

WISTAR'S BALM OF WILD CHERRY

Diseases of the Lungs and Breast. ANOTHER ASTONISHING CURE.

As you are the regular authorized agent in Dayton, for the sale of "Dr. Wistar's Balm of Wild Cherry," I take this method of making a statement of facts to you...

Language fails to describe the salutary effect it produced and the great benefit I derived from its use.

The citizens of Dayton and vicinity, well recollect, that on the 8th of August last, I received serious injury from the explosion of a cannon.

After the lapse of six weeks, I was attacked with a distressing cough and violent pain in my right side.

My physicians, meanwhile, paid the strictest attention to me and did all in their power for my recovery.

It was now reduced to a certainty, that inflammation of the lungs was rapidly taking place, and that this would terminate my life in a short time, was in the highest degree probable.

At this critical stage, a messenger was dispatched to Cincinnati, and a celebrated physician of that place was consulted.

My friends now despaired of my recovery, and had no earthly ground of hope to survive many days.

After I had used some 5 or 6 bottles, I so far recovered as to be up and about. My cough ceased, and my lungs were restored to a healthy state...

Read the following from Dr. Jacob Hoffman, a physician of extensive practice in Huntingdon county:

"Dear Sir:—I procured one bottle of Dr. Wistar's Balm of Wild Cherry, from Thomas Read, Esq., of this place, and tried it in a case of obstinate Asthma on a child of Paul Schweble, in which many other remedies had been tried without any relief..."

The true and genuine "Wistar's Balm of Wild Cherry" is sold at established agencies in all parts of the United States. Price \$1.00 per bottle.

Also, by Thomas Read & Son, Huntingdon; Mrs. Mary Orr, Hollidaysburg; Gemmill & Porter, Alexandria.

M'ALLISTER'S ALL-HEALING OINTMENT.

Insensible Perspiration.

THE preceding figure is given to represent the insensible perspiration.—It is the great Evacuation for the impurities of the body. It will be noticed that a thick cloudy mist issues from all parts of the surface, which indicates that the perspiration flows uninterruptedly when in health, but ceases when we are sick.

Old Sores.—That some sores are an outlet to the impurities of the system, is because they cannot pass off through the natural channels of the Insensible Perspiration.

To give some idea of the amount of the Insensible Perspiration, we will state that the learned Dr. Lewenhock ascertained that five-eighths of all we receive into the stomach passed off by this means.

Let me ask, now, every candid mind, what course seems the most reasonable to pursue, to unstop the pores after they have been closed? Would you give a physic to unstop the pores? Or would you apply something that would do this upon the surface, where the clogging actually is?

It is by stopping the pores that overwhelm mankind with coughs, colds and consumptions. Nine-tenths of the world die from diseases induced by a stoppage of the Insensible Perspiration.

It has power to cause all external sores, scrofulous humors, skin diseases, poisonous wounds, to discharge their putrid matters, and then heals them. It preserves and defends the surface from all derangement of its functions.

CONSUMPTION.—It can hardly be credited that a salve can have any effect upon the lungs, seated as they are within the system. But if placed upon the chest, it penetrates directly to the lungs, separates the poisonous particles that are consuming them, and expels them from the system.

HEADACHE.—The salve has cured persons of the Headache of 12 year's standing, and who had it regularly every week, so that vomiting often took place.

ing, and who had it regularly every week, so that vomiting often took place. Deafness and Ear ache are helped with like success. COLD FEET.—Consumption, Liver Complaint, pains in the Side or Chest, falling off the hair, one or the other, always accompanies cold feet. It is a sure sign of disease in the system to have cold feet.

The Salvo will cure every case in Scrofula, Erysipelas, Salt Rheum, Liver Complaint, Sore Throat, Bronchitis, Broken or Sore Breast, Piles, Chest Diseases, also Sore Lips, Chapped Hands, Tumors, Cutaneous Eruptions, Nervous Diseases, and of the Spine there is no medicine known probably so good.

BURNS.—It is the best thing in the world for Burns, (Read the directions around the box.) Pimples on the face, Masculine Skin, Gross Surface.—When there is grossness or dull repulsive surface, it begins to soften until the skin becomes as smooth and delicate as a child's.

WORMS.—If parents knew how fatal most medicines were to children taken inwardly, they would be slow to resort to them. Especially 'mercurial lozenges,' 'vermifuges,' 'pills,' &c. The truth is, no one can tell, invariably, when worms are present.

RHEUMATISM.—Almost every case cured with this ointment. FEVERS.—In all cases of fever, the difficulty lies in the pores being locked up so that the heat and perspiration cannot pass off.

WE have cured cases of Scald Head that defied every thing known, as well as the ability of fifteen or twenty doctors.—One man told us he had spent \$500 on his children without any benefit, when a few boxes of the ointment cured them.

JAMES M'ALLISTER & Co., Sole proprietor of the above Medicine. Price 25 cts. per box. CAUTION.—As the All-Healing Ointment has been greatly counterfeited, we have given this caution to the public that 'no ointment will be genuine unless the name of James M'Allister or James M'Allister & Co. are written with a pen upon every label.'
