February 19, 1845.--6t. TO SENSIBLE CITIZENS -We know from what we see and feet, that the animal body is, in its organs and functions, subject to drangement, inducing pain, and tending to its destruction. In this disordered state, we observe nature providing for the re-es-tablishment of order, by exciting some salu-tary evacuation of the morbific matter, orby some other operation, which escapes our imperfect senses and researches. In some cases she brings on a cisis by the bowels, fi others by sweating, &c. &c. Now experience has taught us that there are certain substances, by which, applied to the living body, internally or externally, we can at will produce the same evacuations, and thus do in a short time, what nature could do but slowly, and do effectually what she might not have strength to accomplish. When then we have seen a disease cured by a certain natural evacuation, should that dis-ease occur again, we may count upon curing it by the use of such substances, as we know bring about the same evacuation, which we had belore observed to cure a similar disease. It is in consequence of the power which the Brandreth Pills exert upon the which system, that makes them so universally ben-eficial. It is because they impart to the body, the power to expel disease without leaving any evil eff.-As a general tunity medicine, Brandreth's Pills are, it is believed by the Proprietor, superior to every other offered to the public. Dr. Brandreth's Pills are for sale by the following Agents in his county. Wr. Stewart, Huutingdon. M'Frahue, Garber, & Co., Hollidaysburg, A. & N. TESTIMONIALS.

TESTIMONIALS. To THE PUBLIC. In accordance with the prevailing custom, and in order to show the virtues of this medicine more fully, the fol-lowing certificates have been selected; and as it is not our wish to trifle with the lives or health of those afflicted, we sincercly piedge ourselves to make no assertions or "false statements" of its efficacy; nor will which facts will not warrant. The proofs are here given—and we solicit an inqury from the public into every case we publish, and feel assured they will find it a medicine well deserving their patronage and confi-dence.

REMARKABLE CURES.

REMARKA BLE CURES. Of all the cures that have yet been record-ed, there are certainly none equal to the below mentioned, and they plannly show the curability of Consumption, even in some of its worst forms: Let every man, woman and child read the following, and we are sure that it must satis-ity all of the great virtues of the medicine.

y an of the great virtues of the medicine. IF Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntingdon county : Dear Sir -- I procured one bottle of Dr. Wistar's Balsam of Wild Cherry, from Thomas Read, Esq. of this place, and tried it in a case of obstinate Asthma on a child of Paul Schweble, in which many other re me dies had been tried without any relief. Th Balsam gave sudden relief, and in my opin-ion the child is effectuelly cured by its use. JACOB HOFFMAN, M. D. Dec. 23, 1841.

Dec. 23, 1841.

The case of Thomas Cozens is related by himself as follows, and acknowledged by alt who knew him to be one of the most astonshing and extraordinary cures ever performed : HADDONFIELD, N. J. April 20, 1843. . To arabout the 13th of October, 1841, I, mear the liver, which continued about five days, and was followed by the breaking of an older, or something inwardly, which re-hieved the pain a little, but caused me to throw up a great quantity of offensive mat-ter and also much blood. Being greatly larmed at this 1 applied to a physician, who said he thought he could do but little for me except give me some mercury pills which 1 refused to take feeling satisfied that they could do me no good; many other re-medies were then procured by my wife and triends but none did me any good and the discharge of blood rind putral corruption still continued every few days, and at the last it became so offensive that I could scarcely breather. I was sliss sized with a violent cough, which at timescaused me toraise much more blood than 1 had formerly done, and my disease continued in this way until Feb-ruary, which at timescaused me toraise much more blood than 1 had formerly done, and my disease continued in this way until Feb-ruary, when all hopes of my recovery were given up, and my friends all thought that 1 would tio of a galloping consumption. At this memint when my life apparently was drawing near to its close, 1 heard of Wistar's Balsam of Wild Cherry and got a battle which relieved me immediately, and by the mas of only three bottles of this medicine, all my pains were removed, and my cough and spliting of blood removed, and my friends all thought that Nexe, I think his statement is entitled to full credit.
