As much difficulty has arisen in making Sheriff's sales by reason of persons bidding who are unable, or who fail to pay the amount of their respective purchases, therefore

NOTICE IS HEREBY GIVEN, that in all cases, when the purchase money does not exceed \$50 00, the whole amount of the purchase must be paid immediately into the hands of the Sheriff; and if the purchase exceeds that sum, then the amount (viz: \$50 00) must be paid into the hands of the Sheriff immediately after the property is stricken down and the payment of the balance arranged with the Sheriff and fully secured to be paid, to his satisfaction; or else the property will be again put up and sold.

This rule will positively be strictly adhered to, and purchasers, whether able to pay, or not, will do well to observe it, if they wish to hold the property stricken down to them at their respective bids.

WRIGHT'S Indian Vegetable Pills.

If, during the continuance of storms and floods, the channels of

OUR MIGHTY RIVERS become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be

Overwhelmed with the Flood—In like manner with the human body—if the skin, kidneys and bowels (the natural outlets for useless and corrupt humors) become so obstructed as to fail in affording a full discharge of those impurities which are in all cases

THE CAUSE OF SICKNESS, we surely can expect no other results than that the whole frame will sooner or later be

OVERHELMED WITH DISEASE—In the first place, if we would prevent an inundation we must remove all obstructions, in order that there may be no hindrance to the free discharge of the superabundant waters. So, in the second place, if we would prevent and cure disease, we must open and keep open, all natural drains of the body.

Wright's Indian Vegetable Pills of North American College of Health, will be found one of the best if not the very BEST MEDICINE IN THE WORLD for carrying out this beautiful and simple theory, because they completely cleanse the stomach and bowels from all bilious humors, and other impurities, and at the same time promote a healthy discharge from the lungs, skin and kidneys; consequently as all the natural drains are opened,

DISEASE OF EVERY NAME IS LITERALLY DRIVEN FROM THE BODY.

Caution.—As the great popularity and consequent great demand for Wright's Indian Vegetable Pills has raised up a host of counterfeiters, country storekeepers and agents will be on their guard against the many impostors who are travelling about the country selling to the unsuspecting a spurious article for the genuine.

It should be remembered that all authorized agents are provided with a certificate of agency, signed by WILLIAM WRIGHT, Vice President of the North American College of Health. Consequently, those who offer Indian Vegetable Pills, and cannot show a certificate as above described will be known as impostors.

The following highly respectable storekeepers have been appointed agents for the sale of

Wright's Indian Vegetable Pills, and of whom it is confidently believed the genuine medicines can be obtained:

William Stewart, Huntingdon; Henry Leamer Hollidaysburg; R. F. Bell, Antes township; Robert McNamee, Newry; Samuel S. Isett, Tyrone township; Millikens & Kessler, Mill Creek; A. & N. Cresswell, Petersburg; Gemmel & Porter, Alexandria; Moore & Steiner, Water Street; Joseph Patton, Jr. Duncansville; R. H. McCormick, Collinsville; Wolf & Willet, Frankstown; Henry Brewster, Shireleysburg; Walter Graham, Yellow Springs.

Office devoted exclusively to the sale of the medicine, wholesale and retail, No. 169 Race street, Philadelphia.

Beware of counterfeiters.—The public are respectfully informed that medicine purporting to be Indian Pills made by one V. O. Flack, are not the genuine

Wright's Indian Vegetable Pills. The only security against imposition is to purchase from the regularly advertised agents, and in all cases be particular to ask for Wright's Indian Vegetable Pill.
