**TO SENSIBLE CITIZENS.**

We know
from what we see and feel, that the animal
body is, in its organs and functions, subject
to derangement, inducing pain, and tending
to its destruction. In this disordered state,
we observe nature providing for the re-es-
tablishment of order, by exciting some salu-
tary evacuation of the morbid matter, or by
some other operation, which escapes our
imperfect senses and researches. In some
cases she brings on a crisis by the bowels, in
others by sweating, &c. &c.
Now experience has taught us that there
are certain substances, by which, applied to
the living body, internally or externally, we
can at will produce the same evacuations,
and thus do in a short time, what nature
could do but slowly, and do effectually what
she might not have strength to accomplish.
When then we have seen a disease cured by
a certain natural evacuation, should that dis-
ease occur again, we may count upon curing
it by the use of such substances, as we know
bring about the same evacuation, which we
had before observed to cure a similar disease.
It is in consequence of the power which
the Brandreth Pills exert upon the whole
system, that makes them so universally ben-
eficial. It is because they impart to the
body, the power to expel disease without
leaving any evil effect.
As a general family medicine, Brandreth's
Pills are, it is believed by the Proprietor,
superior to every other offered to the public.
Dr. Brandreth's Pills are for sale by the
following Agents this county.
Wm. Stewart, Huntingdon.
McFarlane, Garber, & Co., Hollidaysburg.
A. & N. Cresswell, Petersburg.
Moore & Swoope, Alexandria.
Hartman & Smith, Manor Hill.
Thomas M. Owens, Birmingham.
A. Patterson, Williamsburg.
Blair and Madden, Madden's Mills.
The above are the only authorized
agents in Huntingdon county.

TESTIMONIALS.
To THE PUBLIC.—In accordance with the
prevailing custom, and in order to show the
virtues of this medicine more fully, the fol-
lowing certificates have been selected; and
as it is not our wish to trifle with the lives
or health of those afflicted, we sincerely
pledge ourselves to make no assertions or
"false statements" of its efficacy; nor will
we hold out any hope to suffering humanity
which facts will not warrant. The proofs
are here given—and we solicit an inquiry
from the public into every case we publish,
and feel assured they will find it a medicin-
well deserving their patronage and confi-
dence.

**REMARKABLE CURES.**

Of all the cures that have yet been record-
ed, there are certainly none equal to the
below mentioned, and they plainly show
the curability of Consumption, even in
some of its worst forms:
Let every man, woman and child read the
following, and we are sure that it must satisfy
all of the great virtues of the medicine.

Read the following from Dr. Jacob
Hoffman, a physician of extensive practice in
Huntingdon county:
Dear Sir:—I procured one bottle of Dr.
Wistar's Balsam of Wild Cherry, from
Thomas Read, Esq. of this place, and tried it
in a case of obstinate Asthma on a child of
Paul Schwebel, in which many other reme-
dies had been tried without any relief. The
Balsam gave sudden relief, and in my opin-
ion the child is effectually cured by its use.
Yours, &c.
COB HOFFMAN, M. D.
Dec. 23, 1841.

The case of Thomas Cozens is related by
himself as follows, and acknowledged by
all who knew him to be one of the most
astounding and extraordinary cures ever
performed:
HADDONFIELD, N. J. }
April 20, 1843. }
On or about the 13th of October, 1841, I
was taken with a violent pain in the side
near the Liver, which continued about five
days, and was followed by the breaking of
an ulcer, or something of the kind, which re-
lieved the pain a little, but caused me to
throw up a great quantity of offensive mat-
ter and also much blood. Being greatly
alarmed at this I applied to a physician, who
said he thought he could do but little for
me except give me some mercury pills
which I refused to take feeling satisfied that
they could do me no good; many other re-
medies were then procured by my wife and
friends but none did me any good and the
discharge of blood and putrid corruption
still continued every few days, and at last
it became so offensive that I could scarcely
breathe. I was also seized with a violent
cough, which at times caused me to raise
much more blood than I had formerly done,
and my disease continued in this way until Fe-
bruary, when all hopes of my recovery were
given up, and my friends all thought that I
would die of a galloping consumption. At
this moment when my life apparently was
drawing near to its close, I heard of Wistar's
Balsam of Wild Cherry and got a bottle
which relieved me immediately, and by the
use of only three bottles of this medicine,
all my pains were removed, and my cough
and spitting of blood removed, and in a few
days my health was so far restored as to en-
able me to work at my trade (which is that
of a carpenter) and up to this time I have
enjoyed good health.

THOMAS COZENS.
WITNESS.—I am acquainted with Thos
Cozens and having seen him during his ill-
ness, I think his statement is entitled to full
credit.

would get the true article, to inquire particu-
larly for "Dr. Wistar's Balsam of Wild
Cherry," and take nothing else.
Unprincipled dealers will tell you that the
SYRUP of Wild Cherry, or some other cough
medicine is equally as good. Regard them
not—they only want your MONEY! Remem-
ber, it is "Wistar's Balsam of Wild Cherry"
that is not only reliever but cures!

**THE SUBST, THE BEST,**

AND
**THE ONLY REMEDY.**
All the newspapers are full of patent
remedies for coughs, colds, consumption and
various other "diseases which flesh is heir to,"
proceeding from wet feet; but all experience
teaches that "an ounce of preventive is
better than a pound of cure;" and, having
the means of furnishing the former article
on short notice. Therefore

**Charles S. Black**
respectfully informs the good citizens of the
borough of Huntingdon, and the public gen-
erally, that he still continues the
**Boot and Shoe-making**
business, at his old stand in Allegheny st.,
one door west of William Stewart's Store,
in the borough of Huntingdon, where he has
lately received a large assortment of new
and fashionable *lasts*, on which he guaran-
tees to finish his work not only according
to the latest styles, but in a workmanlike
manner, and according to order.
He employs none but the best and most ex-
perienced workmen, and by strict atten-
tion to business and punctuality in promises, he
hopes to deserve and receive a liberal share
of custom.
WANTED—AN APPRENTICE to the above
business—a boy of 16 or 17 years of age will
be preferred, and find a good situation if ap-
plication be made soon.
