DR. DAVIS' COMPOUND SYRUP

OF WILD CHERRY AND TAR.

FOR the cure of Pulmonary Consumption, Coughs, Colds, Asthma, Influenza, Bronchitis, Pleurisy, Difficulty of Breathing, Pain in the Breast or Side, Spitting of Blood, Croup, Nervous Tremors, Hooping Cough, &c.

From the Christian Repository, Dec. 13, 1845.

We insert in another column an advertisement of Messrs. Robison & Collins of this city, to which we take pleasure in calling the attention of our readers. We do this more especially from the card of Bro. Barnes which is appended to it. Bro. B. is a member of the M. E. Church in good standing, and those who know him personally, (as we do) have the fullest confidence in any statement he may give of the efficacy of any medicine which he may have tested.

PHILADELPHIA, Sept. 20, 1845.

Messrs. Robison, Collins & Co.—Being afflicted last spring with a very severe cough, with pain in my side and breast, soreness and weakness of the lungs, shortness of breath, loss of appetite, &c., I tried various remedies, but to no good effect, my cough still continuing and growing worse. Such was the distressing nature of the cough, that I could not lie in bed night nor day, but was obliged to sit up in my chair, and could sleep very little at best; consequently I was wearing out very fast, till you very kindly recommended Dr. Davis' Compound Syrup of Wild Cherry and Tar, the first bottle of which gave me relief, checked my cough, loosened the phlegm, caused me to expectorate freely, restored my appetite, relieved the pain in my side, healed the soreness of my breast, and strengthened my lungs, causing me to breathe freely. I have now taken ten bottles; it has entirely cured my cough. I have gained considerably in flesh. I think it a most valuable medicine, and one that ought to be universally known, that those afflicted with colds and coughs may have a medicine both safe and sure to cure, if taken properly. While taking the medicine, I drank freely of molasses and water, which I found excellent to keep the bowels open. If this statement can be found of any benefit to the afflicted, you are at liberty to make such use of it as you may think proper.

CONSUMPTION CURABLE.

Thompson's Compound Syrup of Tur and Wood Naphtha.

IT is the result of some impression made upon them by cold or other causes; hence Chronic, Catarrh, Spitting of Blood, Bronchitis, Asthma, resulting in Consumption, Gastritis, diseased Liver and Kidneys, Palpitation of the Heart, &c. From incontestable evidence, it is proved that Thompson's Compound Syrup of Tur and Wood Naphtha is a specific in these complaints—alleviating irritation, promoting healthy secretion, and removing the existing cause of disease. Thousands have used it, and can bear testimony to its efficacy.

FARTHER PROOF!!

Philadelphia, March 1st, 1846.—I hereby certify, that in consequence of repeated and neglected colds, my lungs became seriously affected, and for a long time I have suffered with violent pain in the breast, obstinate cough and difficult expectoration, the symptoms daily increasing in violence. I had recourse to various remedies, with no avail, until I used THOMPSON'S COMPOUND SYRUP OF TAR, which effected a permanent cure before I had taken three bottles. E.
