

Huntingdon, Wednesday, Nov. 5, 1845.

RAILROAD MEETING.—Our neighbor of the Globe suggests the propriety of having a railroad meeting in this place some time during the coming court, for the purpose of advancing the project of constructing a railroad from Harrisburg to Pittsburg.

GLOBE'S MAGAZINE AND LADY'S BOOK.—The Nov. No. of this splendidly got up periodical, is on our table. The embellishments of this No. are truly splendid.

THIS NO. ALSO CONTAINS A CHOICE SELECTION OF MUSIC, composed by Julien, entitled "Carotta Ori Polka."

JOHN C. KUNKLE, Esq.—This talented young Whig representative, has been triumphantly elected by the people of Dauphin county this fall, running about five hundred ahead of his ticket.

WE HAVE RECEIVED A COPY OF THE "PENNSYLVANIA REPORTER AND HOME JOURNAL," published by our friend Col. DILLER.

BENJAMIN JORDAN, Esq.—This gentleman has been elected to represent the Dauphin and Northumberland Senatorial district, in the Senate of Pennsylvania.

THE NOVEMBER TERM OF OUR COURT commences on next Monday. We should not be the least surprised if we would get some money at that time for jobbing and advertising.

NOW IS THE TIME TO SUBSCRIBE. The long evenings have arrived and every body has time to read a paper, and we hope every Whig in the county (and Locofoco too, if they will) who does not take one, will send in his name to us.

WE ARE TRULY GRATEFUL FOR THE LIBERAL AND ENCOURAGING MANNER in which we have been patronized by the very brief time we have been in their midst, and can assure them that this appeal is not made in any spirit of complaint, but merely to point out to our friends the cheapest and most efficient means of benefiting the cause in which we all, as Whigs, have a mutual interest.

The Tariff Convention.

We learn by the proceedings of a meeting held in the city of Pittsburg, that there is to be a Tariff Convention held in the borough of Hollidaysburg on the 12th of November next, to "adopt measures in reference to the subject."

What is Wrong?

The last Globe denies that the election of Gwin and Patterson is anything else than a Locofoco triumph, and the editor gives it as his deliberate opinion that the county of Huntingdon is soundly LOCOFOCO from "PRINCIPLE."

WE ACKNOWLEDGE OURSELVES UNDER SPECIAL OBLIGATIONS to the Globe and Standard, for the kind wishes expressed by them, in noticing our two-fold arrangement.

FROM THE PENNSYLVANIA INQUIRER. The position of Mr. McLane as Minister to Great Britain, is exciting considerable attention.

VENERABLE LADIES.—The wives of men of genius, says the Philadelphia North American, often survive their husbands many years, even though the latter attain a venerable age.

THE MORMONS.—The Mormons have resolved to go to Oregon, and not to California. They have held a grand Convention at Nauvoo, and resolved unanimously to leave Illinois and settle at Vancouver Island, on the Columbia river.

ANTI-RENTERS.—It appears that Bradford county, Pa. has become the asylum of a portion of those concerned in the late difficulties in Delaware county, N. Y., and who fled from the scenes of these outrages.

THE BALTIMORE PATRIOT states that Mr. Alexander Semerville, of Calvert county, Md., was shot on Thursday night last, and very dangerously, if not fatally wounded.

The Loco Foco Hamburg Tariff Convention.

MR. CLARK.—A call has been issued by the choice leaders of the democratic party, together with a few whigs, to the people of Pennsylvania, to assemble in a popular convention, at Hollidaysburg, in this county, on Wednesday, the 12th day of November inst., to express themselves favorably to a protective tariff.

THE WHIGS HAVE FOUGHT, reasoned, written, talked and implored on this subject, when there was no democratic eye to pity nor arm to save, until they have succeeded in convincing the people of its utility and necessity.

Locofocos in Roman—Whigs in Italy—new Members marked thus (\*)—Native American thus (+) FINE.—On Friday night last, a fire broke out in a small building belonging to the Old Court House, and notwithstanding the vigorous exertions of the Firemen, it was entirely consumed. The exact loss has not been ascertained. No insurance. COUNTY PRISONERS ARRESTED.—We learn from Mr. Richards, of the Pawtucket Express, that a man who gave his name as George Warren, was arrested in Pawtucket on Saturday afternoon last, for attempting to pass counterfeit bills on the Nashua Bank. Some of the money was found ingeniously secreted in the toes of his boots. An accomplice who was with him unfortunately escaped.—U. S. Gazette. SENTENCE FOR MURDER.—Arthur Muhlolland and Patrick Rogan were each sentenced to the Eastern Penitentiary for four years, by Judge Parsons, on Saturday, for the murder of John Burns in April last. They had been convicted of murder in the second degree, the crime having been perpetrated in the course of an affray, in hot blood.—Ledger. HE SHAMED THE BACHELORS.—At the recent Agricultural Fair in Burlington, Vt., Mr. L. Chaso presented for premium three female children, two and a half years old, born at a birth! The committee on Household Manufacturers awarded him \$14—which was voluntarily contributed by the old bachelors present, who said they considered him a legitimate object of bounty. THE GERMAN REFORMED SYNOD.—This body continued its sessions at York, Pa., until Tuesday last, when it adjourned to hold its next annual meeting in Carlisle. The consideration of the report of the Committee upon Dr. Schaff's "Principle of Protestantism," occupied the attention of the Synod up to Friday evening—when the report, disapproving the action of the Philadelphia Classis upon the subject, was adopted by an almost unanimous vote. The debate, which was participated in by Drs. Berg and Meyer, and Revs. Helfenstein and Heiner, of Baltimore, in opposition to the Report, and by Drs. Schaff, Nevins, and Bibbigans, and Revs. Bomberger, Gutelius, and others, in favor of it—it is said to have been very interesting. Dr. Berg entered a protest against the decision of Synod, as in effect recognizing the doctrinal views of the Mercersburg Professors, which he maintains to be at variance with the received views of the church.—The protest was followed up by a reply from the Committee.—Gettysburg Star.
