Patent Cooking Stove.

RIGHT SIDE UP!!

I WOULD respectfully inform the public, that I shall continue as heretofore, to act as Agent for the sale and delivery of the justly celebrated Hathaway Cooking Stove, manufacturnd by A. B. Long & Co., who have at a heavy expense secured the exclusive right of Patentee of Huntingdon and other counties.

No bombastic eulogy is deemed essential to add to the already acquired celebrity of this stove. It is necessary, however, to observe that the high reputation this stove has gained by practical use, has induced the manufacturers of other and inferior articles, to borrow (not to use a harsher term) the name of HATHAWAY, and prefix it to an "Improved," in order to make their inferior trash go off as genuine, and thereby impose upon the public. I, myself, sell the only REAL HATHAWAY stove that to a tan be sold in this county, and would therefore admonish the public against the imposition above alluded to. I am happy in being able to say, confidently, that during the last three or four years, in which I have been constantly dealing in and putting up these stoves, I have found them to give universal and unbounded satisfaction. Any communication in relation to stoves addressed to me at Lewistown, Mifflin county, (my place of residence) will meet with the earliest posible attention.
