

of all the votes, was declared duly nominated.

On motion of Mr. ADAMS, the nomination was unanimously concurred in.

Mr. KUNKLE moved the appointment of a committee of five, to inform Gen. Irvin and Mr. Patton of their nomination. The Chair appointed Messrs. Pearson, Mackey, R. Irvin, T. W. Duffield, Wilson, Adams and Bard.

The Convention then took a recess for fifteen minutes.

12 o'clock, M. Convention re-assembled, when Mr. MILLS, Chairman of the committee on resolutions, announced that the committee was ready to report.

The report was then read by Mr. CONRAD, and unanimously adopted, as follows:

PREAMBLE.—The Whig delegates from the various counties and districts of Pennsylvania, assembled in Convention at Harrisburg, for the purpose of presenting to the people suitable candidates for the offices of Governor and Canal Commissioner of this Commonwealth, and having discharged that duty, present the following resolutions as expressive of the views of the Convention:

Resolved, That this Convention offers its sincere congratulations to the people of this Commonwealth, and of the United States at large, upon the rallying of so large a majority of the people to the principles of the Declaration of Independence, and the faith of the founders of the Republic.

Resolved, That the triumph of the Whig Democracy, as exhibited by the majority in both houses of the General Assembly of this Commonwealth, cannot be viewed as complete, until the Executive branch of the government shall be made to harmonize with the Legislature.

Resolved, That having entire confidence in the political integrity and sound Democratic Whig principles of General JAMES IRVIN, of Centre county, as exhibited in a long and active life—believing his talents to be of the highest order and fully equal to the due performance of any trust that may be reposed in him by the people, and knowing his public and private character to be pure and unspotted, this Convention unanimously recommend him to the people of Pennsylvania as a suitable candidate for the office of Governor of the Commonwealth.

Resolved, That in offering the name of this distinguished citizen for the suffrages of the people of Pennsylvania, we design to make no new issues as to measures or principles, but adhering to the ancient landmarks of the Democratic Republican party, as established by the Father of his country, by Jefferson, Madison, and Monroe—the most prominent of which are the protection of the Agricultural, the Mineral and the Manufacturing interests of this Commonwealth and of the United States at large, against the competition and hostility of foreign nations, and pauper labor; especially of England; equal justice towards all nations but entangling alliance with none;—the supremacy of the people over their servants—the restriction or control of Executive power, and the preservation of national prosperity and individual happiness.

Resolved, That in the opinion of this Convention, the people of Pennsylvania—the practical men who are concerned in the prosperity of the Commonwealth, and the development of its resources, and the protection of its industry, have heretofore had from friends of candidates enough of hollow profession for the particular interests of the State, and are called upon now to sustain a candidate whose life and principles are pledged for his faithful administration of public affairs, as they are identified with the prosperity of the people of Pennsylvania.

Resolved, That we have the fullest confidence in the ability and integrity of JOSEPH W. PATTON, presented to the people by this Convention as a candidate for the important office of Canal Commissioner; and feel confident that if elected, the happiest consequences will result from a thorough change of men and measures connected with the public improvements of the Commonwealth, and the introduction of that energy and economy so necessary for their prosperity.

Resolved, That the Protection of American Manufactures, and the independence of American labor, as they were the policy of the Whigs before and during the Revolution, and their policy now: that the Tariff of 1842 was the source of unexampled prosperity to the country, and that its repeal has been attended with results detrimental to the true interests of all sections and classes.

Resolved, That if an addition to our territory be desirable, it should not be attained by injustice, nor attended with an extension of slavery; that while we respect and will sacredly observe every compromise of the Constitution, we believe that the interests of North and South, the welfare of the race, and the honor of the nation, demand that territory should not be acquired for the purpose of an extension of slavery.

Resolved, That true democracy demands a jealousy of Executive power;—that a renewal and continuance of the power of a Chief Magistrate is corrupting and dangerous in its influence and tendencies; that we recognize and adopt, as the expressed will of the people, the ONE TERM PRINCIPLE.

Resolved, That the thanks of the whole nation are due to Major General TAYLOR,

and the brave officers under his command, for their distinguished conduct in the present war, in the victories of Palo Alto, Resaca de la Palma, and the storming of Monterey; and that we also view with a just pride the spirit and alacrity with which the men of Pennsylvania have, in numbers far beyond a proportion of the State, responded to the call of their country, and rallied under its victorious banner. It is an earnest that the fame of our ancestors will never be tarnished, and that Pennsylvania is ever ready to do her duty.

Mr. DUFFIELD moved that the thanks of the Convention be tendered to the County Commissioners for the use of the room. Adopted.

Mr. MILLS moved a vote of thanks to the officers of the Convention. Adopted. The Convention then adjourned sine die.

FROM MEXICO.

TELEGRAPHIC DESPATCHES!
[From the North American.]
LATER FROM TAMPICO.

Arrival of Gen. Scott—Vera Cruz reported as evacuated by order of Santa Anna—Troops marched into the Interior—Attacks threatened upon Saltillo, Monterey and Matamoros.

WASHINGTON, March 8-9 P. M.
By the arrival of the schooner Delta, at New Orleans on the 1st inst., dates from Tampico to the 20th ult. have been received. Gen. Scott had arrived there the day previous.

It was reported that Vera Cruz had been evacuated by order of Santa Anna, and that the troops were marched into the interior.

Mr. Lumsden, of the New Orleans Picayune, writes from Tampico, on the 18th, that he has seen a letter from a Mexican officer to a friend, dated San Luis, Feb. 9th, which stated that Santa Anna was to march on Saltillo preparatory to attacking Monterey. Gen. Urea, with 5000 troops, was at Victoria, and intended soon to march upon Matamoros. Both these attacks, the writer anticipated, must prove successful, and says, we will give the Yankees hot work in the North while marching upon Vera Cruz. The writer is Private Secretary to Santa Anna.

It is pretty certain that Santa Anna has arrived at Saltillo, and it is even reported that he had engaged Gen. Taylor, but the latter was not believed to be at Tampico.

General Scott has issued orders to regulate the punishment of all crimes committed by Mexicans or Americans not provided for by army rules, after trial before a military commission, according to the laws of the United States.

LATE FROM THE BRAZOS.

Gen. Butler arrived at New Orleans—Gen. Taylor at Saltillo—Aqua Nueva taken Possession of—Embarkation of Gen. Worth's Division—Loss of the Royal Mail Steamship Tweed—Sixty persons lost.

The steam propeller Washington arrived at New Orleans on the 26th ult., from the Brazos, which she left on the 23rd. General Butler came a passenger—he was suffering so much from his wound as to entirely disable him from active service.

General Taylor had arrived at Saltillo with Briggs' and Thomas' batteries and the Second Mississippi regiment on the 2d Feb. He has taken possession of Aqua Nueva, and all the troops are to go there, with the exception of a few who remain in town.

There was no doubt that Gen. Minon would yet cause considerable trouble.—Gen. Taylor is very much in want of light troops.

A letter from the Brazos, under date of the 23d, published in the Picayune, says that Gen. Taylor is busy making water tanks and collecting train wagons and pack mules. The enemy had left that part of the country for parts unknown, but supposed in the direction of Vera Cruz.

Gen. Worth's division had all embarked, with the exception of the dragoons and the light artillery batteries. Gen. Worth had sailed a day or two previous in the steamer Edith.

The Atrevida, arrived at New Orleans from Campeachy, and brings dates to the 19th. She brings news of the wreck of the Royal Mail Steamship Tweed, on the 12th of February, on the north-east end of Alacranes. Sixty persons were drowned. An expedition had been sent from Campeachy to her assistance.

A letter from a highly intelligent and well informed gentleman at Paris, says the National Intelligencer, dated Jan. 30th, published in the Providence Journal, says that the writer was informed a few days since, on very high authority, "that Paredes is in Paris, endeavoring, but without success, to entangle the French Government in the affairs of Mexico; that Paredes gives it as his opinion that the Mexican war will be a long one."

Four dies of different patterns form the body of the work, and in the centre is a portrait of the late Wm. Swaim, separated from the borders by two circles of lathe work. The words "Swaim's Panacea," are engraved conspicuously on two turned strips, and a large semi-circular disc forms the upper margin. The borders are composed of plain lathe work strips, outside of which is engraved in small letters the entry of the copyright.
