PICTURE OF HEALTH.

Health is characterized in an individual by the absence of all pain, suffering or affection in any part of his body; by the free and regular exercise of all his functions without any exception. They consist in having a good appetite at meal times, an easy digestion, free evacuations, without looseness or costiveness at least once in every twenty-four hours, and without heat, dryness, or burning at the passage; the free issue of water without acrimony or burning, and without a reddish sediment which is always a sign of a present or an approaching pain; quiet sleep without agitation or troublesome dreams; no taste of bile or other bad taste in the mouth upon rising in the morning; no sourness or disagreeable rising of the stomach; a clean tongue; a sweet breath; no itching, pimples or spots on the skin; no piles; no burning heat upon any part of the body; no excessive thirst when unexposed to labor or other known cause; no interruption to any natural evacuation, nor pain at their periodical return.

Where the state of the system does not harmonize with the above picture of health, it is of the greatest importance, that no time be lost in sending for a doctor, or in the use of foolish remedies too often the result of speculation; instead of this course let a dose of Brandreth's Pills be taken, which will not deceive, but will at once restore health to the organ or part that requires it.

All who wish to preserve their health, all who are determined to defend their life against the encroachments of disease which might send them prematurely to the grave, will, without hesitation, have recourse to the Brandreth Pills, when the state of the system does not harmonize with the above picture of health.

Those who live in a country where contagious or other diseases prevail, should often think of this true picture of health, and observe himself with particular attention, in order to act accordingly. The wise and rightly directed will follow this advice—the unwise are left to their own destruction.

Dr. Brandreth's Pills are for sale by the following Agents in this county. Wm. Stewart, Huntingdon.

M. Farlane, Garber, & Co., Hollidaysburg. A. N. Cresswell, Petersburg.

Moore & Swoope, Alexandria, Hartman & Smith, Manor Hill.

Thomas M. Brown, Birmingham. A. Patterson, Williamsburg.

The above are the only authorized agents in Huntingdon county. Sept. 11, 1844.—6m.

SUDDEN DEATH, APOPLEXY, BURSTING OF VEINS, &c.

Wright's Indian Vegetable Pills are certain to prevent the above dreadful consequences, because they purge from the body those morbid humors which, when floating in the general circulation, are the cause of a determination or rush of blood to the head, a pressure upon the brain, and other dreadful results. From two to six of said Indian Vegetable Pills, taken every night, on going to bed, will in a short time so completely cleanse the body from every thing that is opposed to health that sudden death, apoplexy, bursting of blood vessels, or indeed any malady, will be in a manner impossible.

Wright's Vegetable Indian Pills also aid and improve digestion, and purify the blood and therefore give health and vigor to the whole frame, as well as drive disease of every name from the body.

Beware of Counterfeits.—The public are cautioned against the many spurious medicines which in order to deceive are made in outward appearance, closely to resemble the above wonderful Pills.

Observe.—Purchase only of the advertised agents, or at the office of the General Depot, No. 169 Race street, Philadelphia, and be particular to ask for Wright's Indian Vegetable Pills.

The genuine medicines can be obtained at the store of Wm. Stewart, Huntingdon.

DR. WISTAR'S BALSAM OF WILD CHERRY.

The best medicine known to man for incipient Consumption, Asthma of every stage, Bleeding of the Lungs, coughs, olds, Liver complaint, and all diseases of the Pulmonary Organs, may be had of Agents named below.

All published statements of cures performed by this medicine are every respect TRUE. Be careful and get the genuine "Dr. Wistar's Balsam of Wild Cherry," as spurious imitations are abroad.

Orders from any part of the country should be addressed to Isaac Butts, No. 125 Fulton street, New York.

AGENTS. For sale by Thomas Read, Huntingdon, and James Orr, Hollidaysburg. Price one dollar per bottle. December 6, 1843.

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntingdon county:

Dear Sir:—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq. of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwelbe, which is such many other remedies had been tried without any relief. The Balsam gave sudden relief, and in my opinion the child is effectually cured by its use. Yours, &c. JACOB HOFFMAN, M. D. Dec. 23, 1841.

He will constantly keep on hand
