"Circulate the Documents."

PROPOSALS FOR INCREASING THE CIRCULATION OF THE HUNTINGDON JOURNAL.
It is a fact admitted by every one, that the "HUNTINGDON JOURNAL" has been a faithful and efficient aid to the Whig and Antislavery cause in Huntingdon county. Believing that its influence and usefulness may be made still greater, we issue this short Prospectus for the purpose of increasing and extending its circulation to that end. The paper will continue as heretofore to advocate Whig principles with whatever ability we may possess, and with the assistance of correspondents in the county and abroad; and whether success or defeat shall follow our efforts, we shall be the last man to fly from our standard, or abate in ardor for the glorious cause in which we have engaged. During this campaign, (and we trust all others) we shall go—heart and pen, hand and vote—for the regular Whig and Antislavery ticket, the whole ticket, and nothing but the ticket, and urge all others to do likewise.
Although politics shall form a prominent feature of our paper, it shall not be the only one. Its columns shall from time to time, and at all times, be well stored with interesting and useful information to the Farmer, the Mechanic, the Manufacturer, the Merchant, and to all classes of business men in the county.
We believe it will be acknowledged that the paper has improved in appearance and in quantity of matter since it has been under our control. We promise to improve it still farther if we get sufficient help in the way of new subscribers, to warrant the undertaking.
We hope our friends will be active in obtaining new subscribers—our circulation should and must be increased. Every Whig and Antislavery in the county ought to have his county paper, and if here and there one is found too poor, another who is able ought to procure it for him. And it would not by any means hurt our Loco-foco friends to subscribe regularly read out paper. There is now no postage on papers sent within thirty miles of the place of publication, which is a saving of 52 cents a year to each subscriber.
To the ardent and patriotic young Whigs of Huntingdon county we would appeal at this time to aid us in extending the circulation of our paper. To this class now belongs the duty of bearing aloft the Whig banner. On them the country relies for its redemption from the grasp of Loco-focoism. Come up, then, fellow young men, and aid and sustain us in our determination to "FIGHT ON EIGHT EVER!" in defence of the men and the principles of the great Whig party.
The terms of the paper are the same as heretofore: \$2.00 if paid within the first six months—\$2.50 if not paid until the end of the year.
JAMES CLARK.
