

Whig Principles.

The principal objects which, I suppose, engage the common desire and the common exertions of the Whig party, to bring about, in the Government of the United States are: 1. A SOUND NATIONAL CURRENCY, regulated by the will and authority of the nation.

ELECTION RETURNS.

BRILLIANT ARRAY OF WHIG VICTORIES!!

We'll give them a touch of that same old time. We'll give them a sight of that same old Coon. They'll see him again by the light of the moon; Hurrah for the Farmer of Ashland!!

Maryland, G. R. A WHIG GOVERNOR—A WHIG SENATE—A WHIG HOUSE—A WHIG UNITED STATES SENATOR, AND 17 WHIG COUNTIES OUT OF 20!!

Two years since the Whigs had but 4 majority Newcastle county, and the Locos carried Kent by the same majority.

OHIO Redeemed! VICTORY!!! VICTORY!!!! Sufficient returns have been received to render certain the election of A WHIG GOVERNOR!

New Jersey ERECT!!

Below is the triumphant result of the election in New Jersey. The whigs have done their duty nobly. Notwithstanding Captain Stockton's extraordinary exertions, and the profuse use of his money, they have carried the State for Governor by almost as large a majority as Gen. Harrison received in 1840, and about two thirds of each branch of the Legislature.

Connecticut, TOP UP!! Hurrah for the "Land of Steady Habits!!" Connecticut held her town elections week before last, and the whigs have swept all before them.

Georgia. We have the latest returns from Georgia by the Washington Standard. The Standard says. The returns indicate the election of five Whigs and three Locofocos—though the delegation may stand four and four, in which case the Whigs make a gain of two members, as the delegation in the present Congress stands two Whigs and six Locofocos.

Friends of the Tariff of 1842. READ AND REFLECT. James K. Polk's views on the Tariff, in his own words.

We again insert the following clear and forcible illustration of Mr. Polk's letter to Mr. Kane. In these days, when the Locofocos are attempting to steal the credit of the Tariff of 1842 from the Whigs, and palm Mr. Polk upon the People of Pennsylvania for as good a Tariff man as Mr. Clay the "acts and discussions" of Mr. Polk cannot be kept before the people too much.

COLUMBIA, Tennessee, June 19, 1844. DEAR SIR:—I have received recently several letters in reference to my opinions on the subject of the tariff, and among others yours of the 30th ult. My opinions on this subject have been often given to the public. They are to be found in my public acts, and in the public discussions in which I have participated.

tioned such moderate discriminating duties, as would produce the amount of revenue needed, and at the same time afford reasonable incidental protection to our home industry. I am opposed to a tariff for protection merely, and not for revenue.

Acting upon these general principles, it is well known that I gave my support to the policy of Gen. Jackson's administration on this subject. I voted against the tariff act of 1828. I voted for the act of 1832, which contained modifications of some of the objectionable provisions of the act of 1828.

In my judgment, it is the duty of the government, to extend, as far as it may be practicable to do so, by its revenue laws and all other means within its power, fair and just protection to all the great interests of the whole Union, embracing agriculture, manufactures, the mechanic arts, commerce, and navigation.

I am, with great respect, Dear sir, your obt. servant, JAMES K. POLK. John K. Kane, Esq., Philadelphia.

Philadelphia Package Sales of Boots and Shoes, (Every Tuesday morning, at 10 o'clock,) BY G. W. LORD.

CARD.—A combination having been formed by a portion of the Dealers in Boots and Shoes of this city, with the avowed object of suppressing the sale of those goods by auction, it seems proper for the subscriber, (who has held these sales for the past eighteen months) to state that notwithstanding this combination, the sales will not be stopped, but on the contrary, as he will now rely more than ever on the patronage of the country Merchants, the sales will be held every Tuesday morning, at the auction room, 208 Market Street, and his arrangements with the Manufacturers, both of this city and all New England, are such as to insure him a constant and full supply of every description of goods.

TO ALL WHOM IT MAY CONCERN.—Take notice that the members of the 1st Presbyterian Church of the borough of Hollidaysburg, by petition at August Term, last, of the Court of Common Pleas of Huntingdon county, have made application for a Charter of Incorporation for said church; and if no sufficient cause is shown to the contrary, the said court will, on the second Monday of November next, decree a charter of Incorporation to the said church.

WRIGHT'S Indian Vegetable Pills. If, during the continuance of storms and floods, the channels of OUR MIGHTY RIVERS become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be

Overwhelmed with the Flood In like manner with the human body—if the skin, kidneys and bowels (the natural outlets for useless and corrupt humors) become so obstructed as to fail in affording a full discharge of those impurities which are in all cases

THE CAUSE OF SICKNESS, we surely can expect no other results than that the whole frame will sooner or later be OVERWHELMED WITH DISEASE

As in the first place, if we would prevent an inundation we must remove all obstructions, in order that there may be no hindrance to the free discharge of the superabundant waters. So, in the second place, if we would prevent and cure disease, we must open and keep open, all natural drains of the body.

Wright's Indian Vegetable Pills or North American College of Health, will be found one of the best if not the very BEST MEDICINE IN THE WORLD for carrying out this beautiful and simple theory, because they completely cleanse the stomach and bowels from all bilious humors, and other impurity, and at the same time promote a healthy discharge from the lungs, skin and kidneys; consequently as all the natural drains are opened,

DISEASE OF EVERY NAME IS LITERALLY DRIVEN FROM THE BODY. Caution.—As the great popularity and consequent great demand for Wright's Indian Vegetable Pills has raised up a host of counterfeiters, country storekeepers and agents will be on their guard against the many impostors who are travelling about the country selling to the unsuspecting a spurious article for the genuine.

It should be remembered that all authorized agents are provided with a certificate of agency, signed by WILLIAM WRIGHT, Vice President of the North American College of Health. Consequently, those who offer Indian Vegetable Pills, and cannot show a certificate as above described, will be known as impostors.

The following highly respectable storekeepers have been appointed agents for the sale of Wright's Indian Vegetable Pills, and of whom it is confidently believed the genuine medicines can be obtained:

- William Stewart, Huntingdon. Henry Leamer Hollidaysburg. B. F. Bell, Antes township. Robert McNamara, Newry. Samuel S. Isett, Tyrone township. Millikens & Kessler, Mill Creek. A. & N. Cresswell, Petersburg. Gemmel & Porter, Alexandria. Moore & Steiner, Water Street. Joseph Patton, Jr. Duncanville. R. H. McCormick, Collinsville. Wolf & Willet, Frankstown. Henry Brewster, Shirleyburg. Walter Graham, Yellow Springs.

Office devoted exclusively to the sale of the medicine, wholesale and retail, No. 169 Race street, Philadelphia. Beware of counterfeits.—The public are respectfully informed that medicine purporting to be Indian Pills made by one V. O. Flack, are not the genuine Wright's Indian Vegetable Pills. The only security against imposition is to purchase from the regularly advertised agents, and in all cases be particular to ask for Wright's Indian Vegetable Pill. Dec. 27, 1843.—1y.
