

LATER FROM MEXICO.

[From the North American.]

GEN. SCOTT ADVANCING.

WASHINGTON, July 22. Vera Cruz dates to the 8th, Tampico to the 10th, and Brazos to the 11th, have been received at New Orleans by the arrival of the steamship Galveston. The New Orleans papers do not state that the overtures of peace had been rejected by the Mexican Congress.

The dates from the Capital are no later. El Republicano of the 28th states that a council of war had been held by Gen. Scott at Puebla on the 24th, to discuss the question whether the army should advance on the capital or not.

A General, whose name is not given, expressed the opinion that it would be imprudent to advance with less than 20,000 men. General Worth differed from these views.

Gen. Scott and the rest of the officers agreed with Gen. Worth's views, and it was forthwith resolved to take up the line of march for the Capital on the 28th, but would halt at Rio Frio a few days, to give time to the Mexican Government to determine its answer to the proposition for negotiation of peace.

The American force is estimated at 8500 men. The Commercial Times has authentic intelligence of these details, almost literally correct. The Republican remarks upon this intimation that it believes the Americans have compromised their situation beyond measure; and even if they win triumphs upon triumphs, those very victories will cause their ruin.

The Republican of the 30th, publishes letters announcing the embarkation of troops at Vera Cruz; that Gen. Scott had ordered to advance 1500 strong, with 10 guns and a mortar, towards the capital, but learning that the train was detained this side of Puebla, had countermanded the order and dispatched assistance to the train.

It also states that Gen. Scott had probably postponed his intention of reaching the Capital to the tenth of July. The same paper thinks it probable that Gen. Taylor will abandon Saltillo.

[BY MONDAY EVENING'S MAIL.]

LATER.

FREDERICKSBURG, July 23.

The steamship Palmetto, arrived at New Orleans, brings Vera Cruz dates to the 9th inst. Nothing has been received from Gen. Scott's army since the 1st. The Picayune is confirmed in the opinion that the momentous news published the day previous as received by the Galveston, was the result of a hoax at the Capital.

The expedition from Alvarado against Padre Juranta was not successful. This Mexican leader has given positive orders to take no prisoners, but to put to death not only the Americans, but every Mexican they can catch that has rendered services to our countrymen. Gen. Pierce has not yet left Vera Cruz. No news has been received from Tampico or the Brazos.

The 8 American prisoners arrived at New Orleans, reported at Tampico that about 30 others had attempted to escape but were retaken, and three shot during the pursuit. It is supposed that Colonel De Russy's expedition has failed.

The Picayune gives extended gleanings from the Mexican papers of June 30th, but they are not worth telegraphing.

The New Orleans Commercial Times of the 15th makes no allusion to the reported rejection of the overtures of peace to which it gave publicity the previous day.

POPULAR DESIRE FOR PEACE.—Men of all parties are becoming tired of the existing war. The prestige of victory has passed away. It was natural, after so protracted a period of peace, that our people should be temporarily charmed by the clash of arms and the stirring details of sanguinary conflicts.

But the excitement engendered by the novelty of actual war, have been succeeded by calm reflection upon the revolting evils which are the unavoidable accompaniments of open belligerence. The public heart no longer pants for bloody triumphs. The shouts of victory, and the groans and agonies of the battle field, have ceased to gratify; and the universal desire now is not to bear of the further sanguinary triumphs of our invincible army, but of the cessation of hostilities and the amicable adjustment of our difficulties.

INDUSTRIAL LEAGUE.—The Workmen of Louisville, Kentucky, have organized an "Industrial League," among other objects, looking into the establishment of the ten hour system by law, and to the exemption from execution, and sale for debt, of the mechanics tools, and of two hundred dollars worth of household or other goods to every citizen having a family in the State.

POISONOUS CARDS.—The Danbury (Connecticut) Times says that a child of that town, was poisoned on the 16th instant, by putting a visiting card in its mouth, which its mother had given it to play with. It died in forty-eight hours after. An analysis of the card showed that the enamel or coating was composed of carbonate of lead.

Suffrage of Volunteers.

We were about to answer the query of a correspondent as to the mode of returning the votes of our volunteers in Mexico next fall, when the York Republican met our eye, which says "The Act of Assembly regulating the General Elections of this State makes provision that the returns are to be transmitted by the officers named as Inspectors within three days after such election, through the nearest Post Office, to the Prothonotary of the county in which such electors would have voted, if not in military service. They are also to make another return to the commanding officer of the Regiment or Battalion, as the case may be, who shall make a general return of all the votes to the Secretary of the Commonwealth by post. The Prothonotary is to deliver a copy of the Return sent to him to the Return Judges of the proper county, and those Judges are not to meet until the Second Tuesday of November after the election. They are to include the votes so made known to them in the enumeration of the votes given in their respective counties. Yet even this length of time will not suffice to receive a return made from the City of Mexico, or any where in its neighborhood, especially if the guerillas should be about. Our legislators were not far-sighted enough to provide for such a contingency in 1839. They never thought of volunteers voting in a foreign country; for they did not know that in the year of Grace 1847 we were to be engaged, "under the direction of Divine Providence" and in obedience to the "Will of God," in "civilizing, Christianizing and raising up from anarchy and degradation, a most indolent, ignorant, wicked and unhappy people."—Parblind mortals that they were!"

STRANGE EVENT.—At a recent sacrament at the Seceder Church, at Cadiz, Ohio, while the members were at the table, some six or eight persons were attacked with a violent fever so suddenly that they were compelled to leave the church for home and sick bed. The disease spread rapidly through the congregation, and upwards of one hundred members have since been taken dangerously ill—whole families have been prostrated, and a considerable number have since died.

GOOD ADVICE.—The Boston Transcript says "the steamer's news on Saturday, which shortened the price of breadstuffs, and lengthened the rye-faces brought out "such a good un" that it is worthy of being chronicled. One merchant, who was telling in a pitying strain to another, of the immense losses experienced by a mutual friend who had purchased flour largely at the topmost prices, was coolly answered as follows: "Tell—never to dig clams in high water!"

"The Federalists of 1796 and the Federalists of 1847, are identified and have common sympathies.—Locofoco paper.

Is that the reason why Mr. Polk selected Richard Rush, famed for having in '96 publicly worn the black cockade, as minister to France in place of Tory Ingersoll, rejected by the United States Senate?

"How can aid and comfort be given to the enemy without joining their forces?"—West Chester Democrat.

By doing as Mr. Polk did! He gave Santa Anna and his suite of thirty generals a pass through the American fleet, and thereby furnished the Mexican army with experienced officers. He also procured THREE MILLIONS OF DOLLARS wherewith to bribe the Mexican government to agree to a peace!

Will the friends of IRVIN and PATTON throughout the county exert themselves to have clubs raised, and forward the names and money without delay! Now is the time to act!

DELEGATE MEETINGS AND COUNTY CONVENTION. THE Democratic Whigs of the several Townships will hold meetings, at the usual places, on Saturday, August 7th, 1847, for the purpose of electing two delegates to represent their several townships in County Convention, to be held in Huntingdon on Wednesday, the 11th day of August, 1847, to place in nomination a Ticket, to be supported at the coming election. The Committee would urge upon the friends of truth and order, the importance of attending the primary meetings. All who love their party, its principles, its organization, and desire its success—and believe it the safeguard of our Laws and privileges, should be early in the field, and faithful and untiring in his endeavors to secure success. Neglect of a first duty will bring coldness and carelessness, in the performance of subsequent ones. Old Huntingdon has arrayed herself already among the faithful.—She must maintain her post of honor.

As this advertisement is merely intended to draw the attention of those acquainted with the iron business to the lands, the subscriber deems it unnecessary to dwell longer on the advantages possessed by this property, as those wishing to purchase will of course call and examine it. Those desirous of further particulars are invited to call on the subscriber living on the premises, or on Mr. Gaskell, Agent of the Holland Land Company, at Punxsawtawney, Jefferson county. Great Spring and Summer Medicine.

HANCE'S Sarsaparilla Vegetable or Blood Pills.—Fifty pills in a box—the cheapest and best medicine in existence—for purifying the blood, removing bile, correcting disorders of the stomach and bowels, costiveness, dyspepsia, swimming in the head, &c. Persons of a full habit, who are subject to headache, giddiness, drowsiness, and ringing in the ears, arising from too great a flow of blood in the head, should never be without them, as many dangerous symptoms will be entirely carried off by their immediate use.

Read the following wonderful cure of dyspepsia: This is to certify that my wife was afflicted with the Dyspepsia for 12 years, and tried both advertised medicines and Thomsonian, but without effect; and myself attacked with blindness, and my head otherwise affected from hard drinking, so that I was apprehensive of fits; and seeing HANCE'S SARSAPARILLA PILLS advertised, I went and got a box of them, which, to my astonishment, effected a cure of me and my wife both. I think them without a rival before the public. S. H. HALL, Abenarib st. near Wilk. For sale by Seth S. Hance, 108 Baltimore st., and corner of Charles & Pratt sts., Balt. [Nov 4-y]

AGENTS—T. Read & Son, Huntingdon; Moore & Swoope, Alexandria; A. O. Brown, Shirleyburg; W. W. Buchanan, Mill Creek; Spencer & Flood, Williamsburg.

Syrup of Horchound. FURTHER PROOFS OF THE EFFICACY of Hance's Compound Syrup of Horchound in relieving afflicted man. Mr. George T. Warrington, residing in York street, Federal Hill, Baltimore, was attacked with a violent cough and sore throat. After trying many remedies, he was induced by a friend to use Hance's Compound Syrup of Horchound, and before using one bottle was entirely cured.

Another yet more Astonishing.—Mrs. Henrietta Merrick, residing in Monument street, between Canal and Eden streets, was attacked with a very severe cough and pain in the Breast, which was so intense that it extended to the shoulders. She was afflicted also with a pain in the side. After trying many remedies, she was persuaded by a friend to use Hance's Compound Syrup of Horchound, and after using three doses, she experienced great relief, and before she had finished the bottle was entirely cured. Price 50 cts. per bottle, or 6 bottles for \$2 50. For sale by Seth S. Hance, 108 Baltimore st., and corner of Charles and Pratt sts., Baltimore. [oc28y]

Great Spring and Summer Medicine. HANCE'S Sarsaparilla Vegetable or Blood Pills, for purifying the blood. BALTIMORE, July 29, 1843. This is to certify, that I was afflicted with a violent pain in the breast and right arm, which I suppose proceeded from the impure state of my blood. I was recommended to take Hance's Sarsaparilla or Blood pills, and after taking one box, the pain was entirely removed from my breast and arm. I found them extremely gentle in their operation, and would recommend them to every person in want of a mild purgative. PATRICK ROCHE, No. 23 Conway street, between Howard and Eutaw.

In purchasing these pills let me add one word of caution. Always ask for Hance's pills, and purchase of none but those advertised as agents, and if convenient, call and see the proprietor himself. For sale by Seth S. Hance, 108 Baltimore st., and corner of Charles and Pratt sts., Baltimore. Price 25 cts. per box, of fifty pills each, for Hance's genuine pills, or 3 for \$1. [Nov 18y]

HANCE'S Compound Syrup of Horchound, for the cure of coughs, colds, consumption, spitting of blood, pain in the side and breast, bronchitis, croup, and all diseases arising from a disordered condition of the lungs or neglected cold. The following sonnet was addressed to the proprietor by a young lady who was cured of Consumption: Ho! ye who pant with failing breath, And pine away and die; Hance shall "put away" your death, And Light anew your eye. How sweet it melts upon the tongue, How grateful to the breast! A glorious theme for poet's song, Soothing his cough to rest. Hance! favored of the God's, art thou, A blessing to thy race, Let laurels flourish on thy brow, And wealth those laurels grace. When heroes are forgotten; kings Defunct; or, ceased to rain; Glory, for thee, shall flap her wings, Thou conquerer of pain. Price 50 cts. per bottle, or 6 bottles for \$2 50.
