cure! In ITS ONWARD VICTORIOUS CANER.! DAYTON, Feb 11th, 1845. Mr. J. W. Whitomore:-Dear Sir. As you are the regular authorized agent in Dayton, for the sale of "Dr. Wister's Bal-sam of Wild Cherry, "I take this method of making a statement of facts to you (which I hope may be published to the world) in reference to an almost miraculous Cure; wrought in my case by means of the above Invaluable Balsam. Tangage fails to describe the salutary effect it produced and the great benefit I derived from its use. The citizens of Dayton and vicinity, well recollect, that on the 8th of August last, f received serious injury from the explosion of a canno. A portion of its contents en-tered my right side and breast, and in all probability, some fragments or splinters of the ram-rod passed through the 'plura' and pierced the langs. The citizens of Daytons of the wound: age through the opening of the wound; from this opening there frequently passed a quantity of air, supposed to issue from the lowes almost intolerable. My physicians, meanwhile, paid the strictest attention to we and did all in their skill they could not reach the seat of dis-trees, after the langs had become affected. My physicians, meanwhile, paid the skill they could not reach the seat of dis-trees, after the langs had become affected. Twas onow reduced to a certainty, that infiamation of the lungs was rapidly taking lace, and that this would terminate my ite in a short time, was the highest degree probable. My friendis now despired of my recov-my situation, he remarked that nothing could be done by medical aid, if the constitution itel was not sufficient to throw off the user. My friends now despired of my recov-survive many days. Fortmately at this lets, end had no earthly ground of hope to survive many days. My friends now despaired of my recov-ery, and had no earthly ground of hope to survive many days. Fortunately at this juncture Is aw one of Dr. Wistar's pamph-lets, entitled 'Family Medical Gazette' or treaties on Consumption of the lungs, and had often heard of dying men 'catching as straws;' Ifelt like loing so myself. By the consent of my physicians, I sent to you for a bottle of medicine described viz; "Wis-tar's Balsam of wild Cherry," which re-lieved me almost immediately. After I had used some 5 or 6 bottles. I so far re-covered as to be up and about. My cough ceased, and my lungs were restored to a healthy state --all from the healing and balmy influence, and powerful medicals 'virtues of Wistar's Balsam. Yours truly,
