.
July 2, 1844. Canoe Creek Mills. }
Having in our mill one of Grimes' Patent Smut Machines, and having used the same for five months past, we certify that it is decidedly superior to any other kind of machines intended for the same purpose of which we have any knowledge, without the use of a fan. It thoroughly cleanses the wheat of all smut, white caps, dust, &c., without waste of grain. We recommend it to millers as a machine well worthy their attention, and one which will most fully answer their most favorable expectations.
D. BROOKE & SON.

Being miller for a number of years I have had the opportunity of trying several kinds of Smut Machines but have never found any that would cleanse wheat so well with so little waste as Grimes' Patent Smut Machine. I have used it for a year or more and have not discovered that it is wearing any and runs very easy.
GEORGE TRUBEY.
Penn'a. Furnace Mill, June 28, 1844.

Morrison's Cove, July 6, 1844.
This is to certify, that we have been using Grimes' Patent Smut Machine for sometime and find it to be far superior to Young's Machine as it thoroughly cleanses the worst of smut wheat, not only of smut, but also all other dirt and impurities, without any waste of wheat whatever. We had Young's Machine in use three years and had ample time to try it fairly, and we unhesitatingly declare it our opinion that its construction is not on the principle of cleaning smut wheat as it loses too much wheat and won't clean smutty wheat; but in some cases when any quantity run through appeared to make it worse. We cheerfully recommend Grimes' Machine to millers as a perfect Smut Machine.

WRIGHT'S Indian Vegetable Pills.
If, during the continuance of storms and floods, the channels of
OUR MIGHTY RIVERS
become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be
Overwhelmed with the Flood
In like manner with the human body—it the skin, kidneys and bowels (the natural outlets for useless and corrupt humors) become so obstructed as to fail in affording a full discharge of those impurities which are in all cases
THE CAUSE OF SICKNESS,
we surely can expect no other results than that the whole frame will sooner or later be
OVERHELMED WITH DISEASE
As in the first place, if we would prevent an inundation we must remove all obstructions, in order that there may be no hindrance to the free discharge of the superabundant waters. So, in the second place, if we would prevent and cure disease, we must open and keep open, all natural drains of the body.
Wright's Indian Vegetable Pills of North American College of Health, will be found one of the best if not the very **BEST MEDICINE IN THE WORLD** for carrying out this beautiful and simple theory, because they completely cleanse the stomach and bowels from all bilious humors, and their impurity, and at the same time promote a healthy discharge from the lungs, skin and kidneys; consequently as all the natural drains are opened,
DISEASE OF EVERY NAME IS LITERALLY DRIVEN FROM THE BODY.
Caution.—As the great popularity and consequent great demand for Wright's Indian Vegetable Pills has raised up a host of counterfeiters, country storekeepers and agents will be on their guard against the many impostors who are travelling about the country selling to the unsuspecting a spurious article for the genuine.
It should be remembered that all authorized agents are provided with a certificate of authority, signed by WILLIAM WRIGHT, Vice President of the North American College of Health. Consequently, those who offer Indian Vegetable Pills, and cannot show a certificate as above described will be known as impostors.
The following highly respectable storekeepers have been appointed agents for the sale of
Wright's Indian Vegetable Pills,
and of whom it is confidently believed the genuine medicines can be obtained:
William Stewart, Huntingdon.
Henry Leamer Hollidayburg,
B. F. Bell, Antes township.
Robert McNamara, Newry.
Samuel S. Isett, Tyrone township.
Milkins & Kessler, Mill Creek
A. & N. Cresswell, Petersburg.
Gammel & Porter, Alexandria.
Moore & Steiner, Water Street.
Joseph Patton, Jr. Duncansville.
R. H. McCormick, Collinsville.
W. H. & W. C. Frankfort.
Henry Brewster, Shirleyburg.
Walter Graham, Yellow Springs.
Office devoted exclusively to the sale of the medicine, wholesale and retail, No. 169 Race street, Philadelphia.
Beware of counterfeiters.—The public are respectfully informed that medicine purporting to be Indian Pills made by one V. O. Flack, are not the genuine
Wright's Indian Vegetable Pills.
The only security against imposition is to purchase from the regularly advertised agents, and in all cases be particular to ask for Wright's Indian Vegetable Pills.

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntingdon county:
Dear Sir:—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq. of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwebel, in which many other remedies had been tried without any relief. The Balsam gave sudden relief, and in my opinion the child is effectually cured by its use.

Philadelphia Package Sals of Boots and Shoes,
(Every Tuesday morning, at 10 o'clock.)
BY G. W. LORD.
CARD.—A combination having been formed by a portion of the Dealers in Boots and Shoes of this city, with the avowed object of suppressing the sale of those goods by auction, it seems proper for the subscriber, (who has held these sales for the past eighteen months) to state that notwithstanding this combination, the sales will not be stopped, but on the contrary, as he will now rely more than ever on the patronage of the country Merchants, the sales will be held every Tuesday morning, at the auction store, 208 Market Street, and his arrangements with the Manufacturers, both of this city and all New England, are such as to insure him a constant and full supply of every description of goods.
The mere fact of so great an effort being made to put down these sales, is the best evidence the country Merchants can have, that it is for their interest to sustain them.

Dr. Moffat's Life Pills.
PHENIX BITTERS.
The perfectly safe, unerring and successful treatment of almost every species of disease by the use of Dr. MOFFAT'S LIFE MEDICINES, is no longer an experiment; as a reference to the experience of many thousand patients will satisfactorily prove. During the present month alone, nearly one hundred cases have come to the knowledge of Dr. MOFFAT, where the patient has to all appearance, effected a permanent cure by the exclusive and judicious use of the Life Medicines—some eight or ten of these had been considered hopeless by their physicians. Such happy results are a source of great pleasure to Dr. M., and inspire him with a new confidence to recommend the use of his medicines to his fellow citizens.
The LIFE MEDICINES are a purely VEGETABLE preparation. They are mild and pleasant in their operation, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acrimonious humors, and assimilating and purifying the blood. For this reason, in aggravated cases of Dyspepsia, the Life Medicines will give relief in a shorter space of time than any other prescription in Fever and Ague, Inflammatory Rheumatism, Fevers of every description, Sick Headaches, Heartburn, Dizziness in the Head, Pains in the Chest, Flatulency, Impaired Appetite, and in every disease arising from impurity of the blood, or a disordered state of the stomach, the use of these medicines has always proved to be beyond doubt, greatly superior to any other mode of treatment.
All that Dr. Moffat asks of his patients is to be particular in taking them according to the directions. It is not by a newspaper notice, or by any thing that he may say in their favour, that he hopes to gain credit. It is alone by the result of a fair trial. Is the reader an invalid and does he wish to know whether the Life Medicines will suit his or her case? If so, let him call at the office of the agent, and procure a copy of the Good Samaritan, published gratuitously. He will there find enumerated very many extraordinary cases of cure; perhaps some exactly similar to his own.
