The Colonels, Lieut. PICTURE OF HEALTH.—Health's

characterised in an individual by the absence of all pain, suffering or affection in any part of his body; by the free and regular exercise of all his functions without any exception. They consist in having a good appetite at meal times, an easy digestion, free evacuations, without looseness or costiveness at least once in every twenty-four hours, and without heat, dryness, or burning at the passage; the free issue of water without acrimony or burning, and without a reddish sediment which is always a sign of a present or an approaching pain; quiet sleep without agitation or troublesome dreams; no taste of bile or other bad taste in the mouth upon rising in the morning; no sourness or disagreeable rising of the stomach; a clean tongue; a sweet breath; no itching, pimples or spots on the skin; no piles; no burning heat upon any part of the body; no excessive thirst when unexposed to labor or other known cause; no interruption to any natural evacuation, nor pain at their periodical return. Where the state of the system does not harmonize with the above picture of health, it is of the greatest importance that no time be lost in sending for a doctor, or in the use of foolish remedies too often the result of speculation; instead of this course let a dose of Dr. Wright's Pills be taken, which will not deceive, but will at once restore health to the organ or part that requires it. All who wish to preserve their health, all who are determined to defend their life against the encroachments of disease which might send them prematurely to the grave, will, without hesitation, have recourse to the Dr. Wright's Pills, when the state of the system does not harmonize with the above picture of health. Those who live in a country where contagious or other diseases prevail, should often think of this true picture of health, and observe himself with particular attention, in order to act accordingly. The wise and rightly directed will follow this advice—the unwise are left to their own destruction. Dr. Brandereth's Pills are for sale by the following Agents in this county. Wm. Stewart, Huntingdon. McTearle, Garber, & Co., Hollidaysburg. A. & N. Cresswell, Petersburg. Moore & Swoope, Alexandria. Hartman & Smith, Manor Hill. Thomas M. Owens, Birmingham. A. Patterson, Williamsburg. The above are the only authorized agents in Huntingdon county. Sept. 11, 1843.—6m.

SUDDEN DEATH, APOPLEXY, BURSTING OF VESSELS, &c.

Wright's Indian Vegetable Pills are certain to prevent the above dreadful consequences, because they purge from the body those morbid humors which, when floating in the general circulation, are the cause of a determination or rush of blood to the head, a pressure upon the brain, and other dreadful results.—From two to six of said Indian Vegetable Pills, taken every night, on going to bed, will in a short time so completely cleanse the body from every thing that is opposed to health that sudden death, apoplexy, bursting of blood vessels, or indeed any malady, will be in a manner impossible. Wright's Vegetable Indian Pills also aid and improve digestion, and purify the blood and therefore give health and vigor to the whole frame, as well as drive disease of every name from the body. Beware of Counterfeits.—The public are cautioned against the many spurious medicines which in order to deceive are made in outward appearance, closely to resemble the above wonderful Pills. OBSERVE.—Purchase only of the advertised agents, or at the office of the General Depot, No. 169 Race street, Philadelphia, and be particular to ask for WRIGHT'S Indian Vegetable Pills. The genuine medicines can be obtained at the store of Wm. Stewart, Huntingdon.

DR. WISTAR'S BALSAM OF WILD CHERRY.

The best medicine known to man for incipient Consumption, Asthma of every stage, Bleeding of the Lungs, coughs, colds, Liver complaint, and all diseases of the Pulmonary Organs, may be had of Agents named below. All published statements of cures performed by this medicine are, in every respect, TRUE. Do not call and get the genuine "Dr. Wistar's Balsam of Wild Cherry" as spurious imitations are abroad. Orders from any part of the country should be addressed to Isaac Butts, No. 125 Fulton street, New York. AGENTS. For sale by Thomas Read, Huntingdon, and James Orr, Hollidaysburg. Price one dollar per bottle. December 6, 1843.

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntingdon county:

Dear Sir—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq. of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwelbe, in which many other remedies had been tried without any relief. The Balsam gave sudden relief, and in my opinion the child is effectually cured by its use. Yours, &c. JACOB HOFFMAN, M. D. Dec. 23, 1841.

WRIGHT'S Indian Vegetable Pills.

If, during the continuance of storms and floods, the channels of

OUR MIGHTY RIVERS

become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be

Overwhelmed with the Flood

In like manner with the human body—if the skin, kidneys and bowels (the natural outlets for useless and corrupt humors) become so obstructed as to fail in affording a full discharge of those impurities which are in all cases

THE CAUSE OF SICKNESS.

we surely can expect no other results, than that the whole frame will sooner or later be

OVERWHELMED WITH DISEASE

As in the first place, if we would prevent an inundation we must remove all obstructions, in order that there may be no hindrance to the free discharge of the superabundant waters. So, in the second place, if we would prevent and cure disease, we must open and keep open, all natural drains of the body.

Wright's Indian Vegetable Pills of North American College of Health,

will be found one of the best if not the very BEST MEDICINE IN THE WORLD for carrying out this beautiful and simple theory, because they completely cleanse the stomach and bowels from all bilious humors, and other impurity, and at the same time promote a healthy discharge from the lungs, skin and kidneys; consequently as all the natural drains are opened,

DISEASE OF EVERY NAME IS LITERALLY DRIVEN FROM THE BODY.

Caution.—As the great popularity and consequent great demand for Wright's Indian Vegetable Pills has raised up a host of counterfeiters, country storekeepers and agents will be on their guard against the many impostors who are travelling about the country selling to the unsuspecting a spurious article for the genuine.

It should be remembered, that all authorized agents are provided with a certificate of agency, signed by WILLIAM WRIGHT, Vice President of the North American College of Health. Consequently, those who offer Indian Vegetable Pills, and cannot show a certificate as above described will be known as impostors.

The following highly respectable storekeepers have been appointed agents for the sale of

Wright's Indian Vegetable Pills,

and of whom it is confidently believed the genuine medicines can be obtained: William Stewart, Huntingdon. Henry Leamer Hollidaysburg. B. F. Bell, Anter township. Robert McNamara, Newry. Samuel S. Isett, 1 Yrone township. Millkens & Kessler, Mill Creek. A. & N. Cresswell, Petersburg. Gummel & Porter, Alexandria. Moore & Steiner, Water Street. Joseph Patton, Jr., Duncansville. R. H. McCormick, Collinsville. Wolf & Willet, Frankstown. Henry Brewster, Shirlersburg. Walter Graham, Yellow Springs. Office devoted exclusively to the sale of the medicine, wholesale and retail, No. 169 Race street, Philadelphia.

Beware of counterfeits.—The public are respectfully informed that medicine purporting to be Indian Pills made by one V. O. Flack, are not the genuine

Wright's Indian Vegetable Pills.

The only security against imposition is to purchase from the regularly advertised agents, and in all cases be particular to ask for Wright's Indian Vegetable Pills. Dec. 27, 1843.—1y.
