OF
UNSEATED LANDS,
In Huntingdon County.

WHEREAS, by an act of the General Assembly of the Commonwealth of Pennsylvania, entitled "An act to amend an act directing the mode of selling unseated lands for taxes and other purposes," passed 13th March, 1815, and the other acts upon that subject, the Treasurers of the several counties within this Commonwealth are directed to commence on the 2nd Monday in June in the year 1816, and at the expiration of every two years thereafter, and adjourn from day to day if it be necessary so to do, and make public sale of the whole or any part of such tracts of unseated land, situate in the proper county, as will pay the arrearages of the taxes which shall then have remained due and unpaid for the space of one year before, together with all costs necessarily accruing by reason of such delinquency, &c. I, JOSEPH LAW, Treasurer of the county of Huntingdon, do therefore hereby give notice that upon the following tracts of unseated land, situate as herein described, the several sums stated are the arrearages of the taxes, respectively, due and unpaid for one year; and that, in pursuance of the direction of the aforesaid act of Assembly, I shall, on Monday the 8th day of June next, at the Court House in the borough of Huntingdon, commence the

PUBLIC SALE
of the whole or any part of such tracts of unseated lands, upon which all or any part of the taxes herein specified shall then be due, and continue such sale by adjournment until all the tracts upon which the taxes shall remain due and unpaid, be sold.

JOHN WILLIAMSON Having returned to Huntingdon county, has re-commenced the practice of Law in the Borough of Huntingdon, where he will carefully attend to all business entrusted to his care.—He will be found at all times by those who may call upon him, at his office with Isaac Fisher, Esq., adjoining the store of Thos. THE SUREST, THE BEST, AND THE ONLY REMEDY.
All the newspapers are full of patent remedies for coughs, colds, consumption and various other "diseases which flesh is heir to," proceeding from wet feet; but all experience teaches that "an ounce of preventive is better than a pound of cure;" and, having the means of furnishing the former article on short notice. Therefore
Charles S. Black respectfully informs the good citizens of the borough of Huntingdon, and the public generally, that he still continues the

Boot and Shoe-making
business, at his old stand in Allegheny st., one door west of William Stewart's Store, in the borough of Huntingdon, where he has lately received a large assortment of new and fashionable lasts, on which he guarantees to finish his work not only according to the latest styles, but in a workmanlike manner, and according to order.
He employs none but the best and most experienced workmen, and by strict attention to business and punctuality in promises, he hopes to deserve and receive a liberal share of custom.
WANTED—an APPRENTICE to the above business—a boy of 16 or 17 years of age will be preferred, and find a good situation if application be made soon.
CHARLES S. BLACK.

Hathaway's Patent Cooking Stove.
RIGHT SIDE UP!!
I WOULD respectfully inform the public, that I shall continue as heretofore, to act as Agent for the sale and delivery of the justly celebrated Hathaway Cooking Stove, manufactured by A. B. Long & Co., who have at a heavy expense secured the exclusive right of Patentee of Huntingdon and other counties.
No bombastic eulogy is deemed essential to add to the already acquired celebrity of this stove. It is necessary, however, to observe that the high reputation this stove has gained by its practical use, has induced the manufacturers of other and inferior articles, to borrow (not to use a harsher term) the name of HATHAWAY, and prefix it to an "Improved," in order to make their inferior trash go off as genuine, and thereby impose upon the public. I, myself, sell the only REAL HATHAWAY stove that is or can be sold in this county, and would therefore admonish the public against the imposition above alluded to. I am happy in being able to say, confidently, that during the last three or four years, in which I have been constantly dealing in and putting up these stoves, I have found them to give universal and unbounded satisfaction. Any communication in relation to stoves addressed to me at Lewistown, Mifflin county, (my place of residence) will meet with the earliest possible attention.
A few good sound horses will be taken in exchange for stoves.
JAMES A. PEIRCE.
