TO SENSIBLE CITIZENS.—We know from what we see and feel, that the animal body is, in its organs and functions, subject to derangement, inducing pain, and tending to its destruction. In this disordered state, we observe nature providing for the re-establishment of order, by exciting some salutary evacuation of the morbid matter, or by some other operation, which escapes our imperfect senses and researches. In some cases she brings on a crisis by the bowels, in others by sweating, &c. &c.

Now experience has taught us that there are certain substances, by which, applied to the living body, internally or externally, we can at will produce the same evacuations, and thus do in a short time, what nature could do but slowly, and do effectually what she might not have strength to accomplish. When then we have seen a disease cured by a certain natural evacuation, should that disease occur again, we may count upon curing it by the use of such substances, as we know bring about the same evacuation, which we had before observed to cure a similar disease. It is in consequence of the power which the Brandreth Pills exert upon the whole system, that makes them so universally beneficial. It is because they impart to the body, the power to expel disease without leaving any evil effect.

A general family medicine, Brandreth's Pills are, it is believed by the Proprietor, superior to every other offered to the public. Dr. Brandreth's Pills are for sale by the following Agents in this county.

Wm. Stewart, Huntingdon.
M'Farlane, Garber, & Co., Hollidaysburg.
A. & N. Cresswell, Petersburg.
Moore & Swoope, Alexandria.
Hartman & Smith, Manor Hill.
Thomas M. Owens, Birmingham.
A. Patterson, Williamsburg.
Blair and Madden, Millden's Mills.

The above are the only authorized agents in Huntingdon county.
