Arrival of the Great Western .- Thir-

teen Days Laterfrom Harope. The Steamship Great Western, arrived

at New York on Sunday the 1-t instant, bringing intelligence to the 17th of May, from London and Liverpool.

The commercial accounts by this packet are more favorable than could have been anticipated.

anticipated. The probability of a war with the Uai ted States occupies the public mind on the other side of the Atlantic, to the ex-clusion of every other topic. The arrivals labeled by clusion of every other topic. The arrivals from the Western World are looked to with absorbing interest

The Irish Repeal Rent averages £350 £400 weekly. Three new Colleges of a general char-

Three new Contexts of a freeland. The Texan Ex Secretary of State Ash-bel Smith, has arrived out, as resident Minister to France and England.

A war between England and Brizil is looked tor.

They continue to talk of the Queen's vi-it to Ireland. One hundred lives were lost by the fall-

ing of the chain-bridge at Yarmouth, Englaud, on the 4th ult.

Nothing of any interest has been broached in the British Partiament since

The Queen and Prince Albert are go-

ing to the Continent in August. The Cotton market was active in the early part of the week, and a good deal of speculation had been going on, without, however, any advance in price. The ar-rival of the Great Western stopped the rage for speculation, as it showed that the last crop is fixely to exceed the great crop of 1843.

In the manufacturing districts, trade, which was somewhat languid a short time since, has improved. The Manchester

which was somewhat languid a short time since, has improved. The Manchester market evinces unnistakable symptoms of improvement; and the same, though in a somewhat modified sense, may be said of the woollen districts of Yorkshire. The accounts state that the draught of the convention respecting the right of kearch, agreed upon by the commissioners (the Dake de Crogio and Dr. Loshington.) which had been t answitzed for approval the back de cragin and per forstington,) which had been t ansmitted for a pproval from London to Paris, had been returned with an objection to one of its provisions. The precise terms of the proposed con-vention were not of course known, but it was inderstood that they contemplated treatise with the African native chiefs to prevent the sale and embarcation of

If the public securities are to be taken If the public securities are to be taken as a test, the probability of the Oregon question being settled otherwise than friendly seems very remote. Notwith-standing this confidence, the subject is al-luded to, in private circles, as one that is very ticklish, and that a triffing matter may tan into a flame. The Funds, which have been unsettled and feverish of late, in consequence of the threatened rupture with America, im-proved on the arrival of the news by the

proved on the arrival of the news by the "Great Western" and maintained their steadiness until the arrival of the "Cal-edonia," when a forther improvement took place. FRANCE.

The exciting topic of the Jesuits has oc-cupied the attention of the Chamber of Deputies. It originated with Mr. Thiers, who described the vicissitudes the order of Jesuits had experienced since its foun-dation; the motives of its condemnation in France in the 8th century, and those which had induced the Pope to pronounce the dissolution of a community that Fred-wich the Great atoms in all Reman. did the dissolution of a community that Fred-erick the Great atone, in all Europe, did

not consider dangerous. M. Thters, in concluding, called on the Cabinet to execute the laws, and dissolve a refigious congregation which was the sole cause of the divisions that had lately maifested themselves in the Catholic community.

ITALY.

Our correspondent at Turin, unler dates of the 8th instant, turnishes, amongst other items the following:-The United States frigate Cumberland, Commodore J. Smith, arrived at Genoa the 30th April.

The publication of the Italian translation of Bancroft's History of the United States has been formally relaxed, not-withstanding the efforts of the American Minister, by both the civil and ecclesiastical censure of Turin

TURKEY.

The Ottoman Government being de-termined to carry out its plans for the moral and physical amelioration of the country, has organized ten itinerant comdestined to set out and visit in detail various portions of Asiatic and Baropean Turkey, for the purpose of re-porting upon the improvements that can, without too heavy a change on the nation-al resources, be introduced to farther public instruction, advance agriculture, com-merce, trade, the means of communication, the establishment of hospitals and places of refuge for the poor, &c.

ered all the prisoners made by its troops to depart, under the stipulations for ran-

bar and Mino took a fair look at them, at the same time seeming to be much inter-ested in their conversation. One of the party was a fat, or rather a bloated, old runner of fifty five, another a rakish son of Bacchus whose flushed face told of the destruction of sundry choice quarts of the best vintage, while the third was a youth perhaps seventeen, whose bright blue eye and clear complex-ion vouched for former abstimence, al-though the red was a little too deep upon

though the red was a little too deep upon his check, and a slight nervous move-ment of his hand argued that he had ta-ken at least forty drops too many already. Plainly, he had just commenced a career which bid fair to place him, at no distant day, upon a level with the elder person of " What shall I drink, Mino ?" asked

By the 2nd instan', Lucernee had suff-

The country is the largereen over to the moment the Marries was and the standard the Marries was and the standard the Marries was and the standard the Marries Ma

sed upon a sure basis, and the nature of our securities can be changed so as to re-lieve the Commonwealth from one to two fifths of her present rate of interest.

The assessments for this year amount to \$1,399,962 61. The nett tolls from the canals and raitroads last year, were \$635,572 97. It is believed that this year will at least equal the last, and it will thus be seen that these two items are suffi-cient to ave the interact or even to see the The amount due from former assessments and the ordinary revenues, will be sufficient to pay the ordinary expenses of the Government.

I present this brief view at this time, to slow shift there is no ground for despon-dency and gloow; but, on the centrary, the highest inducement to be active, vig-ilant and faithful. These will lead to the happiest results.

water it shall be"—and *water* it was. The party went out and the circum-stance had entirely passed from our rec-ollection, when a day or two since it was vividly recalled upon seeing in the cirv reports of the Spirit of the Times an ac-count of the establishment of the "Sons of Temperance." Among the list of offleers was the name of the youth who followed Mino's advice on the memcrable Sunday evening, and took to the Water. Water is a stablish of the Water. Sunday evening, and took to the Water. The party went out and the stablish of the water of the stablishment of the "Sons side, when a ship arrived from London, conder has arm, and each taking back Sunday evening, and took to the Water. With lina a beautiful and virtuous young wite."

wife," We know a crusty old bachelor who says that the difficulty now is not to get a wife, but to keep clear of one.
