

THE HUNTINGDON JOURNAL.

"One country, one constitution, one destiny."

Huntingdon, Pa.

Wednesday morning, Jan. 15, 1845.

V. B. PALMER, Esq. (No. 59, Pine street below Third, Philadelphia) is authorized to act as Agent for this paper, to procure subscriptions and advertisements.

The favor of our Alexandria correspondent has been received. It will be attended to hereafter.

Our thanks are due to Gen. IRVIN for valuable Congressional documents.

We are indebted to Messrs. MORRISON, BREWSTER, and M'MURRIE, and the "Telegraph" for early copies of the Governor's Message.

HENRY BREWSTER, Esq., of the H. R., has our thanks for a copy of the Annual Report of the Board of Canal Commissioners, for the fiscal year ending Nov. 30, 1844, and for other favors.

The New York Express mentions a report that the Bishops have declared Bishop Onderdonk guilty of what was charged upon him. We do not know what the charges were, nor what was the vote of the individuals comprising the bench of Bishops. The Herald says the vote stood eleven to six.

Governor Wright and Lieut. Governor Gardner were duly inaugurated as the chief executive officers of New York on Monday 30th ult.

An exchange paper speaks of some wild lands "away beyond Pine creek where the sun don't rise till noon—where cascades are beautiful, mountains sublime, and solitude eternal."

THE ONE DAY ELECTION BILL.—The bill introduced into the U. S. House of Representatives by Dr. Duncan, providing for the election of Presidential Electors on the same day in all the States of the Union, passed that body almost unanimously, there being but a single vote against it.

Where is Calvin C. Russell? He left a wife and children in New York, who are anxious to hear of his whereabouts.

COURT—Jury Quashed.

On motion of A. Gwin, Esq., the array of jurors for this week was quashed, on Tuesday morning, on account of alleged irregularity in drawing the same. The same objection will be made to the jurors for next week.

The decision of the Court, on the act of Assembly, is that the oath of the Sheriff and Commissioners, to act with impartiality &c., must be renewed every year.

Hon. Samuel Hays, member of Congress from the 22nd congressional district, has been appointed Marshal for the Western district of Pennsylvania, in place of H. C. Bosler, Esq., deceased.

CONGRESS.

Since our last no business of great importance has been transacted in Congress, and we do not expect to see much done during the present session. The Whigs have not the power to do much; and the Locofocos cannot agree among themselves upon measures. A dozen of different plans for the Annexation of Texas have been submitted; and yet it is extremely doubtful whether any one of the number and variety will receive the sanction of either the House or the Senate. Mr. Would-have-been-a-Tory INGERSOLL made a speech in favor of his plan, and made it very apparent that he has no greater love for his country now than he had when he "would have been a Tory." The Whig members manifest a disposition to leave the question of Annexation to the Locofocos. This question will probably supply the House with talk during the whole session.

The proposition to amend the Naturalization Laws, and the Bill reducing the rates of postage will probably be finally acted upon by the present Congress.

HUNTINGDON FEMALE SEMINARY.

On Tuesday of last week we had the pleasure of witnessing the public examination of the pupils of this Seminary, under the charge of Miss HOWE. The result of the examination proved highly gratifying to all parties concerned, and reflected much credit upon the teacher and the scholars.

We congratulate the citizens of Huntingdon and vicinity on the possession of the services of such a teacher as Miss H. has proved herself to be. There is no necessity for sending daughters abroad, for the purpose of giving them an education, at a sacrifice of the security, the comforts, and the pleasures of home.

IMPORTANT FROM MEXICO!—BANISHMENT OF SANTA ANNA!

Intelligence has reached Washington, from an authentic source, that the army of Santa Anna has deserted him and that he had been, by a Decree of Congress, formally banished from Mexico! So says the Madisonian.

The Legislature of North Carolina, which the Whigs have rejected resolutions in favor of the Annexation of Texas. The Legislature of Pennsylvania, which is Locofoco, will probably pass resolutions in favor of Annexation. N. Carolina is a slave State, Pennsylvania is not. These facts exhibit the difference of the principles of the Whigs and Locos in a light that requires no comment.

Election of a U. S. Senator.

This election was to take place yesterday; but as the Locofocos have for some time past been quarrelling among themselves about the man—caring nothing about principles—it may be sometime yet before they will be able to agree among themselves. The fight seems to be between the Porter and the Anti-Porter factions of the party—about which the Whigs ought to feel about as much concern as the woman did while witnessing the fight between her husband and the bear. The Anti-Porter faction are advocating the "Caucus System" as the only means of keeping the party in the traces, and preach adherence to "Regular Nominations" as the leading principle of modern democracy; while the Porter faction denounce the "Caucus System" as an innovation upon primitive democracy, as it cannot be dated farther back than the election of Doctor Daniel Sturgeon, six years ago. Gov. Porter is ambitious to serve the State still further in the capacity of U. S. Senator, and it is asserted that about thirty Locofoco members of the Legislature are pledged to support him and will refuse to go into caucus, well knowing that he cannot get the caucus nomination. If this be true, it is evident that the Whigs will hold the balance of power. In this aspect of the case, the question naturally presents itself—"What is the duty of the Whigs?" Our own answer to this important question is—Let the Whigs nominate a genuine Whig, and then vote for him FIRST, LAST AND ALL THE WHILE. As long as we have such men as Gen. Irvin, Judge Banks, T. M. T. M. Kennan, J. R. Ingersoll and a host of other "good men and true," let the Whig members form no alliances with Locofocos—least of all to elevate D. R. Porter and thus disgrace themselves, the State and the Nation! These are our sentiments. We deem it proper to state that the views of our correspondent, recommending the election of Gov. Porter, meet with little or no favor here. It was thought unnecessary to state any objections to the recommendations of our correspondent, because it was not expected they would be received with favor by the Whigs here or elsewhere.

It is evident from the late message of Governor Porter and his letter to John Mitchell, that he wishes to be considered a consistent advocate of Protection. Whigs, however, will not believe in the Tariff principles of the man who voted for Polk and Dallas, the friends of low duties and the annexation of Texas. If any portion of the Locofoco members of the Legislature wish to be considered sincere and consistent friends of the Protective System, let them come over to the support of the Whig candidate, and their confidence will not be misplaced. What right have the Locofocos, or any faction of them, to look for support from the Whig party? What harm can the minority suffer by the quarrels of the majority? Is it any greater sacrifice for a Locofoco to vote for a Whig than it is for a Whig to vote for a Locofoco? If the "progressive democracy" cannot agree, let them disagree! If they agree they can but elect a Locofoco, and the responsibility will be solely theirs; but if the Whigs assist either party, they must share the responsibility. If the fight grows so fierce that one faction will (politically) put the knife to the throat of the other, the Whigs must triumph if they are true to themselves. We hope, therefore, the Whigs will nominate a Whig, and vote for him from first to last.

PENNSYLVANIA LEGISLATURE.

Both branches of our State Legislature met on Tuesday of last week. OFFICIAL SENTENCE IN THE CASE OF BISHOP ONDERDONK.

The Court of Bishops of the Protestant Episcopal Church convened under the authority of Canon III of 1844 of the General Convention of said Church, for the trial of the presentment of the Right Reverend Benjamin Treadwell Onderdonk, Bishop of the diocese of New York by the Right Reverend William Mead, Bishop of the diocese of Virginia, the Right Reverend James Hervey Otey, Bishop of the diocese of Tennessee, and the Right Reverend Stephen Elliott, Junior Bishop of the diocese of Georgia upon certain charges and specifications in said presentment set forth: having fully heard the allegations and testimonies of the parties, and deliberately considered the same, and a majority of the said Court having declared that in their opinion the accused is guilty of certain of the charges and specifications contained in the presentment: which declaration of a majority of the Court have been reduced to writing, and signed by those who assented thereto, and has been pronounced in the presence of the parties, and the Court having succeeded, after hearing the accused, to pass sentence in conformity with the provisions of said canon, and having determined that the penalty to be affixed and pronounced in said case shall be that of suspension:

It is hereby ordered and declared that the sentence of this Court upon the respondent, is suspension from the office of a Bishop in the Church of God, and from all the functions of the sacred ministry; and this court do hereby solemnly pronounce and declare that the Right Reverend Benjamin Treadwell Onderdonk is suspended from all exercise of his Episcopal and ministerial functions; and do order that the notice of this sentence, required by said canon, be communicated by the presiding Bishop under his hand and seal to the ecclesiastical authority of every diocese of this Church.

The Hon. THOMAS BURNSIDE, President Judge of the 7th Judicial District, has resigned that office and been appointed and commissioned a Judge of the Supreme Court by Gov. Porter, vice Hon. Charles Huston whose term of office has expired.

INTERESTING TABLE.

We are indebted to a friend for the following Statistical Table, which will be found interesting to almost all our readers.

Comparative Vote.

"POOR TOM DORR."

Locofocos who take have tears, prepare to shed them now. Mr. Dorr's friends have taken his case to the Supreme Court of the United States. The following brief paragraph, records the verdict of that tribunal:

"The Supreme Court of the United States gave their opinion in the case of Thomas W. Dorr, versus the State of Rhode Island. The Court have decided that they have no power to grant the habeas corpus prayed for by Mr. Dorr through his counsel."

Most melancholy verdict. Dorr, the illustrious Dorr, the hero of the immortal field of Chepachet, now occupies a trator's cell and a Bench of Locofoco Judges, with Taney, "Old Hickory's" Attorney General, have refused to let him go free.

At this season of the year, when the chill winds and cold rains of Autumn succeed the warm days of Summer, it is incumbent on all to look well to their health. A little negligence may now reduce the system to that state that months of the best medical treatment will fail in the restoration of former health.

Cold, dangerous colds, which this bleak season begets, will always claim, of the wise and prudent, immediate attention! For the cure of coughs, colds, asthma, and all disease connected with the respiratory organs, many valuable remedies are for sale and stand high in public estimation; but first and foremost in the rank is the widely known and everywhere esteemed Wistar's Balsam of Wild Cherry. By careful computation by those conversant with the history and progress of this most remarkable medicine, (called by many "Nature's own remedy") it is confidently asserted that more than 10,000 cures of obstinate cases have been effected during the past year.

The true and genuine Wistar's Balsam can always be had (wholesale and retail) of Sanford and Park, corner of Fourth and Walnut sts., Phila.

The genuine, for sale by Thomas Read, Huntingdon, and Mrs. Mary Orr, Hollidaysburg.

POPULAR REMEDIES.—The most popular remedies of the present day are those which cleanse and purify the blood, and which are known to be innocent in their qualities. Such remedies as Antimony, Mercury, Zinc, and the having recourse to Bleeding in diseases, are now, it is hoped going out of fashion, and Vegetable Remedies will be soon the popular medicine. Then Brandreth's Vegetable Universal Pills will be used and appreciated.—They are known to act beneficially on every part of the body; being taken up by the chyle they pass into the blood, which they purify; and it should be remembered that they only remove those parts from the blood which were the cause of inflammation or disease of any kind. Nothing is equal to ridding the vitiated humors with a vegetable medicine of this kind, which eighty-four years have proved never to do injury, but always good.

Purchase the genuine medicine of Wm. Stewart, Huntingdon, Pa., and other agents published in another part of this paper.

MARRIED.

On Wednesday last, in this Borough, by the Rev. John Peebles, JOHN CRESSWELL, Esq., of Hollidaysburg, to Miss MARGARET ARMITAGE, of this place.

DIED.

On Thursday night the 9th inst., JOHN, eldest son of James Entekir, Jr., about 12 years.

In Hollidaysburg, on the 4th inst., Mrs. MARGARETTA, Consort of Dr. James Coffey.

THE CATHOLIC QUESTION IN NEW HAMPSHIRE.—The majority in New Hampshire against permitting Roman Catholics to hold office in that State is 9634. The question was submitted at the late election, and such is the result. New Hampshire is one of the strongest Locofoco States in the Union.

The Poëtsville Anthracite Gazette says that the poor woman who cooked the meat for the late foreign Locofoco festival in that borough, has not yet been paid for her trouble, although she has frequently applied for remuneration. Such is Locofoco love for the poor!

PROSPECTUS FOR THE SECOND YEAR.

GREAT NATIONAL MAGAZINE. Agents wanted.—Reading for all.—To the reading Public.—The best and cheapest family Magazine in America.

SEARS' NEW MONTHLY FAMILY MAGAZINE.

Established for the Diffusion of Useful Knowledge. A Monthly Miscellany of Moral and Useful Information, Embellished with numerous Engravings. Published on the first of every month, in Parts of fifty large octavo pages each, (double columns). TWO DOLLARS per annum, two copies sent to one address for THREE DOLLARS, invariably in advance.

In offering such a miscellany as the above periodical to the public, we wish to make it clearly understood what is the object proposed to be accomplished by its publication, and what will invariably be the character of its contents; and by no species of disguise, or form of deception, attempt to make an impression or gain a favor, without possessing a legitimate claim to their enjoyment.—Sears' Family Magazine is a periodical whose object is to collect, condense and systematize the great mass of standing general knowledge, contained in works so numerous and voluminous as to be altogether beyond the reach of mankind in general and thus collected and prepared, to place it, by its cheapness and comprehensiveness, within the acquisition of ALL.

We shall aim to give the Magazine a character decidedly American, and to make it to this country what the Penny Magazine is to Great Britain.—Hence we shall introduce, as far as practicable, descriptions of American History, Manners, Scenery, and Natural Productions. In furtherance of this object, we invite our friends abroad to aid us, by their communications and sketches of any thing remarkable, rare, or unique that may come under their observation; and we trust they will find ample remuneration for their labor, in the consciousness of having added a quota to the sum total of intelligence which is so widely disseminated through the medium of Sears' Family Magazine.

From this brief outline of the plan of our New Monthly Magazine, the public will see that no exertions will be spared to entitle it to extensive patronage. As a sort of pabulum for schools, and a treasury of knowledge for families, the leading object of the Family Magazine is utility. It is intended that its morals shall be pure, its information authentic, and its arrangements in good taste. And while it is the sincere desire of all who are engaged in its publication, that it may carry the cheerfulness of knowledge and the light of truth wherever it is received, they indulge the hope, that the countenance of the community will look favorably upon them, and that its arm of support will be extended in their behalf.

WRIGHT'S Indian Vegetable Pills.

If, during the continuance of storms and floods, the channels of

OUR MIGHTY RIVERS become so obstructed as to afford an insufficient outlet for the superabundant waters, we can expect nothing less than that the surrounding country will be

OVERHELMED WITH THE FLOOD. In like manner with the human body—if the skin, kidneys and bowels (the natural outlets for useless and corrupt humors) become so obstructed as to fail in affording a full discharge of those impurities which arise in all cases

THE CAUSE OF SICKNESS, we surely can expect no other results than that the whole frame will sooner or later be

OVERHELMED WITH DISEASE. As in the first place, if we would prevent an accumulation, there may be no hindrance to the free discharge of the superabundant waters. So, in the second place, if we would prevent and cure disease, we must open and keep open, all natural drains of the body.

Wright's Indian Vegetable Pills of North American College of Health, will be found one of the best if not the very BEST MEDICINE IN THE WORLD for carrying out this beautiful and simple theory, because they completely cleanse the stomach and bowels from all bilious humors, and other impurity, and at the same time promote a healthy discharge from the lungs, skin and kidneys; consequently all the natural drains are opened,

DISEASE. OF EVERY NAME IS LITERALLY DRIVEN FROM THE BODY.

Caution.—As the great popularity and consequent great demand for Wright's Indian Vegetable Pills has raised up a host of counterfeiters, country storekeepers and agents will be on their guard against the many impostors who are travelling about the country selling to the unsuspecting a spurious article for the genuine. It should be remembered that all authorized agents are provided with a certificate of agency, signed by WILLIAM WRIGHT, Vice President of the North American College of Health. Consequently, those who offer Indian Vegetable Pills, and cannot show a certificate as above described will be known as impostors. The following highly respectable storekeepers have been appointed agents for the sale of

Wright's Indian Vegetable Pills, and of whom it is confidently believed the genuine medicines can be obtained: William Stewart, Huntingdon. Henry Leamer Hollidaysburg. B. F. Bell, Antietam township. Robert McManara, Newry. Samuel S. Isett, Tyrone township. Milkens & Kesler, Mill Creek. A. & N. Cresswell, Petersburg. Gemmel & Porter, Alexandria. Moore & Steiner, Water Street. Joseph Patton, Jr. Duncanville. R. H. McCormick, Collinsville. Wolf & Willet, Frankstown. Henry Brewster, Shireleysburg. Walter Graham, Yellow Springs. Office devoted exclusively to the sale of the medicine, wholesale and retail, No. 169 Race street, Philadelphia.

Beware of counterfeiters.—The public are respectfully informed that medicine purporting to be Indian Pills made by one V. O. Flack, are not the genuine

Wright's Indian Vegetable Pills. The only security against imposition is to purchase from the regularly advertised agents, and in all cases be particular to ask for Wright's Indian Vegetable Pills. Dec. 27, 1845.—1v.

On the Petition or Libel of the above named plaintiff, presented to the said court, the defendant, Martin Kaucher, is commanded, that, for the causes therein set forth, he be and appear in his proper person before our Judges at Huntingdon at a court of common pleas there to be held in and for said county, on the 2d Monday of January next, to answer the said petition or libel, and to show cause, if any he has, why the said Maria M.
