**SUDDEN DEATH, APOPLEXY, BURSTING OF VESSELS, &c.**—Wright's Indian Vegetable Pills are certain to prevent the above dreadful consequences, because they purify from the body those morbid humors which, when floating in the general circulation, are the cause of a determination or rush of blood to the head, a pressure upon the brain, and other dreadful results.—From two to six of said Indian Vegetable Pills, taken every night, on going to bed, will in a short time so completely cleanse the body from every thing that is opposed to health that sudden death, apoplexy, bursting of blood vessels, or indeed any malady, will be in a manner impossible.

Wright's Vegetable Indian Pills also aid and improve digestion, and purify the blood and therefore give health and vigor to the whole frame, as well as drive disease of every name from the body.

Beware of Counterfeits.—The public are cautioned against the many spurious medicines which in order to deceive are made in outward appearance, closely to resemble the above wonderful Pills.

OBSERVE.—Purchase only of the advertised agents, or at the office of the General Depot, No. 169 Race street, Philadelphia, and the particular to ask for WRIGHT'S Indian Vegetable Pills.

The genuine medicines can be obtained at the store of Wm. Stewart, Huntingdon.

**WRIGHT'S Indian Vegetable Pills.** If, during the continuance of storms and floods, the channels of **OUR MIGHTY RIVERS** become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be **Overwhelmed with the Flood.** In like manner with the human body—if the skin, kidneys and bowels (the natural outlets for useless and corrupt humors) become so obstructed as to fail in affording a full discharge of those impurities which are in all cases **THE CAUSE OF SICKNESS.** We surely can expect no other result than that the whole frame will sooner or later be **OVERWHELMED WITH DISEASE.** As in the first place, if we would prevent an inundation, we must remove all obstructions, in order that there may be no hindrance to the free discharge of the superabundant waters. So, in the second place, if we would prevent and cure disease, we must open and keep open, all natural drains of the body.

**Wright's Indian Vegetable Pills of North American College of Health.** will be found one of the best if not the very **BEST MEDICINE IN THE WORLD** for carrying out this beautiful and simple theory, because they completely cleanse the stomach and bowels from all bilious humors, and other impurity, and at the same time promote a healthy discharge from the lungs, skin and kidneys; consequently as all the natural drains are opened,
