UNION HOUSE, HUNTINGDON, PENNA.

THE subscriber respectfully begs leave to announce to his friends and the public generally, that he has leased that well-known PUBLIC HOUSE, in the borough of Huntingdon formerly occupied by John McConnell, and more recently by Adam H. Hall, deo, where he is now ready to accommodate all who may favor him with their custom.

Having thoroughly renovated this house, with the intention of sparing no efforts in contributing to the comfort of his customers, he flatters himself that he will be able to render satisfaction to all who may be pleased to stop with him. The house is pleasantly located in the most prominent part of the town.

HIS TABLE
Will always be supplied with the best market can afford. The greatest care will be taken in regard to the cleanliness and comfort of his sleeping apartments.

HIS STABLING
Is commodious, and will always be attended by a careful and obliging ostler, and every arrangement made to make his house a desirable stopping place for the traveller.

PERMANENT BOARDERS
Will be taken on reasonable terms. His prices will be very moderate. JOHN MARKS, Huntingdon, March 31, 1847.

PHILADELPHIA CHINA & QUEENSWARE HOUSE.

THE subscribers, successors to S. Tyndale, would call the attention of the Merchants and Residents of Huntingdon and vicinity, to their stock of

CHINA AND QUEENSWARE,

Which we have no hesitation in saying is the largest in the United States, and which, in the greater part, is made for, and imported by ourselves.

Any person having a taste for China or China for a number of years, will notice the general deterioration in the quality—this is owing to the greatly reduced prices. In some of the manufactories, where a good name has been established, and pride taken in their character, no such inferiority is observed—from such houses have we constantly endeavored to make our stock, and we are determined to sell our wares as low as any quality, whether equal or inferior, can be sold in the U. S.

There is a prejudice against Chesnut Street, raised from a false notion of higher prices. Our rents on this street are lower than on any other business street, and nothing else could possibly make a difference. But no house can succeed here that does not keep the best qualities of goods, and this does not suit all—hence the prejudice. We have every kind of Ware, from common Painted Teas, Edged Plates, Mocha, Granite, Printed, Flowing Blue, &c. &c. to the finest China and Glass.

We are anxious to extend our business, and take every proper means of doing so—but not making personal application to strangers here, we have no other means of doing it, than by the aid of our old friends, by advertising, and by the quality and prices of our goods.

NOTICE.

DISSOLUTION OF COPARTNERSHIP.—The copartnership heretofore existing, under the name of WM. SWAIM & SON, was dissolved on the 21st of July last, by the decease of the said Wm. Swaim, and the business is now, and will be in future, conducted exclusively by the subscriber, who has had the sole charge of the manufacturing of the Panacea and Vermifuge for the last 14 years.

The Panacea will be put up as usual in round bottles, fluted longitudinally, with the following letters on the glass—"Swaim's Panacea, Philada." and the only change made is the name of JAS. SWAIM stamped on the sealing wax, and written on the label covering the cork, and a new label for the side of the bottle, composed of geometric lathe work, comprising nine different dies, which have been turned for the exclusive use of the proprietor, by Draper & Co., bank note engravers of Philadelphia. Four dies of different patterns form the body of the work, and in the centre is a portrait of the late Wm. Swaim, separated from the borders by two circles of lathe work. The words "Swaim's Panacea," are engraved conspicuously on two turned strips, and a large semi-circular die forms the upper margin. The borders are composed of plain lathe work strips, outside of which is engraved in small letters the entry of the copyright.
