ANOTHER ASTONISHING CURE. WISTAR'S BALSAM OF WILD CHERRY, ALWAYS TRIUMPHANT! CURE FOLLOWS CURE! IN ITS ONWARD VICTORIOUS CA-REER!

DAYTON, Feb 11th, 1845.

DAYTON, Feb 11th, 1845.

Mr. J. W. Whitomore:—Dear Sir. As you are the regular authorized agent in Dayton, for the sale of "Dr. Wister's Balsam of Wild Cherry," I take this method of making a statement of facts to you (which I hope may be published to the world) in reference to an almost miraculous Cure, wrought in my case by means of the above Invaluable Balsam.

Langnage fails to describe the salutary effect it produced and the great benefit I derived from its use.

The citizens of Dayton and viciuity, well recollect, that on the 8th of August last, I received seriou injury from the explosion of a cannon. A portion of its contents entered my right side and breast, and in all probability, some fragments or splinters of the ram-rod passed through the 'plura' and pierced the lungs.

After the lapse of six weeks, I was attacked with a distressing cough and violent pain in my right side. Some ten days after this, when in a paroxysm of coughing, suddenly an ulser broke, and a large quantity of offensive matter, mixed with blood, was discharged, most of which found passage through the opening of the wound: from this opening there frequently passed a quantity of air, supposed to issue from the lungs. During all this time my sufferings were almost intolerable.

My physicians, meanwhile, paid the strictest attention to re and did all in their power for my recovery. But with all their skill they could uot reach the seat of distress, after the lungs had become affected. I was visited during this time by at least twenty physicians, after the lungs had become affected. I was visited during this time by at least twenty physicians.

At this critical state, a messenger was dispatched to Cincinuati, and a celebrated physician, of that place was consulted. When he was made acquainted with my situation, he remarked that nothing could be done by medical aid, if the constitution itself was not sufficient to throw off the disease.

My friends now despaired of my recovery, and had no earthly ground of hope to

itself was not sufficient to throw on disease.

My friends now despaired of my recovery, and had no earthly ground of hope to survive many days. Fortunately at this juncture I saw one of Dr. Wistar's pamphiets, entitled 'Family Medical Gazette' or treaties on Consumption of the lungs, and had often heard of dying men 'catching at straws;' Ifelt like doing sc myself. By the consent of my physicians, I sent to you for a bottle of medicine described viz; 'Wistar's Balsam of wild Cherry,' which retar's Balsam of wild Cherry,' which rea bottle of medicine described viz; "Wistar's Balsam of wild Cherry," which relieved me almost immediately. After I had used some 5 or 6 bottles. I so far recovered as to be up and about. My cough ceased, and my lungs were restored to a healthy state—all from the healing and balmy influence, and powerful medical virtues of Wistar's Balsam.

Yours truly,

CHARLES R. SMITH.
