THE GREAT REMEDY

Diseases of the Lungs and Breast. TESTIMONIALS.

TO THE PUBLIC.—In accordance with the prevailing custom, and in order to show the virtues of this medicine more fully, the following certificates have been selected; and as it is not our wish to trifle with the lives or health of those afflicted, we sincerely pledge ourselves to make no assertions or "false statements" of its efficacy; nor will we hold out any hope of suffering humanity which facts will not warrant. The proofs are here given—and we solicit an inquiry from the public into every case we publish, and feel assured they will find it a medicine well deserving their patronage and confidence.

REMARKABLE CURES.
Of all the cures that have yet been recorded, there are certainly none equal to the below mentioned, and they plainly show the curability of Consumption, even in some of its worst forms.

Let every man, woman and child read the following, and were sure that it must satisfy all of the great virtues of the medicine.

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntington county:

"Dear Sir:—I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq. of this place, and tried it in a case of obstinate Asthma on a child of Paul Schwebbe, in which many other remedies had been tried without any relief. The Balsam gave sudden relief, and in my opinion the child is effectually cured by its use.

Yours, &c.
JACOB HOFFMAN, M. D.
Dec. 23, 1841.

The case of Thomas Cozens is related by himself as follows, and acknowledged by all who knew him to be one of the most astonishing and extraordinary cures ever performed:

HADDONFIELD, N. J. }
April 20, 1843. }

On or about the 13th of October, 1841, I was taken with a violent pain in the side near the Liver, which continued about five days, and was followed by the breaking of an ulcer, or something inwardly, which rendered the pain a little, but caused me to throw up a great quantity of offensive matter and also much blood. Being greatly alarmed at this I applied to a physician, who said he thought he could do but little for me except give me some mercury pills which I refused to take feeling satisfied that they could do me no good; many other remedies were then procured by my wife and friends but none did me any good and the discharge of blood and putrid corruption still continued every few days, and at the last it became so offensive that I could scarcely breathe. I was also seized with a violent cough, which at times caused me to raise much more blood than I had formerly done, and my disease continued in this way until February, when all hopes of my recovery were given up, and my friends all thought that I would die of a galloping consumption. At this moment when my life apparently was drawing near to its close, I heard of Wistar's Balsam of Wild Cherry and got a bottle which relieved me immediately, and by the use of only three bottles of this medicine, all my pains were removed, and my cough and spitting of blood removed, and in a few days my health was so far restored as to enable me to work at my trade (which is that of a carpenter) and up to this time I have enjoyed good health.

THOMAS COZENS.
WITNESS.—I am acquainted with Thomas Cozens and having seen him during his illness, I think his statement is entitled to full credit.

J. CLEMEN C.
It is unnecessary to remind all who would get the true article, to inquire particularly for "Dr. Wistar's Balsam of Wild Cherry," and take nothing else.

Unprincipled dealers will tell you that this Syrup of Wild Cherry, or some other cough medicine is equally as good. Be guard then not—what you want MONEY! Remember, it is "Wistar's Balsam of Wild Cherry" that not only relieves but cures!
